

Rothsay Netherwood School provides the choristers with residence facilities as well as healthy and tasty meals. All of this is provided on the campus in Rothsay, NB

The Junior Choristers are supervised by a capable staff including a house mother, full time nurse and our energetic, caring teenage and young adult counsellors. Other adult staff include the Administrative Director, a Chaplain, worship leader and dedicated musical leadership

Although singing and Christian education are a big part of the chorister's day, the Juniors also enjoy many outdoor activities and games. A particular highlight is "circle time" at the end of every day. There are also tuck (treats), movies, a talent show, crafts and other organized activities
