Notice

The One Hundred and thirty-fourth Session of the Diocesan Synod of Fredericton will convene on Saturday, 07 November 2015 at 8:50 a.m. at [Christ Church \(Parish\) Church](#), Fredericton.

Membership

The Credentials Committee advises that it is important for those who intend to exercise membership of the Synod confirm that their name appears on either the list of licensed clergy or elected lay delegates. **PLEASE REFER TO SECTION B.** Those who feel the lists are in error need to take steps, prior to registration on the day of Synod, to clarify their status. Clergy not listed should contact the Bishop's Secretary prior to registration and lay delegates not listed should assure the completion of the [form of Certification of a Synod Delegate](#) prior to attempting to register.

Convening Circular

If lay delegates are unable to attend the session of synod, this circular must be passed to the substitute from the same parish attending in their place.

Please become as familiar as possible with the contents of the circular and bring it to the meeting of Synod. Additional copies will not be available.

Some members may prefer to bring a digital version of the circular that is available on the [Synod 2015 web page](#).

Other Information

Please visit [Synod 2015 web page](#) for additional up to date information or to contact members of the Synod Sessional Committees. The Secretary of Synod is available to answer your questions or direct you to someone who can.

Prayer for Synod

For this Synod

Almighty God, giver of all and ruler of all that is seen and unseen; we ask for continual divine grace to your Church and especially to the 134th Session of Diocesan Synod. May we walk in your way, leading lives worthy of our calling, in humility, gentleness, and patience, bearing with one another in love and maintaining the unity of your Spirit in the bond of peace; through Jesus Christ our Lord.

A Prayer attributed to Sir Francis Drake

Disturb us, Lord, when we are too well pleased with ourselves, when our dreams have become true because we dreamed too little, when we arrive safely because we sailed too close to the shore.

Disturb us, Lord, when with the abundance of things we possess, we have lost our thirst for the waters of life; having fallen in love with life, we have ceased to dream of eternity, and in our efforts to build a new earth, we have allowed our vision of heaven to dim.

Disturb us, Lord, to dare more boldly, to venture on wider seas, where storms will show your mastery; where losing sight of land, we shall find the stars. We ask you to push back the horizons of our hopes, and to guide us into the future in strength, courage, hope and love.

Spirit of God, disturb, renew, encourage and guide us day by day.

For the ministry of the Church

Almighty God, the giver of all good gifts, in your divine providence you have appointed various orders in your Church. Give your grace, we humbly pray, to all who are (now) called to any office and ministry for your people; and so fill them with the truth of your doctrine and clothe them with holiness of life, that they may faithfully serve before you, to the glory of your great name and for the benefit of your holy Church; through Jesus Christ our Lord, who lives and reigns with you, in the unity of the Holy Spirit, one God, now and forever.

In memorial

O God of the spirits of all flesh, we praise and magnify your holy name for all your servants who have finished their course in faith and fear, especially those past members of Diocesan Synod ... [*silence*]; ... and we ask that encouraged by their examples and strengthened by their fellowship, we with them may share in the inheritance of the saints in light; through the merits of your Son Jesus Christ our Lord.

Eternal rest grant to them, O Lord,

R. And let perpetual light shine upon them.

May they rest in peace.

R. Amen.

Clergy please have these reports ready for presentation when they are called for at Synod.

ATTENDANCE

- 12(5) If there are no members of the Diocesan Synod who will be younger than 26 years when the Provincial Synod or the General Synod meets, or if both the youth member and the substitute are ineligible or unable to attend a session of the Provincial Synod or the General Synod, the Diocesan Council shall elect or appoint a youth member who need not be a member of the Diocesan Synod.
- 12(6) Members of the Provincial and General Synods and substitutes shall be elected by ballot of all members of the Synod.

 - (b) the Bishop's approval.
- 15(5) If a motion to adopt, amend, repeal or suspend a Canon does not receive the majorities required by subsection (4) but receives a simple majority of the votes of each order, it may be voted on again at the next regular meeting of the Synod when it may be adopted by

MOTION 01 - Scheduling of Synods

Motion 132-08 – Rod Langis / Betty Kennett

That section 5 of the Constitution be amended by adding immediately after subsection 5(1) the following:

5(1.1) Notwithstanding subsection (1), The Diocesan Council may, with the approval of the Bishop, extend the time for holding a meeting of Synod to the third year following the last meeting of the Synod.

*See Notice of Motion 131-13, Section C, page 13

The Motion was carried in both houses.

MOTION 02 - Parish Returns

Geoffrey Hall / Clyde Spinney, Q.C.

That the Diocesan Constitution be amended by adding the following subsection 4(13) immediately after subsection 4(12) thereof:

4(13) Notwithstanding any other provision of the Constitution, lay members of the Synod elected as delegates are entitled to vote at a meeting of the Synod if, since the preceding meeting of the Synod, their parish has completed and filed all Parish Forms (Annual Returns) required by regulation under Canon Five.

*See Resolutions 131-14, Section C, page 19

The mover introduced the motion stating that it emphasizes the need for parish returns in executing the proposed approach to parish support of the shared ministry budget and the information contained will now determine the number of delegates to General Synod. The last Synod requested this issue be considered and action taken by the Diocesan Council.

Two amendments were proposed, a friendly amendment made, all defeated in the House of the Clergy.

When the question was called, Motion 02 was defeated in the House of Clergy.

Archbishop's Comments:

Synod Office Staff and Diocesan Council have done everything possible to encourage parishes to submit their Parish Forms at the end of each year. Yet, there are always some parishes who fail to do so. It is difficult to understand why this happens. The Synod Office has offered to help to facilitate the transfer of information, and will always accept paper forms submissions, if necessary. What message is this conveying to the Diocese? As mentioned in the Charge, what we do has an effect beyond ourselves. In this case, it affects the Diocese in its ability to plan an accurate and fair Shared Budget. It now affects our delegation to General Synod. The intent of the motion was not to be punitive, but rather a call to compliance and introduce a consequence - to do what we, as parishes, are already required to do by Canon Law.

Now that the motion has been defeated, it is hoped that all members of this Synod, lay and clergy, will take responsibility to make sure returns are submitted in a timely manner. If we are to be members of the Body, we need to be responsible parts of the Body, more sensitive to one another and be full members.

MOTION 03 - Approach to Support of the Shared Ministry Budget

Motion 132-09 - Gilbert Carter / Irene Adams

That this Diocesan Synod:

- a) approve, in principle, the approach to parish support of the shared ministry budget as presented to October 2013 meetings of the Archdeaconry Greater Chapters, and;**
- b) refer the matter to the Diocesan Council for implementation and action.**

* See Report: Parish Support of the Shared Ministry Budget, Section G, page 13.

A clarification was sought on point B and it was stated that if a larger change is needed than the percentages proposed at the Greater Chapters, Synod members would be informed.

Motion carried.

MOTION 04 - Marriage

The motion was withdrawn.

MOTION 05 - Congratulations to Archbishop and Edith Nutter

Motion 132-10 – Keith Joyce / Patricia Johnson

That this Diocesan Synod congratulate and wish Archbishop Harold Nutter and Mrs. Edith Nutter a most fond, happy birthday on the occasion of their 90th birthdays this November and December and pray for good health and God's blessing upon them in the year ahead.

Motion carried.

REPORTS OF DIOCESAN OFFICERS

Motion 132-11 – William Morton / John Cathcart

(Section E, pages 7).

Motion carried.

GETTING A MOTION BEFORE SYNOD

Synod Jurisdiction: The jurisdiction of the Diocesan Synod is the “government and administration of the temporal affairs of the Church in the Diocese”: [Anglican Church Act, s.4(1)]

In contrast to the Diocese’s “temporal affairs”,

- the spiritual affairs of the diocese are the jurisdiction of its bishop
- matters of “the doctrines of the Church” are the jurisdiction of the General Synod: [Declaration of Principles, s. 6]

Order of Consideration: [Canon Two, sections 7(4) and 8(2)]

Motions will be considered at Synod in the following order:

- 1) Notices given at a preceding Synod for consideration at the current Synod (to be printed in the order given);
- 2) Notices given six weeks before Synod (to be printed in the order received); and
- 3) Notices given at Synod before the deadline set by the Agenda Committee.

Motions of which notices are given under 1) and 2) above shall be considered prior to notices given at Synod under 3).

Making a Motion: All substantive motions are initiated by giving a Notice of Motion by way of the required form. Notices of Motion can be given either before or during a Synod.

Before Synod: [Canon Two, sections 7(1)(b) and 7(2)]

Notices of Motion for regular meetings of Synod can be sent to the Secretary of Synod not less than six weeks before Synod, and will be printed in the Synod Journal in the order received.

At Synod: [Canon Two, sections 3(10), 7(1)(a) and 7(3)]

Notices of Motion can be given at a meeting of Synod by delivering the same to the Resolutions Committee before the deadline set by the Agenda Committee. A Notice of Motion can be given for consideration either at the current meeting of Synod or at the next regular meeting of Synod.

Procedural Motions: [Canon Two, section 8(5)]

Procedural motions (such as a motion to amend, table, refer or adjourn another motion) may be made without notice and must be disposed of before consideration of the substantive motion before Synod.

Resolutions Committee: [Canon Two, section 3(1), Regulation 2-1 Resolutions Committee Mandate]

The Resolutions Committee does not have authority to veto or refuse a motion, but will seek to ensure that the language reflects the mover’s intent, and may recommend clarifications to the mover and point out potential concerns. It may also suggest consolidation of a proposed motion with other motions received on the same subject.

New Expenditures: [Canon Two, section 8(3)]

Motions proposing new expenditures must either identify a proposed source of funding or be qualified as being made “subject to available funding.”

RESOLUTIONS COMMITTEE MANDATE

1 Task

It is the responsibility of the Committee:

- 1(1) To receive, and prepare for debate, motions proposed for the consideration of the Synod;
- 1(2) To ensure that proposed motions contain clear and concise statements of what is intended by the sponsors;
- 1(3) To propose consolidations of motions dealing with the same subject; and
- 1(4) Generally, to ensure that motions do not conflict with the Constitution or Canons, or the regulations, directives or guidelines of the Diocese.

2 Resolutions Procedures

- 2(1) All motions not already printed in the Convening Circular, except those of a procedural or courtesy nature, or those that arise in the course of debate, shall be written and submitted to the Secretary for consideration by the Committee before being put to the Synod. (The Secretary will give the notice of motion to the Chair of the Resolutions Committee who will assign it a number and present it as a notice of motion at a time determined by the Agenda Committee.)
- 2(2) The Committee shall not debate the merits of any proposed motion, but will ensure that it contains a clear and concise statement of what is proposed.
- 2(3) Any motion presented to the Committee may be accompanied by an explanatory note setting forth the consideration leading to the proposal. This note will not form part of the motion.
- 2(4) The Committee is authorized to propose consolidations of motions which deal with the same subject, with the understanding that, in doing so, the Committee will consult with the sponsors of the motions.
- 2(5) The sponsors of any motion which is recommended for change by the Committee must be consulted and asked for their agreement to the change(s) proposed.
- 2(6) The Committee will advise the author of any proposed motion it considers to be:
 - a. outside the jurisdiction of the Diocesan Synod;
 - b. unclear or ambiguous;
 - c. inaccurate;
 - d. of local rather than a diocesan character;
 - e. impossible of performance; or
 - f. calculated to be a source of embarrassment to the Church;
 and propose amendments to the same, where possible, to alleviate such concerns.

3 Vote Count Team

- 3(1) Prior to each regular and special meeting of the Diocesan Synod, the Chair of the Resolutions Committee, in consultation with the Secretary of the Synod, shall select and train a Diocesan Synod Vote Count Team.
- 3(2) The Vote Count Team shall comprise at least six persons.
- 3(3) A member of the Diocesan Synod may be a member of the Vote Count Team.

Adopted
17 January 2009

NOTICES OF MOTION

MOTION 2015-01 – Financial Statements/Treasurer’s Report

Mrs. Irene Adams/ Mr. Gilbert Carter

MOVED THAT

This Synod receive the Diocesan Financial Report and Statements for the year ended 31 December 2014.

(See Convening Circular, Section F, pages 19-21 and Appendix 6)

MOTION 2015-02 – Tenure of Diocesan Council Members

Mr. David Bell, Q.C./Ven. Cathy Laskey

MOVED THAT

The Constitution of the Diocesan Synod be amended by adding s. 11(9) as follows:

11(9) Notwithstanding anything in this Constitution, where a regular meeting of the Synod is called for a time that is within 18 months of the holding of the last regular meeting of the Synod, the members of the Diocesan Council shall continue in office for a further term provided that their status is otherwise in conformity with this Constitution and provided that no such continuation occur twice in succession.

(Explanatory Note: Diocesan Council members do not have a quantified term of office. A few serve ex officio but most are elected or appointed to serve for the period between regular synods (so long as they continue to be synod delegates or alternates). The period between regular synods cannot exceed three years but is not otherwise set.

It follows that, if a diocesan synod were called in any two years in succession, such as 2015 and 2016, then the process to choose the elected and appointed members of the Diocesan Council would have to be gone through twice within a short timeframe. As such a quick turnover in membership is probably undesirable, what follows below is an amendment to the Constitution providing that, where synods are called to meet in quick succession, the Diocesan Council members elected or appointed in the first selection process continue in membership without a second selection process, provided that the tenure of a given Diocesan Council can be extended in this manner only once. The amendment is framed in terms of “calling” the synod rather than the “meeting” of the synod as, by the time a synod actually meets, many members of the Diocesan Council would already have been elected by the Greater Chapters.)

REPORT OF THE DIOCESAN TREASURER

The Treasurer, appointed by Diocesan Council, under Section 10(2) of the Constitution is required to:

- a) receive all money belong to or collected under the authority of the Synod, and disburse the same as the Synod shall direct,
- b) keep careful accounts of all money belonging to or collected and disbursed under the authority of the Synod and present those accounts to the Synod at each regular meeting of the Synod and to the Diocesan Council as it may require,
- c) deliver into the hands of a successor or other person as the Synod may direct all property, books, records, documents and papers relating to its concerns that may be in the possession or control of the Treasurer.

The Diocesan Treasurer provides financial information on a regular basis to the Finance Committee and to Diocesan Council. The financial statements for the year ended December 31, 2014 are included in the Appendices of the Synod Convening Circular.

Diocesan Finances: Overall, the financial results of 2014 provided a modest surplus position for the Diocese. This was mainly due to positive growth in the Diocesan Consolidated Investment Fund assets, the details of which are in the statements prepared by Grant Thornton on our behalf.

Diocesan Shared Ministry Budget: The 2015 Diocesan Shared Ministry Budget focus was to allocate available funds to address parish development needs, build a better diocesan support system, maximize the potential of clergy and focus on sharing in the diocesan ministry.

While 57% of the funding was projected from parish support and another 13% from cost recoveries, 86% of the budget is focused on providing either direct support to the parishes, or mission and ministry on behalf of the whole diocese. Only 14% of the expenditures are related to Synod office administration and diocesan governance and are not funded by the parishes. To maintain services and the level of ministry provided, but not ask the parishes to increase their support, the 2015 budget projected a deficit in funding. The challenge was to identify and implement cost savings throughout the year to reduce the projected deficit.

2015 is the second year of the new approach for parish support of diocesan shared ministry and this appears to be working in accordance with the objectives: to have an approach that is fair, equitable, and transparent; easily understood, communicated and applied, but flexible enough to recognize and accommodate extenuating circumstances. For the most part, parishes have embraced this new approach and have supported it.

From an operating budget perspective, the results are encouraging: parish support of the Diocesan shared ministry budget increased from 84% in 2013 to 94% in 2014 and as of the end of August 2015, contributions had increased to 99%. The actual dollar amount contributed was slightly less in 2014 than in 2013, but this is because under the new approach to shared ministry, less was asked of the parishes. While some parishes are still challenged to contribute, others have been moved to contribute more in support of their fellow parishes and should be acknowledged for their generosity in sharing.

Diocesan Support to the Parishes: The diocese remains committed to providing opportunities for parish leaders and congregations to gain insight, skills and knowledge that will help enhance parish operations.

Wardens and Treasurers Days focused on providing information on the responsibilities and authorities of parish leaders, sharing the diocesan budget, and other key information.

The 2014 Stewardship event recognized that our focus is not confined to financial resources: buildings may support or hinder ministry and the decisions we make will also affect our environment. Parishes were introduced to cost-sharing resources for “green audits” aimed at reducing operating costs and encouraging better stewardship of physical assets. In 2015, we shared and celebrated a wide range of blessings and resources that enable our ministry.

Some parish officers have expressed their need for specific guidance and training to support leadership growth and we will endeavour to take those suggestions and provide that support in 2016, whether it is on a one-on-one basis or through a more inclusive event.

Diocesan Youth Camps: The camps continue to be a major diocesan initiative in terms of providing leadership and financial resources. Recognizing the role that our camps play in shaping the future of young people, the diocese is devoted to providing leadership, capital and operational support. We are currently exploring options for extended usage of Camp Medley beyond the normal camping season, to provide added income and offset the operating costs.

Camp Medley celebrated its 45th year of operation in 2015, and as part of our campaign to provide camper scholarships, the New Brunswick Children’s Foundation awarded an \$8,000 grant to be used to bring children to camp who might not otherwise be able to attend due to economic situations. The funds were gratefully received and put to good use.

Diocesan Administration: The past two years have seen a lot of changes in diocesan administration. New staff have brought new skills to the diocese and as a result, the range of expertise that is available has expanded to face future challenges and support the work of the Bishop and our diocese. In addition to the financial operations of the Diocesan Synod and Camp Medley, increased expertise has allowed us to also provide accounting support to the Cathedral. Financial and administrative processes continue to evolve and expand.

Challenges and Blessings: As Treasurer, I have been both challenged and blessed:

I am challenged by the ever changing (and ever-increasing) priorities and the necessity to juggle conflicting needs; challenged to respond to those asking for assistance or counsel, be it parish, clergy or individual, while trying to assess which situation is most urgent at the time. Most of all, I am challenged by physical, emotional and mental limitations to what I can actually accomplish well against my desire to push further and do more.

I am blessed by the leadership, friendship and support of our Bishop David Edwards, and of the Executive Archdeacon, Cathy Laskey; blessed with great co-workers, and by wonderful support and encouragement throughout the diocese; blessed by the dedication and guidance of the many diocesan committees with whom I work, especially the Finance Committee and its chair, Gil Carter, with whom, as Treasurer, I work so closely; and most significantly, blessed by the continued support and sacrifice of my husband Don who actually suggested that we move to Fredericton so that I could continue to serve this diocese. I truly believe that the hand of God was on my shoulder when I asked to serve in this role and I am humbled.

Respectfully submitted,
Irene E. Adams, Diocesan Treasurer

Expectations of a Member of Diocesan Council

Diocesan Council fulfils a senior leadership role in our Diocese functioning as "Synod between Synods." To discharge this responsibility requires a major commitment of time. As a potential member of Council, I have read and understand the following expectations which I will do my best to perform, the Lord being my helper.

Attendance:

- Diocesan Council Meetings

Attend all Diocesan Council meetings, which means under normal circumstances, making myself available for approximately six Council meetings per year, across the Diocese. (Usually three on weekdays and three on Saturdays)

- Diocesan Council Team Meetings

Every Diocesan Council member is expected to be on at least one Council Team and to attend Team meetings, usually about 2 hours, between each meeting of the Diocesan Council.

- Greater Chapter meetings

Every Diocesan Council member belongs to the Greater Chapter in the Archdeaconry where they live. The Greater Chapter usually meets three or four times a year.

Preparation:

- Do my best to prepare, taking time to prayerfully review and reflect on issues and proposals that are before these meetings.

Participation:

- Be an active listener, and contribute to the work of the Council, both at meetings and between meetings.
- Play a leadership role in my archdeaconry's Greater Chapter meetings, especially by providing information to and gathering information from parish clergy and lay leaders regarding Diocesan affairs.
- Try to act always in the best interests of the Diocesan Synod, in an impartial and nonpartisan manner, being personally accountable for my decisions and Council's decisions, always seeking to promote understanding of those decisions in my archdeaconry and across the Diocese.
- Diocesan Council has established norms and I will respect them.

TEAM REPORTS

ADMINISTRATION

Overview – The Administration Team and Its Work

The Administration Team of Diocesan Council has had the lead role with respect to coordination of the Nicodemus Project and management of the important 'Issues and Challenges' that face the diocese, as identified by the Bishop, the Synod and/or Diocesan Council. In addition it gives direction, when asked or deemed necessary, to the standing committees that operate under its auspices.

Current members of the Admin Team are Bishop David Edwards, Dean Geoff Hall, Archdeacons Cathy Laskey, Pat Drummond and Walter Williams, Chancellor David Bell, Treasurer Irene Adams, Council Vice Chair Jim Knight, Gil Carter, Gisele McKnight and Jim Morell (chair). The team typically meets about six times per year.

On behalf of Diocesan Council the Admin Team has coordinated and monitored progress and action on the more important or urgent issues facing our diocese. Each issue or challenge has been clearly identified and then assigned to a team or committee or task force. Below is a list of the 'issues and challenges' list that been in place since Synod 2013. Regular reports have been made to Council at each of its meetings. Information and progress is reported by the various teams and committees elsewhere in this convening circular.

Our 'Major Issues and Challenges' list for 2013-15 has included:

1. The Nicodemus Project
2. Improving Our Promotion of Stewardship
3. Improving Parish Support of Our Shared Ministry Budget
4. Following-up Archdeaconry Commission Reports
5. Preparing Our Leaders for a Different Future
5. Review of Health Benefits Program for Retired Clergy and Spouses
6. Review of Our Clergy Remuneration Package
7. Development of Safe Church Policies and Procedures
8. Development of Diocesan Guidelines for Church Closures
9. Improving Submission of Year-end Data by Parishes
10. Staffing of Synod Office and Bishop's Support Team
11. Exploring Opportunities for Cooperation and Shared Ministry – Synod and the Cathedral
12. Possible Review of Episcopal Election Process
13. Preparing for Synod 2015

Constitution and Canons Committee

In June 2014 the Committee learned with regret that Diocesan Chancellor Clyde Spinney and Vice-Chancellor Brent Theriault had tendered their resignations to Archbishop Miller, so that their tenure would end with his. Bishop Edwards appointed David Bell (Sept 2014) and Kelly VanBuskirk (May 2015) as their successors. Before ending his six-year term as chancellor (following seven years as vice-chancellor), Chancellor Spinney produced a thoughtful discussion paper on a number of issues facing the Diocese, particularly composition of the Diocesan Synod, that remains current.

The main duty of the Committee and the diocesan legal officers is one of advice to the bishop, Diocesan Council and various committees in a wide variety of contexts:

- Adjustment (amalgamation, dissolution) of parish boundaries
- Property and trust issues, which parish amalgamations are making more numerous
- Interpretation of diocesan legislation
- Advice on personnel matters
- Review of documents
- Drafting legislative amendments and other formal legal documents
- Offering instruction for better understanding the diocese in its legal aspect

Particular thanks are due Ronald Stevenson, Charles Ferris and Geoffrey Hall for their contributions to the Church Law Workshop held at UNB on 1 November 2014.

As the diocese of Fredericton discerns its needs in terms of greater flexibility in its legislative scheme and renovation of its institutions, members of the Constitutions and Canons Committee look forward to playing their role in good heart.

David Bell, Q.C., Chancellor and Chair

Communications Committee

The Communications Committee has not met since the 2013 Synod. In the fall of 2014, communications officer Ana Watts retire and we thank her for her years of service as the Diocesan Communications Officer.

Gisele McKnight was hired in October 2014. In the spring of 2015, an ad hoc group of people interested in Diocesan Communications met to discuss and consider the best ways to facilitate communication. It was agreed that a strategy plan will need to be developed to guide a future Communications Committee in their work.

In the meantime, e News continues to be published online every Tuesday (every other week in July and August) with news from the bishop's office, upcoming events, a story and other information relevant to Anglicans in New Brunswick. In July 2015, eNews was presented with a new format which readers seem to enjoy.

The New Brunswick Anglican continues to be published 10 times a year and readers enjoy the paper and the many features it prints. Since October 2014, the diocese has a more active Facebook page with several new posts each day. As well, we have joined Twitter: @AnglicansNB2015. Everyone is encouraged to like the Facebook page and follow on Twitter.

Respectfully Submitted,
Gisele McKnight, Diocesan Communications Officer

Finance Committee

The past two years have been very busy ones for the Finance Committee. This period started with the implementation of a new approach to parish support of the diocesan shared ministry budget as approved by Synod 2013. The new system was implemented in January

2014 and is now nearing the end of its second year. While no system is perfect, and no approach undertaken will be completely satisfactory to all parishes, it is the opinion of the committee that this new approach has met its objectives of being fair, equitable and transparent and it is being supported by the majority of parishes.

At the direction of Diocesan Council, the committee undertook a review of parishes that had been outstanding in their support of the diocesan shared ministry budget for more than two years. Guided by Diocesan Policy A-6: Outstanding Parish Support, this process was focused on working with individual parishes to identify any ongoing or emerging financial problems to determine if these were actually early warning signs of more serious issues related to the ongoing viability of the parish, whether financial or ministerial in nature.

Out of 20 parishes initially reviewed, five were visited by support teams for more in-depth discussion and several more have submitted plans for addressing their financial situations: these will all continue to be monitored by the committee. The committee expects that action under Policy A-6 will take place on an annual basis as required, and resulting recommendations will be forwarded to the Bishop and Diocesan Council for action.

The Finance Committee recommended write-offs of amounts outstanding for parish support of the diocesan shared ministry budget as follows:

- In March 2014: amounts outstanding as of December 31, 2011: \$340,452;
- In January 2015: amounts outstanding as of December 31, 2012: \$238,242.

While these outstanding amounts were forgiven, it was with the hope that if a parish experiences a change in circumstance in the future, they will endeavor to contribute the amount written off so that other parishes can benefit from the added support.

Over the past two years, the Finance Committee has regretfully accepted two key resignations:

- Mr. Murry Arnott, chair of the Investment Committee
- Canon David Kierstead, chair of the Property Sub-Committee

In response to the first, it was decided not to appoint a replacement chair: the Finance Committee instead invited the remaining members of the Investment Committee to attend selected Finance Committee meetings so that this group, as a whole, could provide more direct oversight of the Diocesan Consolidated Investment Fund. As the second resignation was more recent, the Finance Committee recommended that Mr. Jim Knight, member, be appointed as interim Chair of the Property Sub-committee, to serve until Synod 2015, and is grateful for his support.

The members of the Committee were pleased with the appointment of Mr. Benjamin Bourque to the position of Financial and Administrative Assistant in June 2014. Mr. Bourque has provided significant support to the Diocesan Treasurer and the administration of the Synod Office, and also to the parishes who frequently call upon his assistance.

Over the past two years, the Committee has been very appreciative of the efforts of the Diocesan Treasurer who has diligently led the resolution of any issues related to the ongoing reporting for parish support of the shared ministry budget and employment-related

recoveries. Coupled with improved reporting mechanisms, this has enabled the Finance Committee to appropriately exercise its fiduciary responsibilities on behalf of the Synod.

Based on the recommendations of the committee, Council approved operating budgets for both 2014 and 2015, and although both projected potential deficits, the actual result for 2014 did not realize a deficit and the preliminary results for 2015 look encouraging. In both cases, the budgets have been closely monitored for prospective savings to reduce the potential deficits forecasted.

Transactions that have been approved/recommended by the Finance Committee include:

- Renewal of Synod loan to the Parish of the Nerepis and St. John in the amount of \$350K to extend to September 2015, currently under review again;
- Continuation of loan guarantee from the Parish of Fredericton to the Parish of the Nerepis and St. John.

The committee continues to review any proposed transactions involving the sale, lease or renovation of Synod, Cathedral and Parish properties and to make appropriate recommendations in accordance with the Anglican Church Act 2003.

On behalf of the Finance Committee, as its Chair, I would like to express my appreciation for the continued support of parish leaders in the financial affairs of the Diocese. Every member of the committee comes from a parish, and we each share the concerns that are common to all parishes, as well as the Synod: how to use limited resources to enable our ministry. As one family of Anglicans working together, I hope that we will be able to identify long-term solutions to help us the challenges of our future.

Respectfully submitted,
Gilbert (Gil) Carter, Chair

Human Resources Committee

Current Membership: Walter Williams (Chair), Chris McMullen (Secretary), Richard Robinson, Jon Lownds, Roger Castonguay, Shara Golden, Norman McLeod, Jack Walsworth, David Edwards, Cathy Laskey, Brent Ham, Irene Adams. The HR committee meets monthly except during the summer months.

- Clergy travel reimbursement has been on a per-kilometer basis since January 2012. The rate and structure are reviewed annually against current vehicle operating costs and adjusted as necessary.
- Clergy Stipend Review: Council tasked the HRC to review the entire clergy compensation package. Comparative information has been gathered from a number of dioceses across Canada. This review is expected to be completed soon and a report will be given to Diocesan Council for their consideration. In the interim, the clergy stipend is reviewed annually and was increased by 3% in 2015, for the first time in several years.
- Clergy Extended Health and Dental Plan: the Active Clergy benefits plan was merged with the National Church plan in November 2014. As a result of this change there has been considerable savings to both the Diocese and the plan members with no loss of coverage.

The committee is also exploring options related to implementing a wellness program in the Diocese as a future consideration.

- Retired Clergy Extended Health and Prescription Drug Plans: The Retired Clergy prescription drug coverage was merged with the National Church extended health plan January 2015. This allowed retired clergy to leave the Blue Cross plan and be covered under one plan. It is now a fairly seamless transition from the regular clergy plan to the retirement plan upon retirement. This has also provided a cost savings to the Diocese as well as to individual plan members.
- Regulation 4:4 - Safe Churches: This regulation was adopted by Diocesan Council along with related Diocesan Misconduct, Privacy and Police Record Check policies. The committee is now reviewing the other policies and procedures connected to the Safe Church Regulation in hopes of presenting them to Council in the near future. At the recommendation of the HRC, a new Diocesan Misconduct Committee was appointed by Diocesan Council, along with Diocesan Misconduct Officer, Barb Richards and Assistant Diocesan Misconduct Officer, Victoria Hachey. A new study package for training under this Safe Church regulation is currently under development.
- HR Committee Membership: The HRC has presently filled all of its mandated positions and all current members are eligible to be renewed for another two year term.

Respectfully submitted,
Walter Williams, Chair

ARCHIVES COMMITTEE

The Diocesan Archives Committee meets twice a year, usually May and September. The purpose of the Archives Committee is to oversee Parish and Diocesan Records. This involves searching out and acquiring materials which are then catalogued, stored and managed in the Provincial Archives of New Brunswick. For many years, Twila Buttimer was the Provincial Archivist who managed Anglican records. Twila retired this year and we are most grateful to her for all of her work and continued interest in our Diocese – she has gone above and beyond the call of duty. Our Diocesan Archivist for many years was Frank Morehouse, who also retired this year. Frank has been a tireless worker, striving to preserve as much history of our Diocese as is possible. We thank him as well for his service – it was, and is, a labour of love (and we still have a project in mind for him!).

For 10 years, Twila and Frank produced The Archives Corner column in The New Brunswick Anglican. When it was discontinued, they put together a book called “The Archives Corner from the New Brunswick Anglican.” This book includes all of the columns from the newspaper, and copies of this excellent book are still available and are a tremendous resource of many aspects of the history of our Diocese.

The work of the Archives Committee continues. We are delighted that Lorna Williams has been appointed as our new Diocesan Archivist and Joanna Aiton-Kerr is the new Provincial Archivist who manages Anglican records. While we feel our committee has accomplished much over the years, there is still much work to be done. This past year we were excited to acquire the personal diaries of the Rev. Canon Basil Buckland, the gift of his family. We

also have acquired the records of the now closed Church of England Institute (Anglican House), which served our Diocese for well over 140 years. After many years of trying to find a permanent home for it, ownership of the Medley/Cathedral Library has been transferred to the University of New Brunswick in Fredericton. The library took up a huge amount of space and it needed a permanent home where it could be properly cared for. Also this year, all Synod Journals have been digitalized and we hope that in the near future they will be available on the Diocesan website.

We know there is still much archival material out there. Old records may be forgotten and stored in attics, basements, closets, bell towers or barns. If you have archival material (documents, photographs, movies, architectural plans, etc.) and you're not sure what they are or what to do with them, don't throw them away – call Joanna Aiton-Kerr at 453-8431. Joanna, and/or a member of the committee will come and help you sort through them – you might be amazed at their historical value.

Thank you for all of your support. We have one of the finest archives in the country, and this has happened only with the cooperation of the parishes.

Respectfully submitted,
The Ven. David J. Barrett, Chair

Nominating Committee Report

The Nominating Committee is a standing committee of Diocesan Council with the purpose of facilitating the nominating process and assuring nominations for specific vacancies in

Diocesan representative roles, elections and appointments throughout the diocese are carried out as needed. The committee assists the Bishop and the Diocesan Council in recruiting both clergy and lay persons for over 40 ministries within Diocese.

The Committee experienced a number of changes in membership during the period between the 132nd Session of the Diocesan Synod (November 2013) and this current Synod. Current members include Bishop David Edwards; the Ven. Cathy Laskey (the Bishop's Representative); the Rev. Peter Gillis; the Rev. Canon Walter Williams, Shara Golden, Jim McKenna and Ann Fairweather (Chair). Gratitude is expressed for the leadership of the past chair, Jack Walsworth.

Since Synod 2013, the Diocesan Council approved appointments presented by the Nominating Committee for vacancies within the Diocesan Council - members at large and youth; the Diocesan Executive Committee; the Finance Committee; the Human Resources Committee; the Constitutions and Canons Committee; the Nominating Committee; the Archives Committee; the Sexual Misconduct Committee and the Ecclesiastical Court Pool.

The Nominating Committee will be focusing its immediate attention on recruiting individuals to fill a number of vacancies that exist in Diocesan committees and roles. A current list of the Roles, Elections and Appointments is included in this Convening Circular and is also

found on the Diocesan website (<http://anglican.nb.ca/synod/council/roles.pdf>.) If you sense God calling you to a particular ministry and you wish to pursue this, please contact Ann Fairweather by e-mail at annfair@nbnnet.nb.ca and a conversation will be welcomed.

Ann Fairweather, Chair

Provincial Synod meets in Fredericton

The 2015 Synod of the Ecclesiastical Province of Canada (EPC) convened in Fredericton from June 25-28 at the St. Thomas University Conference Centre.

The theme of the Synod, "If I have not love I am nothing," was introduced at St. Margaret's church during the opening Eucharist in Archbishop Percy Coffin's inaugural Metropolitan Address "If the church has a mission at all, it is to manifest the deeds of Jesus," said Coffin.

"The church has to reach out to the displaced, the periphery, to the new missionary frontiers of the contemporary world. The mission of Jesus is one of making the culture of the Good Samaritan our own, feeling as our own the pain of the oppressed, getting close to them and freeing them. "Without this commitment, all religiousness is false. As St. Paul says, "If I have not love I am nothing. Ours is a time to leave behind the shallow waters of maintaining the institution and launch out into the deep waters of evangelization."

He challenged delegates with these questions: We exhibited such care and compassion as Jesus did? We reached out to people with such genuine interest that they sat up and took notice? We were seen, not as self-righteous and judgmental, but as a breath of fresh air? We came across as not having all the answers but as having doubts and fears? What if we didn't offer shallow comments but instead invited people to think deeply? "In the words of the presiding bishop of the Episcopal Church, Catherine Jefferts-Schoori, to our most recent General Synod, 'Get up. Get out. Get lost,'" said Coffin.

Armed with this charge, the Synod considered the means by which the EPC might better respond to the realities of 21st century demographics in order to be a relevant agent for Jesus and to make Him known beyond traditional parish bounds.

Highlights from the event:

- Provincial Synod sponsorship of "Ask and Imagine" 2016 youth training initiative; the youth caucus also expressed a desire to hold a provincial youth conference within the next three years.
- Bishop Michael Hawkins, chair of the Council of the North, invited the Province to move forward on its "parish-to-parish" companioning initiative, stating that at least six Council of the North parishes are ready to enter into companion relationships with parishes of the EPC.
- Executive officers of the seven dioceses of the EPC resolved to confer on a regular basis.
- Governance reform initiative highlighted by the report of the Ecclesiastical Province of Canada Governance Task Force and Bishop Geoff Peddle's "Statistical Trends in the Ecclesiastical Province of Canada, 2015" reflecting significant decline in ACC membership within the EPC.

- Primate Fred Hiltz underlined ACC solidarity with recommendations of the Truth & Reconciliation Commission and spoke on the challenges facing aboriginal youth.
- Provincial Synod members caucused for part of Synod on a series of questions arising from the Metropolitan Address; the visioning responses reflected, among others, the prerequisites of the Provincial Governance Task Force.
- Bishop David Edwards and Ven. Cathy Laskey led NB(Fredericton) Diocesan presentations on Friday evening and Saturday morning, sharing diocesan initiatives such as 12/12/12; Central Saint John Community Ministry (the Revs. Terence and Jasmine Chandra) and Gisele McKnight's Wickham church video.
- Provincial Synod adoption of Provincial Misconduct Policy as part of the Province's comprehensive provincial Safe Church regulation. This complemented a presentation by Nova Scotia & Prince Edward Island Bishop Ron Cutler and the Ven. Gordon Redden on their SafeR Church initiative, and Ecclesiastical Insurance (with Mike Thornhill and Jane Williamson) pointing to the need for such legislation and implementation throughout EPC.
- Various non-traditional Anglican ministries were in attendance, including parish nursing; Godly Play; Central Saint John Community Ministry; military chaplaincy and Frank Morehouse and Twila Buttimer with their diocesan Archives Corner book.
- Rachel Barrett was elected as lay member of Provincial Council; other Dioceses of Fredericton council members are Peter Irish (provincial treasurer) and Charles Ferris (provincial chancellor). Other new Provincial executive members were Rev. Eli Evans (prolocutor); Marg Jenniex (deputy prolocutor); Ven. Gordon Redden (clerical secretary) and Judi Culp (lay secretary).
- Provincial Synod resolved to invite entities and individuals within the EPC to support the Princess Besra (Palestinian) Hospital in Jerusalem.
- Provincial Synod resolved to continue its streamlining commenced at its 2012 synod, including more alternate types of conferences; videoconferencing; and shorter synod and council meetings.
- Provincial Synod conferred an award of merit on Eric Dryden for long and effective service as the provincial treasurer.
Rich Anglican worship dominated the event, which included the opening service at St. Margaret's, thrice daily in-Synod worship and a closing Communion service at Christ Church Cathedral on Sunday morning.

Respectfully submitted,
Charles Ferris, Q.C, Chancellor

EPISCOPAL MINISTRIES

Brief Description and Mandate

Our purpose is to help relieve pressures on the Diocesan Bishop in the daily responsibilities of that office by providing an effective means of communication between the Bishop and ministries falling directly under the supervision of that office, in matters which do not require the Bishop's immediate involvement.

Activities and Ministry Priorities since our last Synod in 2013:

Clergy College

Annual Clergy Colleges were held in June 2014 and 2015. There was one speaker for the whole week in 2014 and the customary three this year. This program is of great value to those who attend. The Rev'd Rob Salloum has stepped down as Chair of the organizing committee. I would like to thank him for his service in that ministry. The Rev'd Canon Keith Osborne has taken over the role. It is my hope that this initiative will grow from strength to strength.

Clergy Conference

The Annual Clergy Conference at Rothesay Netherwood School is well attended. This two day residential event receives consistent positive feed-back. The presenters were Dr. Reggie McNeal in 2014 and Prof. John Bowen in 2015. Both of these highly sought after speakers built on the themes of the previous two conferences, looking at ways to engage with our current culture. They worked towards providing models for practical initiatives. This was well received by the clergy. As usual there was also time with the Bishop and regular worship. This event is important for our collegiality as ministers in the Diocese. Thanks to Canon Leo Martin who has retired as registrar after many years in the role.

Rothesay Netherwood School

The Rev'd Paul Ranson has been serving as Chaplain to the school for the last 2 years. This has gone well and has now entered its third year. Paul serves both staff and students. The post is partly funded by the Diocese in partnership with the school. The school continues to thrive under the guidance of Mr. Paul Kitchen, the Headmaster, though will see a big change at the end of this school year when he retires. I wish Paul well as he enters a new phase of his life and thank him for his years of dedicated service.

Synod Office Staffing and Succession Planning

During this period between Synods we worked towards the development of a new Synod staff team. This became necessary due to retirements and people moving on. The appointment of me as Bishop led to the need to revise the roles within the office as might be more appropriate for the current needs. In consequence Mrs Irene Adams has agreed to remain as Treasurer, Mrs Cheryl Jacobs has become my Secretary, Mr Ben Bourque works as Financial Assistant, Mrs Gisele McKnight is Communications Officer and Archdeacon Cathy Laskey is the new Executive Assistant to the Bishop. In addition Bishop Miller had appointed Mr Colin McDonald as Youth and Intergenerational Ministries Director. There is still one position to fill, Parish Development Officer, which despite advertising and approaching people an appointment has not been possible.

This is the first opportunity to say thank you to former post holders in a Synod Circular. Thanks to Archdeacon (now Dean) Geoffrey Hall, Mrs. Phyllis Cathcart, Mrs. Ana Watts, Mrs. Maureen Vail and Archbishop Claude Miller for their service over the years.

12-12-12: Peer Education Program

This program format is adapted for clergy in our diocese. Dr. Nancy Mathis guides and directs the Wallace McCain Institute of the University of New Brunswick who offers a peer education program for young entrepreneurs. Ms. Mathis worked with Archbishop Miller and me to modify this for use with the clergy of that Diocese. There have been two 12 12 12 groups thus far, both have continued after their initial one year mandate. It is hoped to begin another group in September 2016. The program is a residential one and involves 12 clergy with 12 topics over a 12 month period. Provision for the program has been made in the Diocesan budget and through the assistance of some generous backers.

Layreaders

The review and study as to how to address the need for basic and ongoing training for Layreaders is well underway. Mrs. Cleo Cyr has been appointed as the new Warden of Layreaders and is working diligently towards a new training program. The aim is to pilot some teaching modules in the coming months. A word of thanks goes to Canon John Cathcart for his service as Warden of Layreaders.

Vocational Discernment

This has emerged as a great need for our Diocese. We have to encourage vocations of all types. We also have to consider the type of candidates we are encouraging, their gifts and talents. To that end a Vocations Day was arranged in September and this will be part of a continuing program.

Ordination

Since our last synod there have been 13 ordinations: 2 to the Priesthood, 6 to the Diaconate leading to Priesthood, 4 to the Vocational Diaconate, and one Bishop.

Confirmations

Since our last synod 190 candidates were confirmed. It is good to see that we have a mix of adults, young people and children. It should be noted that the faith formation and continuing education of every member of the church should be a high priority. This fits with the second mark of mission.

Deconsecrations

Since our last synod 6 churches were deconsecrated by the Bishop or his appointee. The secularized structures have been razed, or sold and re-purposed as recommended by Parish.

Diocesan Camps

In effect we have four Diocesan Camps; they all operate differently but each fills a special place in our ministry. Camp Medley is the largest camp and fulfills very much the traditional role of seeking to accommodate a large number of campers over the summer period. This

year has seen a significant rise in the number of campers attending. There have been at least 100 new campers. Brookwood is a smaller camp and provides a wonderful family style atmosphere for children and has had a successful summer. Our third camp, St. Michael's Conference, is largely run by members of our clergy, their family members and other lay people. It provides a strong educational and activity based environment for over thirty youth each year. It is unique and successful in its way of doing things. Finally, our Diocesan Choir School is an 8-day camp for young choristers with adult choristers joining in for the final three days so that there are over 100 voices at the final sung Evensong. At 58 years, it is believed to be the longest running choir school in Canada and includes recreation, crafts, spiritual education and lots of singing.

We have been able to appoint a full-time Camp Director, Maren McLean Persaud. She began work on September 1st having been the Director for the summer season. The intention is that she will work towards increasing numbers, the continued development of the infrastructure of the camps and enabling Medley to become more of a year round facility.

General Comment

During my time as Bishop the Episcopal Team has not met. Much of its work has been done by the staff team and other aspects have not been done. I wonder if there is a new way to approach this aspect of our ministry. I suggest that we review the role of the Episcopal Team.

Respectfully Submitted,
Bishop David

Layreaders

Under the Bishop's direction the process of developing a layreader training program has begun. To date clergy have been engaged in that process through telephone and face to face interviews as well as by completing a questionnaire. Under review is the past layreaders program given in the diocese as well as other diocesan programs across the country and in England. We now have a rich repository of information to draw from.

Next steps include attending deanery meetings to engage more dialogue as well as facilitating a 6-week pilot program with a few layreaders in the fall. The program is called S.H.A.P.E. designed to help layreaders discern their SHAPE for God's service by identifying their gifts. SHAPE stands for: **S**piritual gifts; **H**ear't's desire; **A**bilities; **P**ersonality; and **E**xperiences and was developed by The Revd. Canon Amiel Osmaston from Carlisle, England. Diocesan wide dissemination of information following evaluation of the pilot program will follow later in the year.

A section on the diocesan website is being developed for layreaders which will include a video message from the Bishop. The website will be an important method of communication with both clergy and layreaders. We hope to have the website live before Christmas or early in the new year.

Many clergy and layreaders have expressed the importance of having layreaders spend time with their Bishop. The next Layreader Day with the Bishop will be Saturday May 14th, 2016 at Christ Church Parish Church in Fredericton.

The annual renewal of Layreaders Licenses will occur at the beginning of the church year in November.

There are currently 254 parochial and 105 diocesan layreaders in the Diocese - an amazing number of faithful followers of Jesus who I look forward to meeting as we nurture and grow a vibrant layreader ministry in the Diocese.

Respectfully submitted,
Cleo Cyr, Warden of Layreaders

Moncton Hospitals Chaplaincy Report

In my view, the hospital chaplaincy is an important part of the ministry of the Church in the community. As the life of the Church is centred in the parish, where Christian formation, nurturing and healing take place, the hospital becomes an extension of that. Members of the Community go to the hospital when they become sick; they get well quite often, then they go back to the community to continue with life. It is, therefore, reasonable to conclude that the chaplaincy should exercise its ministry in subordination to the needs of the parishes in the community. This has been my understanding of hospital chaplaincy.

In the present circumstance, I work at the Moncton Hospital as a Staff Chaplain as well as the denominational chaplain for the Anglican Church. Both positions are part-time. As a staff chaplain, I am assigned specific wards for visitations and other pastoral care needs, and can visit everyone on the list, non-Anglicans and Anglicans alike. It is in such cases that I do meet Anglicans from various parishes in the area. For all patients who are members of an identified church community, I ask them if their pastor or priest knows that they are in the hospital. If the answer is no, I will then ask if it would be alright to tell their pastor.

As an Anglican chaplain, my primary focus is on those Anglicans who have no affiliation to any of the local parishes. These would include local patients and those from outside the community, such as Prince Edward Island, Nova Scotia, Miramichi, other parts of the province, etc. The encounter with lapsed Anglicans presents a very good opportunity to re-integrate them with a community of Anglicans. This is where I see a great value for the chaplaincy ministry. In addition to visiting non-affiliated Anglicans at the City Hospital, I also visit those at George Dumont and the Veterans' Home. I have no Pastoral Care Committee.

The Rev. Rufus Onyewuchi, Chaplain

Fredericton Hospital Chaplain

It is with great pleasure that I write this report to you. I took over as Chaplain to the Dr. Everett Chalmers Hospital in July 2014 following the retirement of The Rev. Canon John Cathcart. I normally visit the hospital on a weekly basis and would see between 6 and 8 patients per visit. There are some weeks where a critical patient might require more frequent visits. I appreciate the opportunity to participate in this valuable ministry. I will be participating in the duty chaplains retreat to be held in early October. My thanks to the support staff at the DECH and also to those layreaders who conduct weekly services in the chapel.

Respectfully submitted,
The Rev. Canon Walter Williams

MISSION AND OUTREACH

Anglican Church Women

The ACW purpose is to unite women in fellowship, study and offering which will deepen and strengthen their own spiritual lives and lead them into Christian service in parish, community, diocese, our nation and the world. ACW's also work for and sustain an informed interest in the mission of the church.

We carry out our purpose by supporting the Council of the North, Camp Brookwood, Camp Medley, School of Church Music, the stipend of Canon Paul Jeffries, Farraline Place, 2 foster children, Threshold Ministries, the Anglican Foundation, the former SAMS (South American Missionary Society), Bishop McAllister College, Food Banks, Coverdale Place and we sponsor a child at Bishop McAllister. We continue to help parishes in need of extra funding for much needed repairs to rectories, etc. We continue to support retired ministers and their wives with extra medical expenses that are not covered by their personal health plan. One parish ACW has partnered with the Loaves and Fishes program at St. Luke's Church in Saint John.

Because of our aging population and are inability to attract younger women our numbers are quickly dropping and in the last year we have had 2 firsts. An ACW group has joined membership with our sisters in the United Church. Both groups continue to support their own churches but now meet as one and work together as one group. The second "first" is 2 ACW deaneries have now joined and are now called the Lancaster – Saint John ACW deanery.

In 2017 the National ACW will host an ACW conference in the Toronto area. All ACW are invited to attend this event for a time of reflection and meditation. (More information will be available in the next few days.)

We continue to support Farraline Place and were well entertained this past August with a garden party on the beautiful lawns of Farraline Place. Guests were treated to the sounds of the 50's and 60's and "Elvis" paid a special visit. The residents of Fredericton out for an afternoon stroll even stopped on the sidewalks to listen to the wonderful music. In the past 2 years there have been several vacancies in the home and this has caused a problem financially. We are now looking at a 5 year sustainability plan for the home.

This past year at the National ACW conference we learned of the prayer of St. Teresa of Auila:

"Christ Has No Body"

Christ has no body but yours,
No hands, no feet on earth, but yours,
Yours are the eyes with which he looks
Compassion on this world,
Yours are the feet with which he walks to do good,
Yours are the hands, with which he blesses all the world.
Yours are the hands, yours are the feet,
Yours are the eyes, you are his body.
Christ has no body now but yours,
No hands, no feet on earth, but yours,
Yours are the eyes with which he looks compassion on this world.
Christ has no body now on earth, but yours.

Surely all ACW are the hands, feet, eyes and body of Christ as we continue to do the work that Christ calls us to do.

Yours in Christ,
Rosemarie Kingston, Diocesan President

Companion Diocese Committee

“The purpose of a Companion Diocese relationship is to help strengthen the Anglican Communion through the direct experience of interdependence across cultural and geographical boundaries within the Body of Christ; and to strengthen one another for mission by building a relationship in which each partner is both giver and receiver.” [The Anglican Communion]

On June 6th, 2007 during the Diocesan Synod, the Diocese of Fredericton signed a Companion Diocese Covenant with the Diocese of Ho in Ghana. Bishop Matthias Medadues-Badohu travelled to Fredericton to personally sign this document and meet the people of our diocese. This was the beginning of a friendship and understanding between two very different dioceses that has grown and flourished for eight years and continues to strengthen as we learn from each other and become a close Christian family. In October 2012 Bishop Matthias visited our diocese a second time to attend Synod and renew our covenant with his diocese of Ho.

In the past eight years we have had many contacts and interactions with the Bishop of Ho. There have been four trips by people in our diocese to visit Ho. In 2009 Bishop Claude Miller, his wife Sharon, Rev. Jasmine Chandra and I, Heather Miller, travelled to Ho to meet the people of that diocese and begin to forge a relationship that continues to grow through personal relationships, prayer and exchange of ideas and needs. Out of collaboration with Bishop Matthias a Corn Mill project was conceived and provided corn mills to parishes in Ho through the offering of the parishes in our diocese. This provides income and lessens hardship for the people of the diocese of Ho.

In 2011 a group of six young people and two adults travelled to Ho to visit schools and deliver sports equipment, school supplies, books and basic first aid supplies. In 2013 a group of young adults and two leaders travelled to Ho to meet parishioners and help with the construction of the new Synod Administration building that we were helping to build with funds left from the Corn Mill project. All these visits strengthen our connection to each other through our love of the Gospel. We recognize our differences and give thanks that God's grace continues to help us in understanding each other's culture and needs.

In September of 2014 the Diocese of Fredericton invited Bishop Matthias to attend the installation of Metropolitan Percy Coffin and the consecration and installation of Bishop-elect David Edwards. Bishop Matthias attended these celebrations and also took time to visit and connect with the people who had previously visited Ho. He spoke at Stone Church, Saint John and celebrated communion and spoke at St. Paul's, Rothesay. He also preached at Christ Church Cathedral on the Sunday after Bishop Edward's installation. This visit was marred by the sudden death of Bishop Matthias's mother while he was here but the prayers

and sympathy of all the attending Bishops, priests and friends that surrounded him served to strengthen a wonderful bond of love and caring that has grown between him and our diocese.

In May of 2015 the Anglican Church National decided to hold the first Companion Diocese Consultation in Burundi, Africa. This site was later changed to Dar-es-Salaam, Tanzania because of political upheaval in Burundi. Bishop David Edwards and I were invited to attend with our Companion Diocese partners, Bishop Matthias Medadues- Badohu and Mr. James Kporu from Ho. There were twenty nine participants from eleven dioceses present as well as Archbishop Fred Hiltz and Rev. John Kafwanka, Director of Mission, Anglican Communion Office. We shared ideas and discussed problems within the various relationships and identified areas that needed more support or change. At the end of the conference Bishop David Edwards and I travelled with Bishop Matthias to Ho to celebrate the official opening of the Synod Administration building. In 2015 Bishop David Edwards and I visited Ho to celebrate the official opening of the Synod Administration building and the blessing of that building. There is a plaque on the building acknowledging our Companion Diocese relationship and the help we provided.

Our relationship with Ho is vibrant; exciting in the opportunities it provides to connect with another part of the Anglican Communion and share our faith. We are very different in many ways, but so close in the love of the Gospel, of Christ's message to all of us. There are innovative plans for the future; we need to connect more people and grow in our understanding of each other's needs and lifestyles. This is where our present committee is focused. We need to thank previous members of the committee who have given many hours and effort to this relationship. We thank Bishop Claude for his guidance and support. We thank Ana Watts, Canon Keith Joyce, Canon George Porter and Jean Taylor for all their good work and advice.

Parish Nursing

The ministries of Parish Nurses in this Diocese continue to evolve. The third class of seven Parish Nurses held their graduation service at St. Margaret's, Fredericton, in November, 2014. Two Anglican nurses, Kathleen Snow of Christ Church Cathedral and Betty Steeves of St. Martin-in-the-Woods, Shediac, graduated and became closer as classmates. At the service all seven were able to share their faith and vocation in word and song. The service was well attended by clergy, parishioners and family members.

A fourth basic parish nurse education program is expected to begin this fall. At least one Anglican nurse, Cleo Cyr, will enrol. Sr. Ernestine LaPlante, rshj, is the Education Coordinator.

Betty Steeves reports that the newest PN ministry in Shediac at St. Martin-in-the-Woods is becoming more firmly established as people begin to embrace the concept. The parish is

doing many projects from a community garden and teaching kitchen, to home and hospital visits, regular blood pressure clinics at St. Martin's Anglican Church Homes Inc., and is beginning a food basket program soon with fresh fruits and vegetables.

Nancy Wiggins has retired as Parish Nurse at St. Margaret's, Fredericton. Faith Cormier, a graduate of the second education program, has assumed the coordination of the Parish Health Team. Faith reports that we are a multidisciplinary team committed to all forms of wellness. This is a year of transition for us and we want to explore new ministries and functions. We are always looking for volunteers with expertise or interest in any aspect of physical or mental healthcare.

Beth Lawson at Trinity church, Saint John, and Isabel Cutler and her team at Christ Church Cathedral continue their well-established Parish Nurse ministries. Please contact any one of these Anglican PN's for further details of their ministries.

In June and October, 2014 the future of New Brunswick Parish Nurse Ministries (NBPNM) was discussed during meetings in Moncton and Bathurst. A new coordinator, Margaret Payne-Chenard of Clifton, was chosen. A Master's student in Nursing , Denise LeBlanc-Kwaw, prepared draft bylaws for consideration. A fall meeting and retreat are expected. This organization has over 20 Parish Nurses as well as health team members.

The Canadian Association for Parish Nursing Ministry (CAPNM) annual meeting and conference was held in Saskatoon in June, 2015. Betty Steeves, CAPNM Board member, attended. Betty greatly appreciated the financial support received from the Diocese.

We wish to express our thanks to Bishop Edwards , clergy and parishioners for their prayerful support . We are grateful to Gisele McKnight for her coverage of our activities in the NB Anglican.

Nancy Wiggins

Primates World Relief and Development Fund

PWRDF is your official Anglican relief & development agency.

The issue of enabling global food security is complex and requires a sustainable commitment from us, from our partners and from the people we are serving. The more we learn, the more we can act.

"It is our fund, our way to reach out into the world, and it is one of the best good news stories of the Anglican Church of Canada." - Archbishop Fred Hiltz

We live in a world where 1 in 8 people don't have enough to eat. The Most Reverend Fred Hiltz - the "Fred" behind Fred Says, together with The Primate's World Relief and Development Fund (PWRDF) want Canadians to know that when it comes to development work, it all starts with food. Over the coming months, Fred will share his passion and energy through fun "Fredisms" to spark conversation and raise awareness of PWRDF's exciting food security projects. For more "Fred Says" <http://fredsays.ca/>

The Primates World Relief and Development Fund (PWRDF) works in partnership with organizations in Canada and throughout the world to support people-centred development that improves the quality of daily life for vulnerable populations, promotes self-reliance, and addresses root causes of poverty and injustice. PWRDF is active in 22 countries, and accompanies Uprooted People – including victims of disasters, refugees, internally displaced people, and migrant workers. PWRDF partners are drawn from Anglican churches, ecumenical organizations and community-based groups. Partners address the root causes of problems and accompany communities as they move beyond survival into sustainable development.

PWRDF's work focuses on Food Security, Health Care, Humanitarian Relief and Refugee Support, Poverty Reduction, and Human Rights and Peace work with its 58 partners.

Current Projects:

- Emergency Relief in Syria - PWRDF has responded to two appeals for Syria through the Canadian FoodGrains Bank and the ACT Alliance. But the refugee crisis in the region continues to expand. PWRDF continues, through CFGB and ACT, to provide food, hygiene kits, bedding, support to health workers, provision of psychosocial counsellors, and support for students to continue their education and cash for work initiatives to relieve financial strains on hundreds of families.
- When PWRDF began its current project with the Diocese of Masasi in Tanzania, preliminary research showed that most illnesses and deaths in the area were linked to the lack of three simple things: enough healthy food, drinkable water, and trained health workers. PWRDF, in collaboration with the Department of Foreign Affairs, Trade and Development Canada (DFATD), has been working to address these three basic needs.

The Diocese of Masasi began training farmers in sustainable farming methods, including building up local farmers as certified seed producers. To date, over 2100 farmers have been trained in techniques that reduce their costs and produce a wider variety of crops to feed themselves and their families. Farmers in the seed production program give 20% of their crop back to the local seed bank each year, enabling more of their neighbours to benefit from the program the following year. Water sources in the villages are now maintained by village water committees. People are being educated about the importance of keeping water sources clean to mitigate water borne diseases. Over 20,000 people now have access to potable water at 26 wells in 9 villages. Now people only have to walk an average of 2 km to get water compared to 8km before the project started.

Finally, PWRDF, through the Diocese of Masasi, has been training over 600 community health workers, traditional birth attendants, HIV/AIDS educators and caregivers. Having trained medical workers like these in the villages means that people are learning more about nutrition, hygiene, disease prevention, and care. Pregnant women are accompanied through the course of their pregnancy and beyond, helping to keep mothers and their babies alive. People living with HIV are learning to take their medications properly, and how to fight the disease through proper nutrition.
- "PWRDF is deeply satisfied that DFATD has approved an ambitious proposal to scale up the work we are presently doing with them in three countries—Burundi, Mozambique and Tanzania—and adding Rwanda. At the three-year mark in our current DFATD programs, we are seeing many of the five-year results we were aiming at, due to our partnership with strong local partner organizations who know their countries, their cultures and their people," said Adele Finney, Executive Director of PWRDF. "As we accompany partners, and they accompany vulnerable

people making lasting changes in their communities, we see more mothers and babies living and thriving through pregnancy, childbirth and the first years of life. We see siblings, fathers and families growing their own food with confidence.”

The program will reach 3,545,315 women of reproductive age, newborns, children under 5 and men, including post-natal care for women, and vaccinations, vitamin A and enough good, healthy food for children to grow to their potential.

Health workers and trained birth attendants will be trained to dispense accurate advice on ante- and post-natal care, promote healthy habits, provide basic health care, identify high risk pregnancies and make referrals to government-run medical facilities. Health centres will be equipped with essential equipment, dispensaries, nurses’ houses, and expectant mothers’ houses will be built. Rapid and affordable transportation to medical facilities, including bicycle and motorcycle ambulances will be provided. The project will provide improved access to clean water and nutritious food- the basics of good health. Village leadership and local communities will be mobilized and equipped to continue the work, and to ensure gender rights.

- PWRDF is proud of its more than 40 year working relationship with DFATD, and looks forward to continuing to work together with partners including Village Health Works in Burundi, the Anglican Diocese of Masasi in Tanzania, the Association of Community Health (EHALE) in Mozambique, and Inshuti Mu Buzima (Partners in Health) in Rwanda, to improve the lives of mothers and children throughout their respective regions.
- Fiftieth Refugee Family 2015: In 2009, as part of PWRDF’s 50th anniversary celebrations the Refugee Network– made up of refugee coordinators and committees in the 15 dioceses that hold Private Sponsorship Agreements with Citizenship and Immigration Canada (CIC) proposed that PWRDF take up the challenge of sponsoring 50 refugee families for settlement in Canada. A project was developed, staff hired and an agreement was negotiated with CIC that included matching seed money for those interested in sponsoring one of the 50 families.
- Sri Lanka Refugees: Since 1984 PWRDF has partnered with the Organization for Eelam Refugees Rehabilitation (OfERR) that accompanies the approximately 100,000 Sri Lankan refugees[1] who fled the civil war in their country and sought refuge in the southern Indian state of Tamil Nadu. OfERR was established “by the refugees, for the refugees” to address their community development needs and to prepare and equip the refugees to eventually return to their homeland. Over the years PWRDF has supported a range of integrated community development projects that OfERR has implemented in the 113 refugee camps scattered throughout the state. With the opening of an office in Sri Lanka in 2004 OfERR was able to reach out to communities impacted by the Asian Tsunami both countries to offer relief and rehabilitation support, and to work with the many Internally Displaced Persons (IDPs) in Sri Lanka. PWRDF has also supported OfERR’s Sri Lankan work.
- For women in 12 villages in rural Tanzania, life is getting better. Before PWRDF and the Diocese of Masasi, with funding from the Department of Foreign Affairs, Trade and Development Canada (DFATD), began working with the villages, women would have to walk 6 to 8 kilometres round trip to get water for cooking, cleaning, or even irrigating their crops. Thanks to water projects by the Diocese of Masasi in their villages, their round trip is now no more than 500m. 17 boreholes ranging from less than 50m to 200m deep are now providing clean, potable water in the villages.
- PWRDF is proud to announce that it has received a 2014 Civil Society Effectiveness Award from the Canadian Council for International Cooperation (CCIC) for its bicycle ambulance program. Executive Director Adele Finney accepted the award on behalf of the partners PWRDF works with in Mozambique, Burundi and Bangladesh to provide bicycle and boat ambulances to communities.

"In presenting the award," Finney said, "CCIC noted that PWRDF connected with hard to reach rural areas." Thanks to the availability of bicycle ambulances, institutional deliveries have improved by 59% in Burundi, 9% in Bangladesh and 29% in Mozambique. As well, villages in Mozambique that have access to bicycle ambulances reported a 14% drop in maternal deaths compared to villages without bicycle ambulances.

"Valerie Maier, Ottawa Diocesan Representative, ably and convincingly presented the PWRDF project and poster prepared by PWRDF staff Zaida Bastos and Christine Hills," Finney continued. "Both Valerie in her presentation, and I in my acceptance of the award, emphasized that PWRDF's aim is to support vulnerable people to become agents of change in their own lives and in their communities. It was people in northern Mozambique who imagined and created bicycle ambulances, and people in other countries who adapted the idea to their own context." "All of our work together, across four and more civil societies, made this possible.

In our Diocese, Anne Walling created and maintains the PWRDFNB web at <http://anglican.nb.ca/pwrdf> and Social Media on FaceBook, LinkedIn, twitter and a Blog. Important information is sent by email to parish representatives and interested persons in the Diocese of Fredericton to keep them updated on happenings in the world and our participation in making the world a better place. Part of the responsibilities of the Diocesan Representative is speaking engagements in churches and groups. More information about the work of PWRDF can be found at <http://pwrdf.org>

Saint John Seafarers' Mission

The longstanding ministry to Seafarers on the West Side of Saint John continues to be essential in the life of the community. The Anglican Church has historically had a strong relationship to seafarers and port staff.

Ministry to the seafarers has included- meeting with the seafarers at the Seafarers Mission, visiting them on the many ships which dock at the port, occasionally providing rides for them to visit shopping establishments in town, and participating in and leading memorial services for port staff.

2015 has been a very interesting year in the life of the Seafarers Mission. Eric Phinney has been hired on as a part time chaplain at the Seafarers Mission. He replaced Father Theo Efthemiades who retired. Later, a Panamanian ship landed at the port. Sixteen of its eighteen crew members required medical attention at the hospital due to food poisoning at sea. During the two week convalescence of the crew, the chaplains visited with them. Eric and Rob led a Holy Eucharist service on their ship. As you can imagine, it was a very moving experience for most if not all. Many of the men mentioned how it was the first time that they had had Eucharist in many months.

The presence of the Parish of West Saint John at the Seafarers Mission has created opportunities for the seafarers to attend services and also occasionally attend a weekly bible

study. The Parish of West Saint John, sees a great opportunity to develop the ministry to Seafarers now and for the future.

To say that ministry to seafarers is very important is indeed an understatement. Many of the men live hand to mouth and they are away from their families for up to half a year. Needless to say, the Mission to Seafarers not simply offers a place to relax off of the ship, but also a place where the men can contact their families.

God has given us a great opportunity to reach out to these needy and hard working folks. We remember and support the Seafarers.

The Rev. Rob Salloum, Chaplain

Prayer for Seafarers

Lord God, Creator of land and sea, bless those who work at sea. Be with them in fair weather and foul, in danger or distress. Strengthen them when weary, lift them up when down and comfort them when far from their loved ones. In this life, bring them safely to shore and, in the life to come, welcome them to your kingdom. For Jesus Christ's sake. Amen.

PARISH DEVELOPMENT AND SUPPORT

The Parish Support and Development Team met regularly over the last two years. Its chief responsibilities currently focus on "A Foundation for Life" and on organizing and leading the Wardens' and Treasurers' Day.

The Wardens' and Treasurers' Day, begins with divine worship and consists primarily of presentations made by the Diocesan Bishop and Diocesan Treasurer. It is scheduled after Parish Annual General Meetings and the submission of parochial returns and is meant to introduce parish officers to the concerns and priorities of the Diocese for the current year, as well as providing information on the responsibilities of parish officers. The last two Wardens' and Treasurers' Days included vignettes on the success of programs that had been assisted by grants from "A Foundation for Life". They also included presentations from the Director of Youth and Intergenerational Ministries (2013) and a workshop on contemporary music (2014). The workshop on contemporary music was in response to feedback from the previous year's Wardens' and Treasures' Day and was viewed as an element highlighting the importance of worship (and music in worship) in the development of parish life. The Team is currently planning the Wardens' and Treasurers' Day for April 2016.

"A Foundation for Life" continues to provide assistance through grants to ministry projects and endeavors in parishes and other ministries throughout the Diocese. The program has provided funding for camp playground equipment, resources for ministry programs, funding for education and training (e.g. Godly Play), funding for sound equipment and for display technologies (e.g. a LED Projector). Based on feedback from the 2013 Wardens' and Treasurers' Day, and the cost and labor involved in producing a brochure, the Team discontinued the brochure that had been used the previous year to advertise "A Foundation

for Life". Last year, advertising for the program was accomplished through the New Brunswick Anglican and the Diocesan Website. It remains a topic of discussion as to how to best advertise the program and encourage donations. Donations last year were supplemented by a substantial funding commitment on the part of the Diocese to the program.

I want to thank Patricia Drummond, Jim McKenna, Robert Lebanc, Ted Quann, Tom Fetter, Cheryl Jacobs and David Edwards (when he was serving as Parish Development Officer) for their contributions to the work of the PSDT over the past two years.

Church of England Institute (Anglican House)

End of an Era

In September of 2014, after announcing the motion at the Clergy Conference in August, the Board of the Church of England Institute made the difficult decision during that annual meeting to close the two stores on Princess Street: Anglican House and Ten Thousand Villages. Decline in sales and ease of Internet shopping created an impossible environment to continue operating Anglican House and Ten Thousand Villages. Additionally, extensive building repairs were increasingly fiscally beyond the scope of the Church of England Institute. The Board moved to set a closing date of December 2014. This would require resolving all obligations dealing with the closure, selling all remaining inventory, dissolving the Board of the Church of England Institute and transferring all assets to the Diocese of Fredericton. Arrangements were made with the local Catholic bookstore to make some particular Anglican parish resources available. The Board wishes to thank all the former staff and volunteers, past Board members, and the general public for all the support received over the past number of decades. A very special mention of thanks must go to our manager Kevin Richardson who valiantly and faithfully worked to maintain a vitality in the face of the multiple challenges during our waning years. It is our belief that the stores had a meaningful impact on the Diocese, and the greater Christian community. We thank and praise God for the lengthy ministry that occurred within the building.

The Venerable Stuart W. Allan+, Archdeacon of Saint John

SPIRITUAL DEVELOPMENT

Mandate

The Spiritual Development team's mandate is to oversee, encourage, inspire, and enable communication by and with the groups within our cluster and to organize and/or promote special spiritual development (formation) initiatives.

Lenten Devotional

The team produced a third devotional for parish and personal use during Lent 2015. This was based on the seven "I Am" sayings of Jesus, partially from a series of talks delivered last winter between the Parishes of Lancaster and West Saint John. Each of the sayings was divided into five daily meditations, each with a scripture verse and prayer. Particular thanks to the Rev. Chris McMullen for spearheading this and to the Lancaster deanery and team member clergy who developed the content.

Bishop's Pilgrimage

At the request of Bishop David, the team undertook the planning of his first annual walking pilgrimage, which took place in June 2015 through the archdeaconry of St. Andrews. In his words our bishop is aiming for annual pilgrimages in the Archdeacons in turn, "because it is important for the Bishop to be seen in the Diocese and to visit and pray in different parts of it; and it gives me an opportunity to slow down." We believe the first went very well. People in the parishes of the Archdeaconry of St. Andrews were pleased to have Bishop David visit in this way and quite enthusiastic about providing food, showers and gear-moving services. Though, perhaps, there were not overwhelming numbers joining him to walk long distances, many came out for the evening and morning worship times, and special parish events. The initiative was covered in the Telegraph-Journal and the Saint Croix Courier. A follow-up questionnaire was distributed to parishes in the Archdeaconry and planning has already begun for next year – in the Archdeaconry of Chatham. See Bishop David's blog of the journey at <http://anglican.nb.ca/wp/pilgrimage/>

Prayer Initiative

Also at the request of Bishop David, the team is working on an initiative to develop and promote opportunities aimed at increasing the understanding and practice of prayer among Anglicans in the diocese. This will take several forms over the next number of years, including resource and support inventories and parish and/or diocesan workshops and retreats. More details will be available during Synod. In order to introduce the initiative the team has produced a prayer card for daily home use and these are being distributed to parishes.

Groups

With respect to the team's role in oversight of the various spiritual formation groups operating in the Diocese, the team continues to struggle with how to best serve these groups and keep them connected with Diocesan Council. Initial plans to bring all spiritual development / formation focused groups operating in the diocese together for worship, sharing, and discernment of how each, individually and working together, can better build up God's kingdom have yet to come to fruition. We do praise God for the work of each one.

Other items

The Spiritual Development Team wishes to encourage and support the various other Christian formation initiative occurring in the diocese, including the See Through the Scriptures program, Back to Church/Invitation Sunday and the reorganization of Layreader education and training; and to develop an online diocesan church location and worship schedule inventory.

Finally, I want to thank the members of the Spiritual Development Team for their dedication to encouraging Christian formation within our Diocese in addition to their several other commitments: Bill Chilton, the Rev. Deacon Debbie Edmondson, the Rev. Chris Hayes, the Rev. Dr. Ranall Ingalls, Lynn Kristoffersen, the Rev. Chris McMullen, the Rev. Dr. John Paul Westin, Cheryl Young (secretary) and newcomer Trevor Fotheringham.

New Brunswick Anglican Cursillo

Cursillo is on somewhat of a hiatus in New Brunswick at the present time. They are well represented on the National Secretariat, and there are a few continuing group reunions, but the movement needs revitalization at the provincial level. The past lay coordinator was compelled to resign in 2014 for personal reasons, and a successor has not yet been identified for appointment. As well, the movement needs at least eight people willing to actively serve on the Secretariat for a three year term. If you have a heart for Cursillo and are willing to serve in either of these capacities, please notify the Synod Office of your interest.

Diocesan Choir School Synod Report - Autumn 2015

Over the past few years, Choir School has continued to have success in teaching the finer points of sacred choral singing in the Anglican tradition. We continue to welcome people from all across the spectrum of the church - from multiple denominations, and from other provinces. Over the past couple of years, we have enjoyed a week at Rothesay Netherwood School, with an average of 34 choristers, a dozen counseling staff, and another dozen support staff. With the addition of an average of 38 adult choristers, it makes for a rather large and powerful choir! We have made some wonderful music together, and have shared it with many others at various churches, to the glory of God.

We have been particularly excited about a new part of Choir School; the Young Adult weekend. We have been working over the past two years to fine tune a special weekend for young adults - those who are too old for the junior choir, yet still finding their way as adult choristers. 9-10 people have taken part in this facet each year, and we continue to receive input on how to make this weekend better for them, as they seek to enjoy the Choir School of their youth, and all that Choir School offer in years to come. Thanks to the Segelberg Trust, we have been able to subsidize this program for them, making it feasible for them to come.

What is particular inspiring for us is the fact that there are fewer choirs around in our parishes churches these days, yet we continue to welcome both new and returning choristers each year. People love to sing, and singing is a chief way in which we worship our Lord, and that seems to continue strongly, in our experience. We sing traditional 4-part choral music, as well as some newer compositions that come to us in various styles and arrangements.

In an effort to continue to stimulate singing in worship, and to encourage musicians to get more deeply involved, we also ran another new project this year. A series of workshops were offered to the adult and young adult choristers during the weekend. These workshops tackled the topics of finding good music for your choir, how to direct a church choir, and how to move between the organ and piano. They were well received, and we hope they have been a help to everyone who took them in. We hope these workshops will be both a blessing and encouragement to those who have taken part so far, and that they serve to strengthen music making in the Church, and beyond.

We are continually thankful for the support we have received, which enables us to continue offering Choir School this year. This support has come to us as willing workers, financial gifts, and other such support. Without it, we could not keep Choir School going. The Anglican Foundation of Canada and the Diocese of Fredericton continue to support us with generous grants, which enable us to cover the cost of week of Choir School. With costs of just about everything climbing ever higher, we are thankful that we have not had to increase fees significantly in recent years.

With Choir School 58th year just behind us, our attention has already turned to year 59th, and further ahead, as we begin to consider ways in which to celebrate our thankfulness for 60 years of singing. There is so much for which to be thankful, not only in years gone by, but all around us right now. However we mark this particular year, we will be inviting everyone to join us, as is always the case. And, we will be sure to make a joyful noise unto the Lord!

Rev. Chris Hayes+, Administrative Director of Choir School

Diocesan Resource Centre

The closure of Anglican House in Saint John at the end of 2014 meant that the Resource Centre no longer had a home there. Accordingly the resources and equipment were boxed up for storage at Trinity Church. The Diocese has been searching for a new home for it since then. It needs to be an easily accessible facility where there is a staff person who might be willing to pack up materials for shipment to individuals or parishes, to receive them back and shelve them, and to use the computer to keep records of the same. It is hoped the problem of space for the Resource Centre will be solved in the not too distant future.

Particular thanks are offered to Kevin Richardson, formerly manager of Anglican House for his invaluable help in packing our materials and moving them to storage, much of this done after his formal employment with the Diocese ceased.

STEWARDSHIP AND FINANCIAL DEVELOPMENT

In the fall of 2014 the Stewardship and Financial Development Team hosted a conference in Fredericton entitled "Creative Care-Rethinking the Sacred". The keynote speaker was Randall Goodfellow a member of the Parish of Ottawa and a senior executive in the renewal energy, clean technology and green building sectors. In his presentation Mr. Goodfellow touched on a number of topics including re-purposing church buildings. He reminded us a church is not a building; it's a community.

Other presenters included Amy Murdock of Grant-Thornton who discussed the tax implications of revenue-generating activities within the church. Mr. Jarvis deCondé, Diocesan insurance advisor underscored the need for liability insurance on church properties and those using our buildings having liability insurance as well. Canon David Kierstead, chairperson of the Diocesan property committee stressed the importance of following guidelines and obtaining approval when contemplating building changes that will alter the structure. The property committee can offer advice and encouragement that can save us headaches. Small working groups discussed their Mission and whether or not their buildings were a help or hindrance to the Mission.

During the year the committee addressed Stewardship Sunday and Back to Church Sunday by helping to prepare reference materials to be used across the Diocese.

Early in 2015 the Team began planning for a fall conference this year. A theme entitled "Celebrate our Blessings" was chosen and the planning began.

This year the Stewardship Team was involved in initiating the Diocesan Creation Matters Working Group, promoting Stewardship Sunday and Back to Church Sunday (with reference materials being made available to the parishes) and work is to begin on the "Together in Mission Feasibility Study" following Synod 2015.

I would like to thank the members of the Stewardship and Financial Development Team: Bishop David Edwards, Cathy Laskey, Geoffrey Hall, David Barrett, Roger Castonguay, Cheryl Young and Irene Adams.

YOUTH AND INTERGENERATIONAL MINISTRIES

The past two years have been a period of change and refocus for the YIG team of the Diocese of Fredericton. Since the last synod report, the Diocesan Council Youth Ministries Team name was renamed and refocused to the Youth and Inter-Generational team or YIG. This rebranding was dually part of Colin McDonald's title, Youth and Inter-Generational Director and the fact that Youth Ministry and Inter-Generational Ministry often goes hand in hand.

There has been an effort to redefine Youth Ministry throughout the Diocese and to create better communication between Parishes, youth leaders, clergy and the Diocese concerning Youth Ministry. Also the YIG team is willing to work with Parishes in helping to create vision and sustainable youth ministry for both Parishes who have active youth ministries and Parishes who are struggling or do not have current ministries. The YIG team wants to create open communication and become a resource in any way for all Parishes of the Diocese of Fredericton.

The YIG team currently consists of Colin McDonald who was hired as Youth and Inter-Generational Director for the Diocese in early 2014, Jason Smith as the Chair, Debora Kantor, Rev. Deacon Sandy MacPhearson, Brenda MacPhearson, Rev. Allen Tapley, Rev. Deacon Eddie Quann, The Ven. Dick Steeves and Rachel Barrett.

Highlights from the last Diocesan Synod:

June 19-23 2014 – Amanda Longmoore, Colin McDonald, Debora Kantor and Jason Smith attended the Train the Trainer conference in Montreal. This conference was a joint project from the Anglican Church of Canada and the Ecclesiastical Province of Canada. The focus was to train youth leaders with the mandate of creating training opportunities in the seven dioceses of the Province of Canada using the Trailblazing tool. The conference was facilitated by Judy Spears (Anglican Church of Canada) and Mark Dunwoody (Diocese of Montreal).

November 14-15, 2014 – A Canadian Youth Worker Conference (CYWC) was held in Moncton and eight youth leaders, including some members of YIG participated. The keynote was Mark Devries founder of Ministry Architects and the conference held multiple workshops and presentations that covered various youth related topics. The reaction of the attendees was very positive and worthwhile and looking forward to the next conference in November 2015.

January – March 2015 – Colin McDonald, Debora Kantor and Jason Smith with partnership from Threshold Ministries' Ruth Jarvis Coleman and Bonnie Hunt; developed and lead three Youth Matters: You Don't Have to Feel Alone in Youth Ministry events in Saint John, Fredericton and Moncton. These events were very successful with about a combination of 30 participants. The focus was to get the conversation started regarding Youth Ministry in the Diocese. Beginning to redefine youth ministry and build a better communication platform for parishes to share resources and stories.

October 2015 – This report was written before the conference but taking feedback from the Youth Matters events in early 2015, the Diocesan Youth Ministries Conference will focus on practical resources parishes can use in their youth ministry. Workshops on Godly Play, Messy Church and Youth Alpha are planned with a keynote from Ministry Architects, who analyze churches current youth ministry for strengths, weaknesses and offer assistance in helping them build and develop a sustainable youth ministry. The goal is to have representatives from each Parish and begin to build the foundations of a thriving youth ministry in the Diocese of Fredericton.

The YIG team has contributed funds and resources for the following groups and events:

- Girl's Retreat on May 8-10 at Bishop's Court
- Teens Encounter Christ (TEC) which had its 23rd year on May 16-18
- St. Michael's Conference had its 28th year on August 24-28

Looking at to 2016, the YIG team will continue to improve communication within the Parishes and Diocese concerning Youth Ministry and develop further training opportunities

for both youth leaders and youth. YIG will also continue to promote to Parishes about being a resource to them, whether it be financial, support or visioning. And 2016 is shaping up to have some exciting national events such as Ask and Imagine in May and CLAY 2016 in PEI in August that YIG and the Diocese will be participating in some way.

YIG is planning on growing its team in 2016 to help and support the Diocese on this great and important aspect to ministry, because bottom line is that the youth are an important part of the Diocese and it is our responsibility to teach, mentor and help develop them in Disciples of Christ. If anyone is interested in hearing more about YIG please do not hesitate to contact us.

Jason Smith, Chair

Youth and Intergenerational Ministries Director

The last 2 years have been an exciting time for me as we continue dive into igniting youth ministry in the diocese. The focus has been on starting with developing some of our key strengths starting with our various camping ministries. Camping ministry has been proven to be one of the major factors in developing lifelong disciples who will be engaged with the body of Christ into the future. These camping ministries have produced much fruit in the past and I believe will be a stronghold for development going forward. As a diocese our investment has been strong both from a financial and from a volunteer perspective. We must continue to commit to showing the love of Christ through these invaluable ministries.

Our next focus has become investing in post-secondary student ministry. As students leave high school and head off to university or other higher education opportunities they often drift away from their churches and values that they have grown up with. This is a time in their lives when they are asking the big questions including ones of faith. But if we are not present to be able to answer those questions and love and guide them through this journey, we will inevitably lose them. This is also an exciting opportunity to engage those who have never heard the Gospel message and are in need of being surrounded by a loving supportive community. With this in mind Bishop's Court was launched in September of 2015 to provide a safe and supportive environment to engage students. This residential home allows students to live a life of prayer, community and service. Students have the opportunity to pursue a life that God intends for them. It also acts as an anchor for the larger student community in partnership with the Cathedral and other Fredericton area parishes. It is the intention of this project to ensure that we are doing all we can to support students to know God and to succeed in their professional and personal development. The working group that began the development of this project will continue to work with other communities where students attend post secondary institutions and evaluate opportunity to see other models work.

Youth ministry matters and the YIG team have worked very hard in the last year to promote an approach to youth ministry that challenges us to have a strong foundation. You can't build a house unless it sits on a proper foundation. Youth ministry shouldn't be done for the sake of doing youth ministry. It shouldn't be done to boost our numbers or to ensure the survival of the church. It needs to come from a sincere place of love for the young people in our community from all walks of life. It should be done because we care about them now and their future and it should be done understanding that it is a long journey of hills and valleys and that we as adults must be committed to the whole journey. The Youth Matters series that was presented in various places across the diocese began to help folks think about the tough questions of youth ministry. In October of 2015 we will gather in

Fredericton to learn more about what it looks like to build strong foundational youth ministry and what it will take to see us do something impactful in the lives of youth.

As we look into the coming year and beyond. I will continue to work to encourage the growth and development of our camping ministries with eye to family camping and learning how to better support the family unit. Camping can play a big role in this as we look to adapt some of the successful principles of youth camping to families. Myself and the YIG team will also look to support parishes to develop sustainable long term youth ministry. This will happen through training, coaching and look for the best practices whenever we can find them.

Mission will also be on the agenda as we head into the future. If we are going to ask youth to follow Jesus then we need to be able to tangibly show them what it means to follow Jesus. I believe that learning how to serve others is one of the most important ways we can do that. We need to look for opportunities to have our youth serve others and as Isaiah 1:17 say "Learn to do right; seek justice. Defend the oppressed. Take up the cause of the fatherless; plead the case of the widow". When we can teach them to live out this passage I believe we will help them learn to follow Jesus.

I will continue to pray for the Diocese that youth will be engaged with the Gospel message by loving committed Christian communities that will stop at nothing to share the message of hope and Love of Jesus Christ.

Blessings,
Colin McDonald, Director of Youth and Intergenerational Ministries

CAMP BROOKWOOD

Camp Brookwood had a very successful season. Our numbers increased this year by 14% 122 campers after experiencing a decrease the past 2 years. Also, the number of campers requiring financial support decreased too. There was a number of first time campers at Brookwood this year.

The funding from the "Foundation for Life" was a big boost to help with the sports and activities program by covering the cost of sports equipment.

Again, this year we had a generous outpouring of financial donations from all over the diocese from numerous church groups and individuals. Without this support the camp could not exist.

As in the past, the camp was challenged with finding clergy to cover the six weeks. This is something the board struggles with. Why it is such a challenge? What can be done to ensure coverage?

This year we reduced the staff by one and cut back the number of weeks to 6 from 7. By reducing the number of weeks we were able to fill 4 of the 6 weeks. The staff found it a little more challenging with the reduction in staff but it was manageable. I actually feel it made a tighter knit group. The biggest challenge was if a staff member became sick there wasn't the extra body to fill in. Plans are to repeat this again in 2016, and provided our numbers continue to increase, we will re-evaluate for 2017.

Our staff did an awesome job and they worked well together. I feel this was the smoothest operating camp we have had for a number of years.

The majority of the capital upgrades have occurred over the past 5 years. The last major project will get underway this fall with new concrete sills going under the 4 camper cabins and the craft building. The diocese of Fredericton is financially supporting this project. The camp will then be required to have regular routine maintenance to ensure that the status of the camp does not deteriorate.

The board will be proposing to the diocesan finance committee, a request for support to help with the operational costs. The board is looking for assistance with the insurance and the salary of the director (10 weeks).

I want to THANK all individuals who support our cause! We are making a difference in these young people lives.....

Regards,
Mary Lee Phillips, Chair

Camp Medley

Program

It is hard to express what happens during a summer of camp in a report such as this, but I am grateful for the chance to share our story. Lives were changed this summer at Medley, relationships were built and campers and staff left having experienced God's love through Christian community and creation. This summer we had **409 registrations** in our regular summer sessions, and **21 families** (about 75 people) participating in our family camp. Also, **over 150** of our campers this summer were first timers! Our staff led our summer program with energy and enthusiasm. We had an 8 week long camping season comprising of 14 separate camps including our Family Camp, our specialty camps (Boys Adventure and Girls Week) and our LIT programs. Keep an eye out for our 2016 summer schedule!

Family Camp was a success this year. Having it at the beginning of the summer gave staff the chance to transition gently into the summer schedule. The Mother's Union hosted a carnival on Saturday, which gave families the space to just be and play together. A huge thanks goes out to the Mother's Union for organizing that day. We had a very positive response from the families that attended this year, and I believe we're being called to consider other year-round all-ages events and retreats that minister to our families.

Staff /Volunteers

Camp Medley was blessed with very dedicated staff that love this place. We had 27 staff on site this summer with 10 being returning staff. Our staff was lead by our senior team, for whom I am so grateful. **Katie Bonner, Dylan Nicoll, Christian Persaud, Luke Arsenault, Dan McMullen and Allyson Caldwell** led with wisdom and creativity while modeling strong Christian leadership for our newer staff. This was a transition year for Medley in many ways with new directors as well as a younger staff. These transitions presented their own challenges, but there are some amazing leaders developing on our staff and that should give us joy and hope. This fall we have plans to update the ministry descriptions for our staff positions in preparation for our 2016 hiring process.

We took our time finding the best fit for a cook this summer season and ended up hiring our very own Red Seal Chef, Brad Mason. We are so thankful for the summer Brad has given us. He was a positive presence for the other staff, showed love and care in all his work and helped us organize our kitchen, and ordering processes.

We had our usual staff training week in June but something new we did during this time was have the Synod Office Staff and the Medley Advisory Team (whom we are so thankful for) come to serve a meal and eat with the staff. This was a sacred, special time that afterwards included prayer for all those involved in Medley's Ministry, including all the parishes of the Diocese. Rev. Terence Chandra also came on the first day of the summer season to celebrate communion with the staff and to commission them for the summer. These are two events that I hope can happen again in the future, and could perhaps include even more presence from the communities that support Camp Medley.

We were so thankful for all our volunteers at camp. We had an amazing group of chaplains who were an irreplaceable spiritual presence to our campers and especially to our staff. Our nurses came each week enthused about their ministry at camp and ready to take on whatever we threw their way. Ann and Don Pinnell also committed one day each week of the summer to come and help us with various maintenance projects.

Property/Maintenance

I am so encouraged by the dedication others have had to Camp Medley's ministry throughout the years, which is made visible through our beautiful property and facilities. Thank you is always due to our great maintenance team Art Arnburg, Clare Box and Paul Mills. This summer we had minimal additions, but did redo the floor of the craft basement and added a large deck onto the Nurse's Hut. The new/large deck on the Nurse's Hut was the site for many good conversations this summer! Exciting additions to the camp property this summer were our two-tier campfire benches designed and built by the amazing Don and Ann Pinnell. These benches were put around the fire pit behind the old dining hall where we had a "classic campfire" each week and where we eventually started having some outdoor chapel time. While not a new addition, in August we did dedicate our last cabin "Edwards' Enclave" with Bishop Edwards present at camp. It was a fun celebration in the middle of our day.

There is always a lot to do at camp! Our property, and its maintenance, is an ongoing, ever evolving work, which will continue throughout the year.

Promotion/Fundraising

We are so thankful for the **\$20 000 (!) raised in Campership funds** that were used exclusively to send children to camp. We hosted a salmon dinner in May that brought in about a third of those funds, but the rest was from individuals, groups and parishes. We are so thankful for everyone who gave, and who in turn impacted the life of a child this summer. \$20 000 in Campership meant that we sent over 70 kids to camp either partially or fully funded. We are also express our thanks to the Board of Directors of the New Brunswick Children's Foundation of the New Brunswick Protestant Orphans' Home for a grant in the amount of \$8000 to assist with the cost of sponsorship fees for children to attend camp who wouldn't otherwise be able to participate. This is very good news! We also used some of this money to support the children that come to us from organizations such as Pro Kids and the Boys and Girls Club.

Facebook was a great promotion tool again this year. Our posts have the potential of reaching over 3000 people and are a great means to point to all the life blossoming at camp. A new Facebook initiative we began this year was our "**Wednesday Wave**". Every

Wednesday we posted a video of that week's campers waving and saying hello to their parents/grandparents/pets/friends/etc. Parents and caregivers shared these videos, tagged other parents in them and we had an overwhelmingly positive response. Our Wednesday Wave videos reached upwards of 5000 people. I underestimated how much parents would appreciate even a brief check-in from their child, even members of our community who didn't have children attending looked forward to the Wednesday Wave. Hopefully, the Wednesday Wave is opening the doors for other ways to make use of video at camp.

At the end of the summer season we attended a fall recreation expo in Saint John where we connected with other camping organizations such as Scouts Canada and met some enthusiastic families and future campers! Another promotion/retention/outreach tool we are using this off-season is to send birthday cards in the mail to each of our campers on behalf of the Medley Staff.

Administration

We are indebted to the work of others who guide us, do for us and in some instances save us when it comes to our administration. A huge thank-you to Ann Pinnell who organizes our online registration in the pre-summer season and for all the hours she puts in helping parents and campers. Also, thank you to our Synod Office Staff Irene Adams, Cheryl Jacobs, Ben Bourque, Gisele McKnight, Colin McDonald, Cathy Laskey and to Bishop Edwards who deal with everything from our finances and insurance to our snail mail and answering machine messages.

Why Camp?

One of my favourite memories from this summer happened during the first week of camp. We were in the chapel for our evening worship time together and our chaplain was asking where the campers found "God sightings" throughout the day.

One camper said that her God sighting was that her parents let her come to this camp for a week. The chaplain moved on to the next person, but this little girl leaned over to her friend next to her and exclaimed, "It's really just all about God's love!" as though it was the most obvious observation anyone could make. Children actually see that this is a place where we live differently, even that "it's really just all about God's love" and that we treat each other differently than they might be treated at home or in school or even around their friends. We practice love and grace and attempt to mirror the same love we're given in Christ. When I ask campers what their favourite part of Camp Medley is, they usually say "The counselors!" Camping Ministry is about relationships. The role models we offer through our leadership are so important and investing in and engaging that young leadership to the best of our ability, as a wider church body is absolutely necessary.

It has been a privilege to be a part of Camp Medley's story this summer. I am so grateful for all the good things happening through this ministry. There is a lot to do as we continue to make Camp Medley a destination for many all year long, but I am excited for the role we have in nudging God's kingdom and peace further into the world.

I am so thankful,
Maren McLean Persaud

**2015 DIOCESAN SHARED MINISTRY BUDGET
AS APPROVED BY DIOCESAN COUNCIL
FEBRUARY 21, 2015**

1. Introduction:

Throughout the development of the 2015 Diocesan Shared Ministry Budget, the underlying principle was to ensure that financial resources were apportioned to support the work of the Diocese, while recognizing the limitations of available funding, 57% of which is provided by Parish Support of the Diocesan Shared Ministry Budget and a further 13% through cost recoveries.

At the same time, it is critical that the budget be prepared in such a way as to clearly identify the allocation of resources to those budget lines that are in support of Parish operations and those which are related to Diocesan administration and governance.

The 2015 budget year is a year of trust – with an almost completely new staff sharing enhanced responsibilities and more effective roles, led by a new Episcopal leader. As with any organization, secular or otherwise, new leadership often adopts new priorities and this budget reflects some of those priorities.

Discussions continue on best utilizing the potential of existing physical assets to support and enhance the diocesan mission. The budget also includes initiatives to support and develop active clergy (leadership development and clergy stipend review), and improve administrative support and services both to the Diocese as a whole and to the individual parishes (conciliation training).

Concurrently, it is recognized that the Diocese continues to enjoy a healthy and rewarding relationship with the General Synod of the Anglican Church of Canada, a strong and vibrant partner in our ministry. The Diocesan commitment to General Synod of the Anglican Church of Canada continues in terms of the level of support provided to global mission and ministry.

The 2015 Diocesan Shared Ministry Budget, as presented:

- Addresses parish development needs;
- Continues to maximize the potential of clergy;
- Builds a stronger administrative support system;
- Focuses on sharing in the diocesan ministry.

In the 2015 Diocesan Shared Ministry Budget, funding remains a critical issue.

- 57.4% of projected income depends upon parish support of the Shared Ministry budget;
- 12.7% of the income is cost recovery related to clergy and lay benefit premiums;
- 5.8% is generated through investment income, and is exposed to market conditions;
- 2.8% is made available by drawing down on bequests, reserves and designated funds;
- 2.3% is derived from miscellaneous sources: rental income, fees for service, program rebates, revenue-sharing from special appeals and program subsidy; and 17.6% is an unfunded deficit which is based on very conservative revenue generation forecasts, and may be reduced through individual cost savings or improved revenue generation throughout the budget year (through recovery of previously outstanding SMB support, bequests, etc.)

Ministries with Youth, includes one full time position and three part-time or seasonal positions and their related costs. Operating grants to youth-focused programs and activities such as Camps Brookwood & Medley and the Inner City Youth Ministry accounts are also included for a total of 13.6% of the Shared Ministry Budget.

The Ministries with Youth budget is reflective of the Diocesan commitment to ministry involving the Christian development of children and youth as the future of the Anglican presence in New Brunswick.

This area of ministry is funded through the Diocesan Shared Ministry Budget contributions from Parishes with the exception of some support for Camp Medley that is derived from bequests.

Spiritual Development uses 1.5% of the budget to provide support for Maritime-based divinity institutions offering theological programs (Kings College and Atlantic School of Theology), as well as the Diocesan Choir School in Rothesay; and addresses the spiritual needs of our laity through annual Clergy Spouses and Layreader events, Cursillo and Mothers' Union. The hosting of an annual Clergy College ensures that parish clergy can participate in faith-based programs that encourage and support their spiritual well-being to the benefit of their parishes. The Spiritual Development Budget is reflective of the Diocesan commitment to Parish lay leaders and clergy development in an Anglican environment.

This area of ministry is funded almost completely through the Diocesan Shared Ministry Budget contributions from Parishes with the exception of some funds available through donations, reserves and bequests.

Stewardship and Financial Development, with 2.2% of the budget, has the potential to provide the greatest impact for the future through partnership with the General Synod, by promoting programs such as planned giving and estate planning, and the hosting of events such as Stewardship events. The employment costs related to the Parish Development Officer position are shared between Parish Development and Stewardship, in keeping with the dual responsibilities of the position.

The Stewardship and Financial Development Budget contemplates the Diocesan commitment to helping the parishes enhance stewardship outcomes by working with the parish leadership to increase awareness and identify opportunities for improved stewardship within the congregation. The Stewardship Event in 2015 is focused on celebrating our blessings and sharing stories of success in our Diocese.

This area of ministry is funded through the Diocesan Shared Ministry Budget contributions from Parishes.

Parish Development and Support accounts for 10.9% of the budget and represents the support provided in congregational development, hospital chaplaincy, and the production of the NB Anglican and "E-News". As already noted above, the employment cost of the Parish Development Officer position is shared.

The Parish Development & Support Budget is reflective of the Diocesan commitment to providing resources to Parishes and their congregations, through hospital chaplaincies that provide ministry to those who are sick or dying, and their families; and by keeping Anglicans in touch with the larger Anglican community through the production, support and distribution of the NB Anglican. Although Anglican House has ceased operations, discussions are currently underway to utilize the building which will soon be transferred to Diocesan ownership.

During the course of the development of the 2015 Budget, it became apparent that although the Parishes have been able to avail themselves of opportunities that have enhanced their local activities by obtaining grants from "A Foundation for Life," both contributions to the program from individuals, as well as parish applications have decreased significantly from the start-up year in 2012. In 2014, the decision was made to provide support to this initially

well-used diocesan program through the budget to ensure its viability but with the lower draw-down on the program, this initiative may have to be reviewed for future years.

This area of ministry is funded through the Diocesan Shared Ministry Budget contributions from Parishes with the exception of support provided by General Synod for a portion of the employment costs of the parish development officer and some rebates which offset a small portion of the NB Anglican production.

Mission & Ministry accounts for 15.3% of the budget, the majority of which goes to support the ministry of the General Synod, and their leadership in international and national activities and programmes, and Diocesan interests such as the Ugandan mission work, as well as mission endeavours closer to home.

The Mission and Ministry budget reflects the diocesan-wide support for Ministry beyond the parish borders and enables our Christian message to be heard across the world in our efforts to support PWRDF, our Companion Diocese of Ho and also through the work of the Rev. Paul Jeffries in providing Christian education for Ugandan young people at the Bishop McAllister College. Under the umbrella of the General Synod, our Diocesan family of parishes joins with other dioceses across Canada in supporting national and international ministries, including Council of the North, a mission endeavour within our own country with a strong focus on suicide prevention, a significant issue in our Aboriginal communities.

In our own province, parishes working together offer hope and support to a variety of organizations dealing with those in need. In the 2015 Budget, instead of specifying which organizations will receive funding, the Mission Team will be tasked with identifying and helping those with the greatest need.

This area of ministry is funded through the Diocesan Shared Ministry Budget contributions from Parishes and donations towards the Uganda mission support.

Episcopal Ministries account for 15.8% of the budget, support the work of the Bishop within the diocese, and provide for involvement in the Anglican Communion and local Episcopal events. The importance of the episcopacy ranks high among Anglicans in defining who we are as a Church.

The Ministry of the Office of the Bishop reflects that the Bishop has four key roles to play in the Diocese, each one of which addresses one or more of the Five Marks of Mission:

- ◇ Chief Pastor of the Flock
- ◇ Preach the Gospel
- ◇ Guard the Faith and maintain Ministry
- ◇ Bless, Confirm and Ordain, following the example of the Apostles

By the very process of supporting the Bishop's ministry, we look through the lens of mission. Each parish in the diocesan family benefits from the Bishop's leadership and prayerful guidance as the prophetic leader and point of coordination of the Church. In addition to the Bishop, two staff positions fall under the Episcopacy: the Executive Assistant, which is focused primarily on supporting the Bishop in his Episcopal leadership, performing worship services, and responding to a myriad of parish concerns and queries. The Secretary, while mainly supporting the Bishop, also functions as the initial contact point for the diocesan office, ensuring that inquiries from parishes are dealt with in an expeditious manner.

The program that began in 2013 to ensure that our parish clergy are better equipped to face the challenges of ministry in the 21st century - known as "12-12-12" – twelve clergy, twelve topics, twelve months - has been immensely successful and was funded in its fledgling year entirely through donations. This budget ensures committed funding to move the program into its third year and builds upon the lessons learned in the first two years.

This area of ministry is funded almost completely through the Diocesan Shared Ministry Budget contributions from Parishes with some funding derived from specific funds and bequests.

Synod and Parish Administration at 40.8%, is the single largest component of the budget, because it not only deals with the administration of the synod office, but also the many services provided to the parishes as part of the work of the staff of the Diocese.

To better understand this "Administrative" budget, it is separated into three major areas:

- ◇ Parish Support and Services
- ◇ Diocesan Administration
- ◇ Diocesan Governance

DIRECT PARISH SUPPORT (26.8%) is broken down into two components: Services that are provided to the parishes through the diocesan synod office, and Parish Clergy Support.

With the exception of Active Clergy Benefits (based on cost recovery), this area of ministry is funded completely through the Diocesan Shared Ministry Budget contributions from Parishes and the accumulation of a deficit.

DIOCESAN ADMINISTRATION (11%) deals with the staff and infrastructure of the support structure to the family of parishes that is the Diocese and the building that houses the people that support the work of the Anglican Church in New Brunswick. Included are two staff positions – the Diocesan Treasurer and the Financial and Administrative Assistant.

The Diocesan Treasurer and the Financial/Administrative Assistant spend approximately 80% of their time dealing directly with, or on behalf of the parishes, either through the provision of services or through responding to queries and concerns.

Aside from the employment related costs, the other budget items under the Diocesan Administration heading deal with the infrastructure needed to house the service providers. "Professional Services" incorporates costs related to the annual audit review as well as professional services directed to the potential redesign and/or repurposing of existing Synod infrastructures.

This area of ministry is funded completely through the interest income, fees and services, miscellaneous income and transfers from reserves.

TOTAL SYNOD ADMINISTRATION	288,095	259,599	257,610

DIOCESAN GOVERNANCE (3%) is a relatively modest budget that identifies the various levels of governance that are involved in ensuring not only that the structure supports the diocese, but also that the diocese is a vested partner in the larger Anglican Community.

This area of ministry is funded completely through the interest income, fees and services, miscellaneous income and transfers from reserves.

3. **SUMMARY:**

Overall the 2015 budget represents the four key areas noted in the Introduction:

- **Addresses parish development needs:**
 - Funding for the training of conciliation teams to support parishes
 - Parish development officer and stewardship activities
 - Enhanced mission opportunities and support
 - Programs like "A Foundation for Life"
- **Continues to maximize the potential of clergy:**
 - Continuation of the leadership development program 12-12-12
 - Clergy education opportunities through clergy college and conferences
- **Builds a stronger administrative support system:**
 - Increased calibre of employees with multiple skill sets
 - Enhanced opportunities for improved communication through a variety of media
 - Improved understanding of responsibilities at the parish level
- **Focuses on sharing in the diocesan ministry:**
 - Articulation of the ways in which diocesan ministry affects the parishes
 - Continued focus on the way infrastructure supports the mission
 - Clarity in the use of the budget support that is received from the Parishes

The 2015 Budget is a deficit budget. It relies heavily on parish support and it has been clearly articulated where that support is directed in terms of mission and ministry. ***Without the ongoing support of the parishes, the long term sustainability of the entire Diocese would be in jeopardy.***

There is no flexibility in the budget in terms of revenue generation – all funds are used to maintain services to the parishes and the diocese as a whole. Aside from the development of Conciliation Teams, there are no new programs, just enhanced versions of existing ones.

Some budget savings will be experienced through the delay of programs or staff vacancies. Others savings may be realized through effective use of resources.

This budget captures all the costs of the ministry of the Diocese, whether those costs are met through reserves, cost recoveries, parish support or otherwise. It reflects the reality that the Diocese is responsible for more in terms of cost outlays than the revenue projects are capable of meeting without additional resource generation.

Over the past several years, prudent use of resources and positive market experience has allowed the Diocese to build a strong foundation to support the work of the diocese in times of need. The existence of this foundation provides the comfort of knowing that if the deficit is in fact realized at year end, the diocese does have resources upon which to draw – if necessary.

The budget, as approved, does not incorporate the potential for any gains to be experienced through our investments – to do so would be speculative at best. However, the reality is that over the past few years, there have been positive gains and this budget proposes that those gains be used to meet any budgetary shortfall in this mission focused, transitional budget, if needed.

The 2015 Diocesan Shared Ministry Budget was approved with a forecasted deficit in the amount of \$418,381.

The Diocesan Synod of Fredericton
Notes to the financial statements
(Unaudited)
December 31, 2014

1. Nature of operations

The Diocesan Synod of Fredericton represents the administrative and episcopal head of the Anglican Church of Canada operations in New Brunswick. The corporation is a charitable organization within the meaning of the Income Tax Act (Canada) and as such, is exempt from income taxes.

2. Summary of significant accounting policies**(a) Basis of presentation**

The Diocese's financial statements are prepared in accordance with Canadian accounting standards for not-for-profit organizations.

(b) Fund accounting

The Diocese has adopted Fund accounting to classify and report certain aspects of its operations. The specific funds established by the Diocese are as follows:

Internally restricted funds**Provisions for special purposes**

Special purpose funds refer to funds received or allocated from budget for future use or distribution in support of specific endeavours. These funds generally do not accrue any interest benefit and there is no external restriction as to use of capital.

	<u>2014</u>	<u>2013</u>
Provisions for special purposes (schedule 2)	<u>\$ 393,803</u>	<u>\$ 335,183</u>

Designated funds

Designated funds are held by the Diocese and are generally limited to use of earnings only. Earnings are distributed or remitted in a manner consistent with historical or specific terms of reference for each fund.

Investment retained reserve

The Investment retained reserve represents an internal equity position within the investment portfolio which is not available to benefit general operations.

Capital asset fund

The capital asset fund reports the assets, liabilities, revenue and expenses related to capital assets.

Externally restricted funds**Diocesan trusts**

Diocesan Trusts have been established through estate bequests and are generally limited to use of earnings only. Earnings are distributed or remitted as per the terms of each individual trust agreement.

The Diocesan Synod of Fredericton
Notes to the financial statements
(Unaudited)
December 31, 2014

2. Summary of significant accounting policies (continued)

Diocesan funds

Diocesan funds have been established through unrestricted bequests and other means, and may not be limited to use of earnings only. Earnings are distributed or remitted as per the terms of each individual fund.

Parochial investments

Parochial investments have been established through funding from individual parishes and their use is restricted as specified by those parishes.

(c) Depreciation

Capital assets are recorded at cost and amortized over the useful lives of the assets. The annual rates to amortize assets are as follows:

Buildings	40 years straight line
Office furniture and equipment	5 years straight line

(d) Collections- antiques

The Diocese maintains collections of antique furniture and books with an insured value of \$76,000. The collections are not capitalized. There were no maintenance expenses with respect to the collections in the current year.

(e) Investments

Investments are recorded at fair value using quoted market prices with changes in fair value recognized as unrealized gains or losses in the calculation of excess of revenues over expenditures for the Investment fund retained reserve. Transaction costs related to the purchase of investments are charged immediately to excess of revenues over expenditures.

(f) Investment earnings

Interest credited to designated funds, provision for special purposes, diocesan funds and trusts and parochial investments, is calculated on the balance of capital using a rate of 3.50% (2013 – 3.25%).

Gains and losses realized or unrealized on investment dispositions are credited or charged to the operating fund in the year of disposition. Periodically, a bonus is credited to other funds and trusts on account of net gains realized. No bonus was credited in 2014 (2013 –1.25%).

(g) Cash and cash equivalents

Cash and cash equivalents include balances in bank accounts, income related cash balances in investment accounts and guaranteed investment certificates with maturities of one year or less.

(h) Contributed services

Volunteers contribute numerous hours per year to assist the Diocese in carrying out its activities. Due to the difficulty of determining their fair value, contributed services are not recognized in the financial statements.

The Diocesan Synod of Fredericton
Notes to the financial statements
(Unaudited)
December 31, 2014

2. Summary of significant accounting policies (continued)

(i) Revenue recognition

Contributions and other revenue amounts are recognized as revenue if information or estimates are available and collection is reasonably assured. No revenue is recognized for amounts pledged but not received. Investment income is recognized on an accrual basis, as it is earned.

(j) Expense recognition

Expenses are recognized on an accrual basis as costs are incurred. Administration and general expenditures are not subject to reallocation procedures to projects and activities.

(k) Post retirement benefits

The employees of the Diocese participate in a defined benefit pension plan administered nationally by the Anglican Church of Canada as referred to in note 9.

(l) Use of estimates

In preparing the Diocese's financial statements, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of revenue and expenses during the period. Significant areas requiring the use of estimates relate to depreciation rates, estimated useful lives of capital assets and the amount of allowance determined for potential non-collection of receivables. Actual results could differ from these estimates.

(m) Financial instruments

The Diocese considers any contract creating a financial asset, liability or equity instrument as a financial instrument, except in certain limited circumstances. The Diocese accounts for the following as financial instruments:

- Cash and cash equivalents
- Receivables
- Investments
- Payables and accruals
- Term loan

A financial assets or liability is recognized when the Diocese becomes party to contractual provisions of the instrument.

Measurement

The Diocese initially measures its financial assets and financial liabilities at fair value.

Financial assets or liabilities obtained in related party transactions are measured in accordance with the accounting policy for related party transactions except for those transactions that are with a person or entity whose sole relationship with the Diocese is in the capacity of management in which case they are accounted for in accordance with accounting policies for financial instruments.

The Diocesan Synod of Fredericton
Notes to the financial statements
(Unaudited)
December 31, 2014

2. Summary of significant accounting policies (continued)

Measurement (continued)

The Diocese subsequently measures all of its financial assets and financial liabilities at cost or amortized cost less any reduction for impairment, except for investments in equity instruments that are quoted in an active market, which are measured at fair value, and certain financial assets and financial liabilities which the Diocese has elected to measure at fair value. Changes in fair value are recognized in excess of revenue over expenditure.

3. Rothesay Collegiate School property

Certain lands and buildings that were part of the original school property have been leased to the Rothesay Collegiate School at a nominal rental of \$1 per year to December 31, 2100.

8. Contingencies

The Diocese has guaranteed loans to parishes from the Anglican Foundation totalling \$225,096 at December 31, 2014.

The Diocese has guaranteed inter parish loans totalling \$513,287 at December 31, 2014.

The Diocese has also guaranteed the debt of a parish to the Bank of Nova Scotia to a maximum of \$197,000.

9. Employee future benefits

The Diocese and its employees participate in a multi-employer contributory defined benefit pension plan (the General Synod Pension Plan of the Anglican Church of Canada). The Diocese also participates in the national Employers Group Benefits Plan (Retirees) which is a benefits plan for retired clergy.

Since sufficient information is not readily available to account for the Diocese's participation in either plan using defined benefit plan accounting, these financial statements have been prepared using accounting rules for defined contribution plans.

The current year pension plan expense for Diocese office and administrative staff was \$48,207 (2013 - \$68,969). The current year pension plan remittance for all Diocese staff and parish personnel including clergy was \$630,695 (2013 - \$657,045). The current year expense for the retired clergy benefits plan under the administration of the national office was \$73,013 (2013 - \$76,501).

10. Budget

The 2014 budget figures are presented for comparison with the actual figures; they have not been subject to review engagement procedures.

11. Related parties

Camp Medley is a Christian youth program offered in New Brunswick that provides residential camping and Christian youth leadership development. The corporation is a charitable organization within the meaning of the Income Tax Act (Canada) and as such, is exempt from tax.

The Diocese appoints all members of the board of directors of Camp Medley. In this capacity, under the definitions of Canadian accounting standards for not-for-profit organizations, the Diocese controls this organization and therefore further information on Camp Medley's operations is required to be presented in these financial statements.

The Diocesan Synod of Fredericton
Notes to the financial statements
(Unaudited)

11. Related parties (continued)

Camp Medley has not been consolidated in the Diocese's financial statements. An unaudited financial summary of Camp Medley at December 31, is as follows:

	2014	2013
Financial position		
Total assets	<u>\$ 117,406</u>	<u>\$ 123,136</u>

The Diocese has operating relationships with numerous other entities which, for purposes of determining related parties under Canadian accounting standards for not-for-profit organizations, are not considered to indicate control or significant influence over any of those entities.

12. Comparative figures

Certain of the comparative figures have been reclassified to conform with the presentation adopted for the year ending December 31, 2014.

For the year ended December 31, 2014, the Diocese chose to present the Diocesan trusts and Diocesan funds separately. In prior years, these funds had been shown on a combined basis; some comparative information has been presented using the presentation from prior year.

14. Deferred contributions

In 2010 the Diocese received contributions in the amount of \$472,000 for construction related to Camp Medley. This amount will be amortized to income on the same basis the related asset is depreciated. The changes in the deferred contributions balance for the period are as follows:

	2014	2013
Balance, beginning of year	\$ 430,700	\$ 442,500
Less: amounts amortized to revenue	<u>(11,800)</u>	<u>(11,800)</u>
Balance, end of year	<u>\$ 418,900</u>	<u>\$ 430,700</u>

15. Financial instruments

The Diocese is exposed to various risks through its financial instruments. The following analysis provides a measure of the Diocese's risk exposures and concentrations at December 31, 2014.

Credit risk

Credit risk is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. The Diocese's main credit risks relate to its accounts receivable and guarantees. The entity provides credit to its parishes in the normal course of its operations. There was no significant change in exposure from the prior year.

Details of bond maturities and interest ranges for investments held as at December 31, 2014 are as follows:

	<u>Market Value</u>	<u>Interest Range</u>
One year or less	\$ 790,293	-
One year to five years	\$ 9,071,008	1.23 – 8.50%
More than five years	<u>\$ 2,901,605</u>	3.15 – 11.00%
	<u>\$ 12,762,906</u>	

Liquidity risk

Liquidity risk is the risk that the Diocese will encounter difficulty in meeting the obligations associated with its financial liabilities. The Diocese is exposed to this risk mainly in respect of its interfund loan, term loan, employee savings plan, and accounts payable. There was no significant change in exposure from the prior year.

Market risk

Market risk is the risk that the fair value or expected future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency risk, interest rate risk and other price risk. The Diocese is mainly exposed to currency risk and interest rate risk.

The Diocesan Synod of Fredericton
Notes to the Financial Statements
(Unaudited)
December 31, 2014

15. Financial instruments (continued)

Market risk(continued)

(i) Currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. Consequently, some assets are exposed to foreign exchange fluctuations. There was no significant change in exposure from the prior year.

Composition of the total investment portfolio as at December 31 was as follows:

	<u>2014</u>	<u>2013</u>
Cash	\$ 13,186	\$ (68,384)
Fixed income	12,762,906	11,858,604
Equities - Canadian	4,695,863	4,963,225
- Foreign	<u>10,195,639</u>	<u>9,694,001</u>
	<u>\$ 27,667,594</u>	<u>\$ 26,447,446</u>

(ii) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Diocese is exposed to interest rate risk on its fixed rate financial instruments. Given the current composition of long-term debt, fixed-rate instruments subject the Diocese to a fair value risk. There was no significant change in exposure from the prior year.

(iii) Other price risk

Other price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risk), whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market. The Diocese is exposed to other price risk through its investments quoted in an active market.

It is management's opinion that the Diocese is not subject to significant amounts of concentration risk as the risk is managed by diversifying its portfolio among asset classes, industry sectors, individual securities and geographical locations.

There was no significant change in exposure from the prior year.

The Diocesan Synod of Fredericton
Notes to the Financial Statements
(Unaudited)
December 31, 2014

16. Capital management

Management considers capital to be the Diocese's fund balances. The Diocese's objective when managing capital is to maintain financial strength to sustain long term delivery of its core services.

To assist in managing investment capital the Diocese employs a capital management plan, in the form of an Investment Policy Statement ("IPS"), that is reviewed annually by the Finance Committee. The IPS, which establishes policies for management of its investments, dictates the Diocese's approach to growth, credit quality and profitability objectives. The overall objectives in investing the assets of the Diocese are to preserve and enhance the value of capital through adequate diversification in high quality investments and achieve the highest investment return that can be obtained within the level of risk acceptable to the Finance Committee. The following description of the IPS is a summary only. For more information, reference should be made to the IPS document.

Subject to limitations, the IPS investment guidelines outline that the investment fund may invest in any or all of the following asset categories: equities and fixed income. The proportion of investment in each asset class is subject to restrictions including maintaining the following asset mix; 40% - 55% investment in equities and 40% - 55% investment in Fixed Income.

There has been no change in the overall strategy employed during the year ended December 31, 2014.
