Prayer for Synod

For a Synod

Almighty and everliving God, source of all wisdom and understanding, be present with those who take counsel in this Synod for the renewal and mission of your Church. Teach us in all things to seek first your honour and glory. Guide us to perceive what is right, and grant us both the courage to pursue it and grace to accomplish it; through Jesus Christ our Lord.

For the mission of the Church

Draw your Church together, O Lord, into one great company of disciples, together following our Lord Jesus Christ into every walk of life, together serving him in his mission to the world, and together witnessing to his love on every continent and island. We ask this in his name and for his sake.

For the ministry of the Church

Almighty God, the giver of all good gifts, in your divine providence you have appointed various orders in your Church. Give your grace, we humbly pray, to all who are (now) called to any office and ministry for your people; and so fill them with the truth of your doctrine and clothe them with holiness of life, that they may faithfully serve before you, to the glory of your great name and for the benefit of your holy Church; through Jesus Christ our Lord, who lives and reigns with you, in the unity of the Holy Spirit, one God, now and for ever.

For the 128th session

Heavenly Father, confident that those who ask will receive, we pray you bless our Diocesan Synod. We do not ask you to bless what we are doing, but to show us what you are blessing. Send your Spirit to enlighten, guide and empower us to become mission-driven, vibrant, and fully alive. Help us to become more like the Church: a faith community that perseveres in the teaching of the apostles, in the breaking of the bread, in prayer, in communion with you and each other; a community that evangelizes with zeal and daily adds to its numbers. Stimulate us to participate prayerfully, actively, and generously, in the work of the Church in this Diocese, so that its fruits may represent all that your Spirit has inspired and the gifts given to each, be they great or small. May this meeting of Synod foster a new springtime of faith and prepare us for the days to come. This we ask in the name of Jesus, our Lord and Saviour.

In memorial

O God of the spirits of all flesh, we praise and magnify your holy name for all your servants who have finished their course in faith and fear, especially those past members of Diocesan Synod [*silence*]; and we ask that encouraged by their examples and strengthened by their fellowship, we with them may share in the inheritance of the saints in light; through the merits of your Son Jesus Christ our Lord.

Eternal rest grant to them, O Lord, **R. And let perpetual light shine upon them.**
 May they rest in peace. **R. Amen.**

CLERGY REPORTS

CANON SIX (b) requires each clergy person having a cure of souls, to “deliver to the Bishop at each regular meeting of the Synod a report of the work done in the parish since the previous regular meeting of the Synod.

The Bishop requests that the report be a personal assessment of the Parish, and of the programs which have been implemented and of the plans for the future which are being considered. This means the report should not be in the form of the annual statistical returns or the rectors annual report to the congregation.

The clergy are to have these reports ready for presentation when they are called for at Synod.

MEMORANDUM FROM THE BISHOP

All parish corporations may elect up to 3 delegates and substitute delegates to Synod and are urged ensure their representation is as large as is allowed. Delegates should be in attendance from every parish in the Diocese, for every parish has its own contribution to make to the work of the Synod.

GETTING A MOTION BEFORE SYNOD

There are three different methods by which a substantive (or non-procedural) motion can get before Synod that also will determine the order in which the motion is considered.

Order of Consideration: [Canon Two, sections 7(4) and 8(2)]

Motions will be considered at Synod in the following order:

- 1) Notices given at a preceding Synod (in the order received);
- 2) Notices given six weeks before Synod (in the order received); and
- 3) Notices given at Synod before the deadline set by the Agenda Committee (in the order received).

Motions may otherwise be received without notice, only with the permission of Synod.

Making a Motion: All substantive motions are initiated by giving a Notice of Motion by way of the required form. Notices of Motion can be given either before or during a Synod.

Before Synod: [Canon Two, sections 7(1)(b) and 7(2)]

Notices of Motion for regular meetings of Synod can be sent to the Secretary of Synod not less than six weeks before Synod, and will be printed in the Synod Journal in the order received.

At Synod: [Canon Two, sections 3(10), 7(1)(a) and 7(3)]

Notices of Motion can be given at a meeting of Synod by delivering the same to the Resolutions Committee before the deadline set by the Agenda Committee. A Notice of Motion can be given for consideration either at the current meeting of Synod or at the next regular meeting of Synod.

Procedural Motions: [Canon Two, section 8(5)]

Procedural motions (such as a motion to amend, table, refer or adjourn another motion) may be made without notice and must be disposed of before consideration of the substantive motion before Synod.

Resolutions Committee: [Canon Two, section 3(1), Diocesan Council Guidelines]

The Resolutions Committee does not have authority to veto or refuse a motion, but will seek to ensure that the language reflects the mover's intent, and may recommend clarifications to the mover and point out potential concerns. It may also suggest consolidation of a proposed motion with other motions received on the same subject.

New Expenditures: [Canon Two, section 8(3)]

Motions proposing new expenditures must either identify a proposed source of funding or be qualified as being made "subject to available funding."

Notices of Motion (Proposed Resolutions)

2005-01 Insurance

Moved by: Mr. Murry Arnott
Seconded by: The Ven. Stuart Allan

That this Diocesan Synod authorize and direct the Diocesan Council to investigate and, if feasible, to implement specific diocesan policies requiring mandatory minimum levels of coverage for property insurance for all Diocesan and Parish-owned buildings as well as minimum levels, forms, and terms of coverage for general broad-form liability insurance, and to investigate the practicality and financial viability of a single group property and liability insurance plan with mandatory parish participation.

Background:

Property and Liability Insurance: The Diocesan Council has affirmed the recommendation of the Finance Committee that it is time for the Diocese to articulate clear directives with regard to basic mandatory coverages, terms and limits with regard to property and liability insurance for our parishes, which at this point are non-existent. It would also be wise to research the financial and practical viability of a mandatory group plan.

To that end, Diocesan Council has approved the motion for consideration by the Synod in June of this year.

2005-02 Gambling

Moved by: Mr. Don Thompson
Seconded by: The Ven. Geoffrey Hall

That this Diocesan Synod reiterate its official position on the detrimental effects of gambling and lotteries, both inside the Church and in wider society. These activities often bring harm to the less fortunate and seldom prove to enhance the lives of those more fortunate who experience financial gain by them. In the interest of keeping our moral house in order, this Synod affirms that such means of fund-raising are against the tradition and teaching upheld by the Diocese of Fredericton and parishes are to be encouraged to promote good stewardship and direct giving as the highest method of Church support.

Background:

The Diocese of Fredericton and its Bishops have in the past taken a clear stand against gambling and lotteries for the purpose of raising monies.

Gambling and lotteries continue to be promoted and encouraged by government and some Christian denominations as an accepted method of profit and charitable fund-raising.

Our present Bishop has spoken clearly against such fund-raising means, in continuation of the teaching and tradition of this Diocese.

2005-03 Homophobia

Moved by: Heather Carr
Seconded by: The Rev'd Canon Bill MacMullin

That this Diocesan Synod renounce homophobia and all forms of sexual hypocrisy and abuse as evils against which Christians must always be on guard and affirm all peoples as precious in God's sight.

Background:

This resolution is important because we need to make clear that it is unacceptable for Christians to discriminate against people simply because they are homosexual. Also it reminds us that we may be guilty of treating homosexuality differently from other sexual sins like fornication and adultery. Lack of clarity about these things for many years has made it possible to be in the difficult place in which we find ourselves. The motion also highlights the fact that we are all loved and precious to God so we should be to each other. It also reminds us that we need to love the sinner while not accepting the sinful behavior.

2005-04 Same-sex Moratorium

Moved by: The Rev'd Bruce McKenna

Seconded by: Mrs. Cheryl Jacobs

That this Diocesan Synod affirm the moratorium as proposed by the Primates on public Rites of Blessing for same-sex unions and affirm the moratorium as proposed on the consecration of any bishop living in a sexual relationship outside Christian marriage and direct that this affirmation be communicated in writing to the Archbishop of Canterbury and our Primate before the Anglican Consultative Council meets in June 2005.

Background:

In 2003 the Synod of the Diocese of Fredericton passed a motion opposing both the marriage and the blessing of same-sex unions.

The Anglican Communion Primates' meeting Communiqué of February 2005 signed by our Primate asks 'our fellow primates to use their best influence to persuade their brothers and sisters to exercise a moratorium on public Rites of Blessing for Same- sex unions and on the consecration of any bishop living in a sexual relationship outside Christian marriage.' (Section 18)

This action is intended to restore full trust of the bonds of affection across the Communion. (Section 19)

2005-05 Sexual Sins

Moved by: Mrs. Cathy McKay

Seconded by: The Rev'd Keith Osborne

That this Diocesan Synod affirm the traditional teaching of the Church and Scripture that fornication, adultery and sodomy are all sinful in God's eyes.

Background:

The Church may not lower God's standards of sexual morality for any of its members but must honour God by upholding these standards in the face of the departure of society from them.

2005-06 Anglican Communion

Moved by: The Ven. Vicars Hodge

Seconded by: Mrs. Shara Golden

That this Diocesan Synod memorialize General Synod as follows:

- **That this Diocesan Synod of Fredericton affirms that it regards being in full and visible communion with the Archbishop of Canterbury and the Anglican Communion throughout the world as essential and vital, and**
- **That any consideration of the Anglican Church of Canada 'walking apart' from the rest of the Anglican Communion is unacceptable and indeed contrary to the Solemn Declaration of 1893, and would thus seriously jeopardize the relationship between this Diocese and General Synod.**

2005-07 Registers

Moved by: Shara Golden

Seconded by: The Ven. Stuart Allan

That this Diocesan Synod repeal section 5 of Canon Five of the Diocesan Synod of Fredericton, and substitute therefore the following provision, as proposed by the Diocesan Council Administration Committee and the Diocesan Archives Committee.

Registers

5(1) The Rector or incumbent of each parish shall keep registers of all baptisms, confirmations, marriages, funerals and burials and services held (vestry book).

5(2) A register of baptisms shall contain the name of the parish corporation, the church, the date of the baptism, the baptized person's Christian names and surname, the baptized person's address, date and place of birth, sex, the birth names and occupations of the baptized person's parents, the church or other location where the baptism was performed, and the names of the sponsors and of the officiant.

5(3) A register of confirmations shall contain the name of the parish corporation, the church, the date of the confirmation, the candidate's Christian names and surname, sex, date and place of birth, date and place of baptism and the officiant at baptism, where confirmed and by what Bishop, and date and place of first communion (whether before or following confirmation).

5(4) A register of marriages shall contain the name of the parish corporation, the church, the date, the full Christian names and surnames, addresses, occupations, marital status, dates of birth and baptism, religious affiliation of both parties, the place and date of the marriage, names and birth places of parents, the signature of the officiant, the signatures of both parties and of witnesses, and the number and date of the license.

5(5) A register of funerals and burials shall contain the name of the parish corporation, the church, the date, the full name of the deceased person, the person's last address, sex, name of next of kin or contact person and relationship to the deceased person, date and place of birth and death, whether or not there was cremation, date and place of funeral, date and place of committal, and the name and signature of the officiant.

5(6) A register of services (vestry book) shall contain the name of the parish corporation, the church, the date, the day of the Christian year, the hour, type of service, name of the officiant and of the

preacher, number in the congregation, number of communicants, the amount of collection (open, envelopes, special and e-offering), and the initials of the persons completing the count.

5(7) The Diocesan Council may by regulation prescribe forms for parish registers and for certifying information from a register.

Background:

PURPOSE

The purpose of this motion is two fold. First, the amendment to Canon Five (Diocesan Business/Record Management Functions), s. 5 will permit the removal of two outdated and largely unused registers (Register of Communicants; Register of Publication of Banns) and the updating of the form of the other five current registers (register of baptisms; register of confirmations; register of marriages; register of funerals, cremations and burials and the register of services (vestry book)). Moreover, the content and format of baptismal, marriage and other certificates will be determined by regulation.

Second, the approval of this motion would be accompanied by a replacement of the current hardbound register books by a single loose-leaf version with separate sections for baptisms, confirmations, marriages, funerals/cremations/burials and services (vestry book). The Diocese would be responsible for providing each parish corporation with the binders and pages for the new registers. That is, the Diocese would provide each Parish with one binder for the register of services (vestry book) for each church in a parish; and one binder for the other four registers.

RATIONALE

The rationale for the proposed number and content of registers is based on current usage and, and the need for somewhat more comprehensive information.

The rationale for the proposed change on format of the register books from hard bound to loose-leaf binders is the need for the secure, environmentally safe and consistent preservation of the information contained in the registers. The past twenty-five years have witnessed a remarkable evolution in the management of Diocesan records. The materials, which were, in effect, randomly stored in approximately one hundred diverse locales are now professionally managed in a secure, environmentally safe and very accessible facility. The approval of this recommendation would place the management of our Diocesan registers on the same plane as other invaluable Diocesan records.

SPECIFIC PROPOSED CHANGES

The proposed additions in content are as follows:

- Each proposed register will contain the name of the parish corporation, the church, the year and a space to indicate the page number.
- The proposed register of baptisms will contain the sex of the baptized person and the birth name of the baptized person's mother.
- The proposed register of confirmations will contain the place of birth and baptism; and the confirmed person's date of birth and sex.
- The proposed register of marriages will contain the marriage license number, as this is now a civil marriage prerequisite. It will also contain the addresses of the witnesses.
- The proposed register of funerals and burials will now contain separate references to the funeral and burial services, and recognize the practice of cremation. It will also contain information regarding the deceased person's date of birth, next of kin, relationship of next of kin, and the date and place of the funeral.

- The proposed register of services (vestry book) will recognize e-offerings and will require the initials of the counters, who may be other than the Rector or Church Wardens.

The proposed loose-leaf binders will have dividers for each section. The pages will be removed on an annual basis and forwarded to the Diocesan Archives (through the Synod Office). Parishes could photocopy pages for their own records. This will ensure that the original records are secure, and that the holdings at the Diocesan Archives are up-to-date. In addition, the Diocese may make format changes where new information is required to be included in a register. The Diocese will ensure that the binders and paper meet or exceed archival and parish standards.

The quality of the binders and the paper will address the potential concerns of torn or lost pages. One notes that registers are not accessed on a daily basis, and that the “wear and tear” on registers may be less than that on aged registers in the current format.

The requirement that information contained in registers be submitted to the Diocesan Archives (through the Synod office) may also help to ensure that registers are being completed in a correct and secure manner.

COST IMPLICATIONS (Canon Two, s. 8(3))

There will be an initial start-up cost associated with the new system for registers, including the custom made binders for each parish corporation (currently a parish cost) as well as pages pre-printed on paper of appropriate quality. We estimate this cost to be in the range of \$4,000 to \$6,000. This will need to be covered out of operating funds as a non-budgeted expenditure. In subsequent years the annual cost will be minimal as it will be limited to replenishing paper supplies, and it will be incorporated into the Diocesan Budget for Archives maintenance.

CONSULTATION PROCESS

Each Deanery Clericus in the Diocese has studied the proposal in detail. It has also been the subject of detailed review and revision by the Diocesan Archivist, the Diocesan Archives Committee and the Diocesan Council (in particular, its Administration Committee).

The current section 5 reads as follows:

Registers

5(1) Registers of all Baptisms, Confirmations, publications of Banns of Marriage, Marriages, Burials, services held, and of communicants shall be kept in the various parishes of the Diocese.

5(2) All register books for the same shall be provided by each parish and contain the following information:

(a) Register of Baptisms - date of Baptism, child's Christian name, parents' Christian names and surnames and abodes, date of child's birth, place of birth, occupations of the parents, by whom Sacrament was administered, and in what church, as well as names of sponsors.

(b) Register of Persons Confirmed - date, name in full, age, when and by whom Baptised, where Confirmed, by what Bishop, date of First Communion.

(c) Register of Communicants.

(d) Register of Marriages - full names and ages of both parties with the place of abode, place and date of marriage, name of officiating minister, signatures of both parties and of witnesses, and otherwise in conformity with the requirements of the civil law.

(e) Register of burials - date of burial, name in full, residence, age, date of death, where buried, and officiating minister.

(f) Register of Services - date, day, hour, number of communicants, celebrant or reader, preacher, number of congregation, church, amount of collection (open, envelopes, etc.), initial of Rector or Church Warden.

(g) Register of Publication of Banns - names and ages of both parties, place of abode, and the date of each publication.

(h) Form of Marriage Certificate - the same information as contained in the Register of Marriages, and otherwise in conformity with the requirements of the civil law.

(i) Form of Baptism Certificate - the same information as contained in the Register of Baptisms.

5(3) It shall be the duty of every member of the clergy in charge of a cure of souls to make duplicate record of all Baptisms administered in the parish. One such record shall be made in the ordinary register provided for that purpose by the parish. The second record shall be made on a form provided by the Synod, which record shall be forwarded to the Diocesan Archivist at the end of every year, and kept by him in a secure place.

2005-08 Rural Communities

Moved by: The Rev'd Canon Jon Lownds

Seconded by: The Rev'd Canon Bill MacMullin

That this Diocesan Synod re-affirm its historic commitment to rural communities and respectfully petition the Bishop to consult widely with rural people and parishes, in order (in preparation for another Synod) to draw up proposals with respect to the practical forms this commitment might take.

Background:

A strength of our Diocese historically has been its commitment to rural communities, through the support of rural parishes and resident clergy. This motion is brought with the approval of the Clerici of the Deaneries of York and Fredericton.

2005-09 Synod Minutes

Moved by: The Rev'd David Barrett

Seconded by: Mr. Cecil VanBuskirk

That this Diocesan Synod direct that the Secretary of this Synod make available (or cause to be made available) to every parish and mission in this Diocese, the minutes of this Synod meeting (and all subsequent Synod meetings of this Diocese) within one month of its adjournment.

Background:

The present practice of waiting to circulate the minutes of Synod until the following Session of Synod impedes the accurate recall of events by Synod members.

2005-10 Editorial Policy

Moved by: The Rev'd Chris VanBuskirk
Seconded by: Mrs. Debbie Ritchie

That this Diocesan Synod direct that Diocesan Council (or a committee of its appointing) present a motion to the next regular session of this Diocesan Synod on the purpose, mission and editorial policy of the New Brunswick Anglican and our Diocesan E-News (and all other modes of public communication by our Diocese).

Background:

- We as a diocese have recently adopted a new Constitution;
- The Diocesan E-News is a relatively new medium of communication;
- Letters and articles to the New Brunswick Anglican inevitably require editing; and
- It would be appropriate and timely for this review.

2005-11 General Synod Delegates

Moved by: The Rev'd Canon Bill MacMullin
Seconded by: Mr. Cecil VanBuskirk

That this Diocesan Synod ensure that delegates at our Synod be provided with a brief curriculum vitae of each nominee for Provincial Synod and each nominee for General Synod stating their current stand on relevant issues.

Background: None

2005-12 Marriage

Moved by: Mrs. Shara Golden
Seconded by: The Rev'd Canon William MacMullin

That further to its motion carried at the 127th Session of the Diocesan Synod of Fredericton, this 128th session reaffirms and continues to uphold the teaching of the Church and again calls on the General Synod of the Anglican Church of Canada to affirm and uphold the teaching of the Holy Scriptures and the Church:

- (1) that marriage is the lifelong union of one man and one woman to the exclusion of all others;
and
- (2) that no clergy person may bless any union or marriage of persons of the same sex; and that the Synod directs the Secretary of the Synod to memorialize this motion to the meeting of the General Synod of 2007.

Background: None

2005-13 Resolution A134(5)

Moved by: Mr. Alan MacGowan
Seconded by: The Rev'd Alan Reynolds

That this Diocesan Synod repudiate resolution [A134(5)] of the General Synod of the Anglican Church of Canada (2004) to "affirm the integrity and sanctity of committed adult same-sex relations."

BUSINESS BEFORE SYNOD

127-04 - Mr. Keith Dow/The Venerable Richard McConnell

That the present Constitution of the Diocesan Synod of Fredericton be repealed and the Constitution proposed by the Committee on Constitution & Canons be adopted.

Following a brief explanation on the process which led to this motion, and a brief overview of the changes made to the Constitution, the members of Synod were invited to discuss and ask questions.

The majority of questions and comments centered around the composition of Diocesan Council.

127-05 - The Reverend Canon Jon Lownds/The Reverend Canon William MacMullin

That the changes currently being proposed to the Constitution of the Diocese of Fredericton be referred to each Parish Vestry and Deanery clericus, and from them to each Greater Chapter, for further discussion, theological reflection and study between now and the 2005 Diocesan Synod.

Point of Order: on whether this motion required a separate vote from the different orders present. The Chancellor ruled that a simple majority from the whole body of Synod was required.

The question was called on the Motion to Refer and the motion was defeated.

The question was called on the original motion.

Point of order: on whether this motion referred to an addition or an amendment, as defined in Section 13 of the Old Constitution, since this would require a two-thirds vote from each order. The Chancellor ruled that the spirit of that clause did not apply to this situation; however, he would rather err on the side of caution and cooperation so he recommended that we use the separate vote for this motion.

A vote was taken in each order and the motion was carried in both orders. The Bishop gave his assent.

127-06 - Chancellor Charles Ferris/The Venerable Richard McConnell

That, the following transitional steps be taken in order to establish the membership in The Diocesan Council as per section 11 of the Constitution:

1. The Archdeaconery Greater Chapters be instructed to elect their respective membership to the Council as per Sections 11 (1)(g) & (h) of the Constitution, and that the results of those elections be reported to the Secretary of Synod no later than December 31, 2003.
2. That the Secretary of Synod, with the assistance of the Nominating Committee, seek nominations of qualified persons to be appointed to the Diocesan Council as per Sections 11 (1)(i) and (j) of the Constitution.
3. That the existing membership in the Diocesan Council remain in office until the first meeting of the newly formed Diocesan Council is held.

The Reverend Canon Jon Lownds suggested the word 'Archdeaconery' be removed since they were not in existence at this moment. This suggestion was agreeable to the mover and seconder.

The question was called and the motion carried.

127-07 - Mr. Keith Dow/The Venerable Richard McConnell

That, pursuant to Canons ONE to EIGHT proposed by the Committee on Constitution and Canons be adopted and all existing Canons be repealed.

Mr. Dow explained this was a reorganization of the current twenty four canons into eight new ones. He stressed that this was a consolidation rather than a revision.

Chancellor Ferris explained that feedback was received on specific points and he thanked all those who participated in that feedback.

The Bishop ruled that, in order to facilitate the task, debate on this motion would take each canon separately.

Canon ONE

127-08 - The Reverend Ross Hebb/The Reverend Canon Jon Lownds

An amendment was moved on the definition of 'incumbent' which should read 'includes the member of the clergy appointed to a parish as such under Canon Seven to the charge of a parish.'

He asked the members of Synod to remove from their ballot the sheets coloured yellow and green, pertaining to elections to Diocesan Council, because under the New Constitution, these elections would be invalid. Canon Scott also reminded members of Synod that General Synod would be held in St. Catherine's, Ontario from May 27 to June 4, 2004 and we would elect four clergy, four laity and one youth member to join the Bishop at General Synod.

That this Diocesan Synod of Fredericton express its gratitude to the Almighty for the godly work being carried on by faithful Anglicans in the territory of New Westminster Diocese who stand in Christian conscience opposed to the recent actions of their own Diocesan Bishop and Synod. We fully support and uphold before God the honest and sacrificial efforts that have been made to minister to those congregations, by both Bishop William Hockin, among those parishes remaining within the Diocesan Synod, and by Bishop Terry Buckle, among those parishes who have separated themselves from their Diocesan Synod, commonly known as, 'The Anglican Communion in New Westminster'.

We hereby declare that we stand in fraternal solidarity with those congregations witnessing faithfully for the Gospel, and with these two bishops ministering to them, and assure them of our continuing prayerful support and encouragement.

The Chancellor and the Bishop expressed reservation in mentioning specific individuals, especially at a time when the stoppage in litigation is very fragile.

The Diocesan Council met eight times since the 127th session of Synod in 2003:

The March 2004 meeting was a development session held at the Villa Madonna Retreat Centre in Rothesay. The purpose of the weekend was stated to be:

... to bring together decision-makers representative of the Diocesan Council to make it a more effective organization in working together to lead the diocese. The intention is to do this by determining what lies at the heart of our existence as a diocesan council, determining where we are going together, reviewing where we are now, and tapping our gifts and talents in improving the working environment and making Council's work more effective.

As a result, our Bishop lead us to consider a governance model and an opportunity for Council structure to facilitate the work of Council and its purpose with a focus on the reason for the existence of the Church of Jesus Christ in this place:

“Proclaiming the Gospel of Jesus Christ for the making of disciples.”

The structural framework and governance model is described by Figure 1.

DIOCESAN ARCHIVES

The work of the Diocesan Archives and its supporting Committee is ongoing, with several new projects since the last meeting of Synod.

One endeavour of the Diocesan Archives Committee has been the design, preparation and presentation of a new combination Parish Register. The Committee's proposal is a single Register in loose leaf format

with separate sections for services, baptisms, confirmations, first communions, marriages and burials. Meetings have been held throughout the Diocese to present the proposed Register and gather input for the project.

A second ongoing project is the church photography project. It was begun in 2002 and to date 140 of the approximately 180 churches in the Diocese have been photographed. Photographs for each church include the church exterior, interior, altar, furnishings, communion ware, stained glass windows, plaques and any unique items. Plans are to complete the project this summer.

The Archives Corner, a regular feature in each issue of the NB Anglican since February 2004, raises awareness of the Diocesan Archives and its holdings, and appears to be generating interest among readers.

Within the Diocesan Archives, the work of responding to requests for information found in the archives records and identifying, arranging and describing newly transferred records continues. In the past two years, we have responded to 409 requests, mostly for Baptism records – but also for Marriage, Burial or Confirmation records – and to many inquiries of an historical or genealogical nature.

And last but not least, the closing of Parishes and the heightened awareness of the Archives, perhaps a result of the “Archives Corner” articles and the photography project has meant that, in recent months, records have been transferred to the archives, on a more regular basis. The following Parishes have transferred a significant extent of records to the archives since the last Synod:

Aberdeen and Brighton; Bright; Canterbury; Cathedral; Denmark; East Saint John; Grand Falls; Grand Manan; Hardwicke; Grand Bay (now closed); Grand Falls; Ketepec (now closed); Millidgeville; Musquash; New Maryland; Richmond; Rothesay; Stanley; St. Luke’s, Saint John; St. Margaret’s (Fredericton); St. Mary’s (York); St. Paul’s (Valley), Saint John (now closed); St. Peter’s, Springhill; St. Stephen; Sussex; Tobique; Trinity Church, Saint John; Wicklow, Wilmot, Aberdeen & Peel; Westfield (now closed) and Westmorland. Regularly, records from the Synod Office, the Bishop’s Office, the Diocesan Chancellor and Archbishop Harold Nutter are transferred to the Archives.

FINANCE COMMITTEE

Under our Canonical governance model the Finance Committee has a membership of 12 and is currently chaired by Mr Murry Arnott with Canon David Kierstead serving as Vice-chair. The Committee reports regularly to Diocesan Council through its Administration and Finance Team.

The mandate of the Finance Committee includes all aspects of finance such as budget, accounting, investment, property, and various financial aspects of human resources such as stipends, salaries, benefits and allowances. The Committee also provides oversight and direction to the Diocesan Treasurer. To carry out its mandate, the relies heavily on work by its appointed Property, Human Resources, and Investment Committees as well as on ad hoc groups appointed from time to time.

There have been thirteen meetings of the Finance Committee since its last report to Synod as well as numerous meetings of its sub-committees. Following is a brief report on the Committee's work.

Parish Capital Projects: A Committee was appointed to investigate and develop recommendations around methods by which the Diocese could play a more direct role in parish-based capital projects. The report from that group included recommendations for a more formal monitoring and oversight of such undertakings; the possibility of diocesan guarantee of related parish debt (within specific limits), the possible use of assets in the Consolidated Investment Fund for the purpose of reducing associated interest cost, and the establishment of a Diocesan Capital Fund to help provide direct funding support for such projects. That report is being further studied for possible implementation.

Diocesan Budget: As is its responsibility, the Finance Committee presented to Council annual operating budgets, which attempted to balance the ministry needs as expressed by Synods and by Council alongside the need for fiscal prudence. The budget information for 2004 and 2005 are included in Appendix __ to the Synod Journal.

The funding of those approved budgets and the approved expenditures are monitored closely by the Finance Committee and action taken where necessary. The Committee has been concerned over the effectiveness of the communication of the budget to the parishes and parishioners. Specific action taken in that regard included a move to a narrative budget for communication purposes; a re-structuring of the

benefits costs portion of the budget; and a specific process to keep parishes and parishioners informed as to the level of budget support being provided by each of our Parishes. It is hoped, these steps have provided our parishes with greater clarity and have helped develop a better understanding of our Diocesan budget from a parish perspective.

Financial Operating Results: In assessing results for 2003 and in 2004 the Committee has been encouraged by our ability to control expenditures and reduce costs where possible, but is concerned over the growing level of shortfall and arrears in parish Mission Outreach contributions and Assessment budget support. This is always being monitored closely. In 2004 we experienced an operating deficit for the first time in several years. The actual cash flow deficit came in at \$27,000 and the Committee is tracking 2005 very closely. A detailed listing of Parish Mission Outreach and Assessments results for 2003 and 2004 is included as Appendix 8 to the Synod Journal.

Bishops Court: The Committee appointed Mr. Keith Dow to coordinate an effort to obtain, through donations and otherwise, appropriate furnishings for our Bishop's residence. The results were astounding with several donations of high quality antique dining, foyer and reception furnishings. Those gifts, from generous individuals from within our Diocese and beyond, had a total value excess of \$50,000. That effort, along with a very necessary upgrade to the heating system, have lead to a tremendous improvement in both the functionality and comfort of this most historic and valued property.

Human Resources Matters: The Human Resource Committee (HRC) made its recommendations to Finance in the areas of parish clergy stipend scales, travel allowances, and Diocesan lay staff salaries for 2004 and 2005.

The Diocese continues to be challenged by the ever increasing costs of medical and dental plan premiums. In 2003 the premium increase was 19% and in 2004 there was a further 16% increase. This of course has a major impact on the finances of both employee and employer.

The Finance Committee approved a recommendation from HRC to regularize and upgrade the reimbursement rates for committee travel, and also authorized HRC to carry out a study of the parish clergy travel reimbursement system in an effort to ensure it is adequate and responsive.

Property Committee: This group deals with and makes appropriate recommendations regarding parish initiatives in the area of property disposition, facility replacement and property encumbrances. In the past several months the Committee has dealt with requests such as:

- St Andrews: Preliminary plans for construction of new Parish Hall adjoining All Saints Church
- Sackville: Plans for construction of a new Hall at St Ann's Church in Westcock
- Central Kings: Plans for installation of a new stair well and new stained glass windows. Plans for construction of a wheel chair ramp
- St Georges Moncton: Plans for an upgrade of the Chapel
- Nerepis St John: Plans to dispose of existing rectories, churches and other facilities in the newly created Parish.
- Derby Blackville: Construction of new basement and Hall and mortgage of property at St Agnes Church Gray Rapids
- Waterford St Mark: Efforts to deal appropriately with the future of St Pauls Church in Londonderry and the disposition of a vacant property received in a bequest.
- Camp Upgrades: Reviewed plans for the construction of five new double cabins at Camp Medley and the construction of a new Chaplains cabin at Camp Brookwood.
- Hillsborough Riverside: The disposition of the Rectory property.

Residential Schools Settlement: Our commitment to this settlement was \$762,000. In 2005 we will make our final installments to meet that obligation. Under the plan approved for funding of this commitment, the bulk was charged against undistributed reserves in the Consolidated Investment Fund and against the capital of some undesignated bequests. It is hoped the final \$87,000 required can be raised by parish and individual donations. To date \$23,000 has been raised.

Other Items: The Committee developed a motion for presentation to the 128th Synod on the topic of insurance, specifically the development of a mandatory standard for the types and levels of insurance coverage to be carried by parish corporations and to examine the feasibility of a group plan to address insurance needs.

The Committee approved through the operating budget an increase in grant funding for Anglican House to assist them in their continued operation. A request for loan assistance was held in abeyance pending other possible solutions to that organizations financial difficulties.

Requests from the Parishes of St James, Gondola Point, and Central Kings for permission to use small amounts of Rectory Capital Funds for necessary repair work to their church buildings were approved.

The Committee formalized the appointment of authorized signing officers for the Diocese as required by Canon.

In an effort to stem the increasing levels of arrears in payroll assessments the Committee put in place a specific review process for monitoring such situations on an ongoing basis.

The Committee approved rates of return on funds invested in the Diocesan Consolidated Investment Fund at 4.5% in both 2004 and 2005. The year end bonus capital additions were set at 2.5% and 2% in 2003 and 2004 respectively.

The Committee monitors the E-offering system which now has 33 participating parishes and with monthly contributions totaling in excess of \$80,000.

The Committee assisted in the financing of the construction of the new St Marks Church in the Parish of St George by providing guarantee of 50% of the debt associated with the project cost.

THE CAMPS CAPITAL CAMPAIGN - BUILDING FAITH FOR A LIFETIME

This particular issue has been the subject of a tremendous amount of work by the Camp Medley Board, the Diocesan Council, the Property Committee, the Bishop and many others. It represents the first time over 20 years that the Diocese has embarked upon any type of capital campaign.

The need to refurbish our youth ministry facilities at Camp Brookwood and Camp Medley has been obvious for many years and for many years has been discussed at various levels. Finally in 2004 a decision was made to proceed with the project which has four main components:

1. Replace the cabins at Camp Medley (That aspect of the work was completed in 2004)
2. Replace the shower and washroom facilities at Camp Medley
3. Replace the existing Medley staff house with a more modern and multi-purpose facility that can be used for more than a youth camp and with an extended season
4. Provide funding to enable upgrades at Camp Brookwood, including construction of a Chaplains cabin and an upgrade and retrofit of the main hall facility

The price tag attached to this work was set at \$1.25 Million which became the target for a financial campaign. A professional firm was hired on an 11 month contract to establish the campaign and the related administrative requirements. Under the contract terms, when their work was complete the

remaining work in the campaign would then be handed over to the Diocese for continuing administration as we worked towards the funding goal.

It was the Finance Committee to whom the responsibility for oversight and management of the project and the Campaign was delegated by Diocesan Council.

During the initial 11 month contract great effort was made to develop personal, corporate, and foundation gifts. While there was a certain amount of success in that effort, and while there is the strong possibility that the groundwork has been laid for some future gifts, overall the results were disappointing to the Finance Committee and others.

One aspect of the effort work that may have impacted on results was the major effort undertaken to try and elicit funding support from the Atlantic Canada Opportunities Agency (ACOA). An application to that body took a great deal of time and effort and was seen as a viable means of developing broad based support for the project.

ACOA's interest in the project was and is limited to construction of certain aspects of the project at Camp Medley only. It would be conditional upon the Diocese agreeing to undertake construction of a year round conference facility that could generate jobs in the community and which would be available not only for our youth camp, but for other events as well, both church-based and community-based. At the time of writing ACOA had not yet made a decision as to whether they will make funding available in support of the project.

Regardless of any decision ACOA will eventually make, the Finance Committee is aware that it is an absolute necessity that we raise the required funding that will enable us to proceed with the plans to replace the dining hall and meeting facility at Camp Medley. It is doubtful that the existing facility will be able to serve the camp ministry for much longer as there are safety and health issues that must be addressed.

When the Campaign contract came to an end the Finance Committee realized that there was much more work to be done as we entered the second phase. Consideration was given to re-engaging professional fund-raising expertise, but due to prohibitive fees, the Finance Committee and Bishop agreed that we would appoint our own Coordinator for this aspect of the campaign.

On February 1st Mr Peter Irish was hired to manage, coordinate and administer the next phase of our Building Faith for a Lifetime Campaign. This phase of the campaign has a goal of \$1 Million. The primary effort will be to encourage individual Anglicans to step forward and support this vital ministry through a one time gift or a pledge over a three to four year period.

Mr Irish has already begun his work and there are signs that our dedication to youth ministry will lead towards a successful Campaign. The Finance Committee continues to monitor this very closely.

Murry Arnott, Chair

EPISCOPAL MINISTRIES

Following the Diocesan Synod in 2003, Diocesan Council was effectively restructured with the result that all mission and ministry occurring in the diocese coming under the management of seven ministry areas. The Episcopal Team is one such management group, and unlike the other more defined teams, has the unique responsibility of proceeding on a variety of issues which come from the bishop's office.

Our bishop receives requests, and confronts issues on a daily basis which require subsequent follow-up. The Episcopal Team exists to undertake that leg work, on behalf of the bishop, at his request and following his direction. It is impossible to identify or label specific areas of ministry that might come our way; the full range of the bishop's role will impact our work. With that as background, we augment our membership and recruit people on an as-needed basis to help perform our various tasks.

Our team consists of Elizabeth Reid, Keith Joyce - Dean of Fredericton, Archdeacon John Sharp and David Watts as chair. Since the start of the new council structure, the Episcopal Team has accepted the responsibility for a number of projects. One of the first was the planning and carrying out of a celebration to officially recognize almost twenty five years of service by Canon Jim Irvine as the diocese's Warden of Layreaders – from 1979 until 2003. It consisted of a Choral Evensong in the Cathedral at which Canon Irvine preached and a social reception in the cathedral hall following. Mr. Bob Brittain of Saint John joined our group for this endeavour and was instrumental in making the event a success.

Perhaps of more significance to the everyday life of New Brunswick Anglicans we completed a new policy to regulate the diocese's new Curacy Program. For that work, we were assisted by Archdeacon Vicars Hodge of the Parish of the Nerepis and St. John. That program has been implemented with recent placements now in place.

As well, we responded to the appeal from AST – Atlantic School of Theology – as part of their current capital campaign. After school officials made a presentation to council, the Episcopal Team moved the contribution of diocesan funds towards that work.

Currently, we are investigating the possibility of establishing a bursary for diocesan theological students or students of women's studies in the name of Mary Nameira Jacob, ordained by Bishop Medley as one of Canada's first deaconesses.

The Episcopal Team endeavours to stay abreast of the activities of many ministries in the diocese whose mandate directly involves the bishop. These include the Clergy College, the layreaders, many of the Chaplaincies, the Vocational Chaplains, the diocese's representatives on the boards of theological schools and seminaries.

David Watts, Chair

ECCLESIASTICAL MATRIMONIAL COMMISSION

The Ecclesiastical Matrimonial Commission (EMC) of the Diocese of Fredericton is a pastoral body established by the bishop of the diocese. Our role is to assist the bishop in his decisions concerning applications for re-marriage in the church.

In the past year the chair of the EMC submitted a report to the bishop concerning its status in the Diocese of Fredericton since the General Synod determined in 2004 that it was no longer necessary for dioceses to continue with a matrimonial commission if that was their wish. Along with this report was a revised application form for the bishop's perusal.

The EMC meet once a month on the third Thursday to review applications and make recommendation to the bishop. The members of the EMC see this ministry as pastoral both to the clergy submitting the applications on behalf of a couple and to the couple.

The number of applications received by the EMC are as follows: in the full year - 2003 - there were forty-four applications; in the full year - 2004 - there were thirty-six applications; and in 2005, until April 15, there were twenty applications.

The Rev'd Elaine Hamilton, Registrar

DIOCESE OF FREDERICTON LAYREADERS

There are nearly 400 Layreaders serving in their respective parishes across our diocese. As Warden of Layreaders, the Rev'd John Cathcart has built up a support network of clergy and laity to assist in administrative and other tasks. Seven clergy have committed to assist in the promotion of the Layreaders' program within their particular archdeaconries. The goals of this group, working with the warden, is to evaluate the present state of Layreaders in the diocese; to present a study program in order to elevate parochial Layreaders to the diocesan level; to lead workshops within their own archdeaconry to facilitate the ongoing spiritual development of Layreaders. A lay-deputy warden of Layreaders will be appointed by the bishop for each archdeaconry, with a contact from each parish, appointed by the rector.

The first task of the group is to create a diocesan-wide Layreader database. By 2006, the diocese will have a greater sense of the large number of people serving in the parishes.

As Warden of Layreaders, I am honoured to have been entrusted with this important ministry. I wish to take this opportunity to say thank you to the clergy who give their time and effort, and make the commitment to teach and train Layreaders at the parish level. I am excited at the opportunity of being invited by Bishop Miller to build upon the firm foundation laid previously by the Rev'd Canon Jim Irvine. I appreciate the confidence the bishop has expressed in me by offering me the position of Warden of Layreaders.

Respectfully submitted,
John Cathcart (The Rev'd), Warden of Layreaders

SAINT JOHN HOSPITAL CHAPLAIN

I serve Anglican patients and their families, as well as staff at both the Saint John Regional Hospital and Saint Joseph's Hospital. On average, I interact with 115 patients and 60 to 70 staff employees at both hospitals at any given time. As well, I respond to calls from both the lay and ordained of parishes in our diocese and Nova Scotia.

A number of people have been part of the Anglican ministry team at the SJRH including my support group, night chaplains and others who have covered for me, including Betty Kennett, Herb Marr and the Rev'd Don Trivett. I wish to thank them all for their devotion. I thank Donna MacPherson for her good work with the Rev'd Don Trivett and myself for years at the SJRH. Today she serves as a lay visitor for the Vineyard Church at both hospitals.

In recent years the Spiritual and Religious Care Department at the SJRH has participated in tri-party dialogue with both Social Services and the Department of Psychiatric Care. (I'm presently the chaplain on team for Psychiatric Care as we offer a multi-disciplinary programme for outpatients)

Dr. Jim McLaughlin-Butler, the Director of our department at the SJRH, has undertaken a new programme for night chaplaincy with us. Jim is using both lay and ordained to develop practical ways to provide pastoral care after hours. Jim has spoken with all four support groups at the SJRH (Anglican, Baptist, Roman Catholic and United), and gained their support and insights.

I've also participated in a number of spiritual, theological and ethical programmes at the SJRH. One called for our participation with various agencies that are involved with addiction services in Greater Saint John.

On occasion, I'm called into parishes to discuss the chaplaincy at the SJRH. Soon I'll be helping some parishes with initial programmes for lay visitation teams for both hospitals.

There is a strong sacramental base to the chaplaincy, especially for those awaiting surgery. I greatly appreciate how my brother and sister clergy help in this vital ministry.

I can be contacted by phone at (506)648-7078 (work) or (506)696-0514 (home). Anytime I'm away, please contact either locating (506) 648-6111 or Archdeacon Stuart Allen to find out who is on call.

May God's blessings be on all who share in chaplaincy in our diocese.

Respectfully submitted,
The Rev'd Bill LeGrand, Chaplain

VOCATIONAL CHAPLAINS

The Bishop's Vocational Chaplains meet bi-monthly for the purpose of reviewing the status of postulants (accepted by the Bishop as candidates for ordination) and those in the process of discernment leading to a vocation in ministry. At the Bishop's request, the Chaplains interview individuals in the discernment process, offering him advice regarding the specific needs of candidates and the process. The Chaplains also make themselves available to assigned candidates for support and guidance during the process of discernment and the exploration of a call to ordained ministry.

Since the last Diocesan Synod, the Vocational Chaplains conducted 10 interviews. There are currently 23 persons in the discernment process; two attended ACPO (Advisory Committee on Postulants for Ordination) in May 2004 and six to attend ACPO in May 2005. At the time of writing, there are four postulants in the Diocese.

At the Bishop's request, the Vocational Chaplains have recently been giving fresh consideration to the need and response to individuals exploring a call to ministry taking unique pathways to ordination. Support and programming for the possibilities include 1) the permanent (as opposed to the transitional) diaconate; 2) individuals exploring vocations later in life; 3) those considering the non-stipendiary ministry. It is the goal of the Chaplains to make a recommendation to the Bishop as soon as possible regarding these considerations.

Respectfully submitted,
The Ven. Geoffrey Hall, Chair of Vocational Chaplains

MISSION AND OUTREACH

Our mandate as a committee is "to identify, support, co-ordinate and report back to Council" as pertains to all the listed ministries which fall under our care, according to the direction of our Bishop and Council.

The following are at the present time receiving our direct involvement.

1. Companion Diocese- Council has given us a mandate to form a new Companion Diocese Committee as per the terms of reference which had been distributed to Council members and are available from the Chair of the committee at Synod.

We are in the process of attempting to form this committee and consulting with our Bishop as to the choice of a Diocese with which to partner for the immediate future. It is the will of our Bishop that no official partnership be established until we have a committee in place to give our work substance and definition in order to proceed.

2. ACW- Heather Carr, the Diocesan President, is a member of our committee and so we have a direct link. They are presently attempting to restore lost numbers in active membership and are fully committed in their support of the following ministries: the Rev. Paul Jeffries, Nancy Stephens, Isabel Murphy, SAMS, SOMA, PWRDF, Diocese of the Arctic, Church Army, Inner City Youth Ministries, Cornerstone and the Diocesan Camps Project.

3. Diocesan Missionary Society- financial support for the Rev. Paul Jeffries has been realized for the whole of 2005 and part way into 2006. His term officially expires in the Spring of 2006 but is open for renewal.

4. Hospital Chaplaincies- the Chair has had direct contact with the support group for the Rev'd Bill LeGrand in Saint John. He has also corresponded with the Rev'd Wendy Amos-Binks at the Moncton hospital. We continue our support as these ministries grow under the oversight of Bishop and Council.

5. Refugees- the Chair has received 5 requests from displaced and refugee families in Africa. Regrettably we at present have no administration in place to provide for the sponsoring or co-ordinating of refugee families entering our Diocese. Many which enter the Maritimes use our area merely as a stop-over en route to the more populated regions of Canada where they find more opportunity and resources to meet their needs. Inquirers have been referred to other Dioceses in Canada but thus far there are no cases in which help has been forthcoming. The Chair would formally ask those gathered at Synod to consider these needs- both of a Diocesan co-ordinator and a sponsoring body, such as a parish.

6. The Ecojustice Consultation in Winnipeg sponsored by the Council of General Synod will be attended by David Watts, representing our Diocese, pending approval of the necessary funding.

7. The PWRDF Committee is holding a youth event in June at Camp Medley and a conference for parish reps. in October. We have offered our support to these projects.

There are no specific issues to our knowledge at the present time which pertain to the remaining ministries listed above.

Respectfully submitted,
The Rev'd Capt. Keith Osborne, Chair

PRIMATE'S WORLD RELIEF AND DEVELOPMENT FUND

The Primate's World Relief and Development Fund continues to be an important part of this diocese. Dedicated representatives and clergy do the work in the parishes. At the diocesan level, there is a coordinator and committee of four, including the Ven. Geoffrey Hall, who meet and plan the direction for the diocese.

In terms of the financial support for the Primate's fund, there is concern over the fact that our 2004 donations were down from prior years. Donations from regular parish support were \$67,000, excluding a bequest of \$56,000 from the Parish of Moncton for a total of \$123,000. We must not lose sight of the support given the "Toonies Against Aids" campaign that totaled \$13,000, which gives us a total comparable to past years. It should be noted that these totals are only the funds processed through the Synod office, many contributions are made directly to PWRDF.

There is a workshop planned for all parish representatives on October 15, 2005. Each parish rep will be encouraged to bring along a youth delegate, so they may become familiar with the work of PWRDF. Plans are underway to introduce the young people to the mission of PWRDF early in their Christian journey. This could begin at Camp Medley with a presentation by the youth representative, Victoria Garrett.

Respectfully submitted,
Betty McNamara, PWRDF Co-ordinator

ROTHESAY NETHERWOOD SCHOOL

Rothesay Netherwood School is delighted to report to the 128th Session of the Diocesan Synod of Fredericton. The 2004-05 school year has had its frustrations but has been an immensely successful one for those who count most - the students of our school.

Our enrolment this year of 243 students is an all-time record and indications bode well for the school's long term well-being.

Recently the school is delighted to have opened its new administrative building. The Deanery of Kingston was able to use this building for their March meeting. This building provides the school with an administrative centre that is efficient and much more comfortable for the employees (fewer drafts and

local fauna). The administrative building is the first step in a continuing campus plan that is vital for the school's long term stability.

The next step in the plan is the building of a new girls' residence and dining hall. The latter will allow the school library to move to the present dining hall and to create two new classrooms in the present library space. At the same time, an endowment drive to provide greater financial aid for Atlantic Canadian students attending Rothesay Netherwood is the final part of our stabilization plan. Completing this plan in the next five to seven years is an absolutely vital step in the school's continuing effort to be one of Canada's outstanding small boarding schools.

Unfortunately, our Chaplain, the Reverend Peter Campion, has resigned and is returning to Dublin, Ireland, to be the school chaplain of Royal Hospital School, Dublin. Peter and Rebecca, have been with the school for five years, and during that time have made great contributions to the school in chapel, on the sports field, in the classroom and in our close knit community. We will miss Peter, Rebecca and their daughter, Cressida, and wish them the very best on their return to Ireland.

This year four children of new Brunswick clergy are attending the school. Rothesay Netherwood is proud to be able to help provide this opportunity to these families. It continues to strengthen the bond between the Diocese and the school. We always enjoy the Bishop's visits to the school, as well as the Choir School early in the summer and the Clergy Retreat at the end of the summer.

Chapel attendance continues to be on the rise. Approximately 235 children attend five times a week and 120 boarders attend on Sunday. We continue to expand our outreach programmes supported by the students and their weekly offering. Our regular Monday through Friday services start at 8:15 and any member of the Synod who wishes to attend would be extremely welcome. We continue to improve our school and the way it touches the souls of our children.

If you can't come to visit in person, the next best opportunity would be through our website www.rns.cc.

Paul G. Kitchen, Head of School

PARISH SUPPORT AND DEVELOPMENT

The Parish Support and Development Committee began its work in June 2004, and subsequently met four times. The members of the Committee are Archdeacon Stuart Allan, The Rev'd Douglas Barrett, The Rev'd Rod Black, The Rev'd Kevin Borthwick and Mrs. Elizabeth Murray. Father Borthwick has been the chair of the Committee and Elizabeth Murray, secretary.

Its purpose is to support and facilitate parishes and other diocesan ministries in achieving their goals and objectives by coordinating information and resources so that the Bishop and Diocesan Council may make informed decisions. The Committee receives its mandate from Diocesan Council and its term is concurrent with the term of each Diocesan Council.

The Committee is to report to the Bishop and Diocesan Council on an on-going basis about the progress and findings referred to us by Bishop and Council; including such current programmes as: Warden's Day, Archdeaconry Commission, Capital Works Committee, Anglican House, as well as any other areas

of responsibility which may from time to time be referred to the Parish Development and Support Committee by appropriate Diocesan authorities.

At the request of the Bishop's Counsel, the committee produced a policy for the remuneration of those employed in part-time ministry within the diocese. Diocesan Council referred the policy statement to the Stipend and Human Resource Committee for further reflection.

The Committee also coordinated the Warden's Day scheduled for May 7, 2005 at Christ Church Parish Church, Fredericton. On alternate years, the Committee will organize a Parish Treasurer's Day to encourage this important ministry.

Over the last year, the Committee has worked on a plan to produce a resource package for the purpose of supporting parishes in identifying their mission and developing a process of parish visioning. This package would have three components: (1) description of a healthy parish, involving such things as spirituality, attitudes, programs, outreach, finances, and other resources; (2) sample workbook as an aid to the process of parish visioning; and (3) available demographic statistics and economic projections for various regions within the Diocese which can be updated on an on-going basis. The Committee plans to have this resource available to parishes within the next two years.

SPIRITUAL FORMATION

The Team consists of four people: the Rev'd Capt. David Edwards, (Secretary), the Ven. Vicars Hodge, Mrs Ginny McEwen and myself, the Rev'd John Cathcart, (Chair).

Our mandate is to oversee, encourage, inspire and enable communication by and with the groups within our cluster and report to Diocesan Council.

We started out with thirteen groups under our spiritual formation and development umbrella. Along the way we have gained a few more, and with some actually seeking and making the contact with us which is encouraging. The word must be getting around. These groups are as follows:

- | | |
|---|---|
| 1. Anglican Renewal Ministries | The Rev'd Don Hamilton |
| 2. Anglican Fellowship of Prayer | The Rev'd Chris McMullen |
| 3. Mothers' Union | Mrs. Elaine Robichaud |
| 4. Men's Conference | The Rev'd Canon Bill McMullan |
| 5. Cursillo | Mrs. Jean Hamilton |
| 6. Clergy Spouses | Mrs. Rosemary Morehead |
| 7. Clergy College | The Ven. Patricia Drummond |
| 8. Christian Education Director | Mrs. Liz Harding (the Rev'd Pat Drummond) |
| 9. Resource Center | Mrs. Liz Harding (the Rev'd Pat Drummond) |
| 10. Definitely not the Synod | The Rev'd Eileen Irish |
| 11. School of Church Music | The Rev'd Peter Gillies |
| 12. Choir School | The Ven. Richard McConnell |
| 13. Companioned Spiritual Formation | The Ven. Vicars Hodge |

- 14. Prayer Book Society Mr. Wilfred Alliston
- 15. Guild of Saint Joseph Mr. Phil Belyea
- 16. Parish Enrichment Mr. Stan Weaver
- 17. Barnabas Ministries The Rev'd Canon Doug Patstone

As we set about identifying these groups and the names of those in leadership positions we soon discovered that an accurate data base was greatly needed. We also discovered that one group, Marriage Encounter was no longer in existence and that no one seemed to know how that happened.

Since our inception, the Team has met at on four occasions at Trinity Church, Sussex. We felt this was central to the members and also to anyone who wished to join us. Our meetings are open to anyone and we have on occasion welcomed people from Cursillo and Anglican Renewal Ministries who have given detailed verbal reports. We have received written reports for several of the groups who come under our umbrella for spiritual formation and development. We have to date received reports from the Ven. Patricia Drummond in her capacity as Chair of Clergy College, also as the outgoing Christian Education Director and also as the contact person for the Resource Center. Pat's promptness and attention to detail always made her reports an easy delight to read. We also received written reports from Parish Enrichment, Mr. Stan Weaver is the contact person and a written report from DNS, by Ginny McEwen, outlining their plans for 2006. With less than a year under our belt, we are greatly encouraged by the contacts made and two way communication that is happening, albeit slowly.

However, there is a great deal of work yet to be done to effect good communication. Given the early Lenten Season following closely on the heels of Annual Meetings and the Christmas Season, perhaps this is one reason why it has been particularly difficult to encourage the various groups to submit reports. We will next turn our attention to asking people to make submissions for financial consideration for the 2006 Diocesan Budget. Meantime we are encouraging the various groups under our umbrella to participate in a Spiritual Formation Fair at Synod 2005.

Respectfully submitted,
The Rev'd John Cathcart, Chair

ANGLICAN FELLOWSHIP OF PRAYER

The Anglican Fellowship of Prayer ("AFP") is an international ministry seeking to promote prayer among Anglicans. In Canada we strive to be a non-partisan body, encouraging believers of all persuasions to deepen our prayer-lives, under the inspirational leadership of our national CoDirectors, the Most Rev. Barry and Pat Curtis. In each diocese, "Diocesan Representatives" such as myself are appointed by the diocesan bishop, and serve under their authority. In turn, Diocesan Representatives recruit "Deanery" and "Parish Representatives" to assist in our work. In the Diocese of Fredericton, all of our deaneries and about two-thirds of our parishes have AFP Representatives. I am thankful for their daily prayers for their rectors and our Bishop --a basic part of our ministry-- and the work they do organizing and promoting prayer in New Brunswick.

New Brunswick Anglicans mainly know of AFP through our Diocesan Prayer-Chain, available on request to anyone seeking prayer for their parish, ministry, or loved ones facing special challenges. Our intercessors notify one-another by telephone, with briefly worded requests. They are passed on word-for-word. Intercessors pray each day for two-weeks --a period that may be extended by special request, or (preferably) a later updated request. Any Deanery Representative may be contacted to initiate

the chain. Our Deanery Representatives each have the authority to decide whether to circulate requests throughout the diocesan chain, or only within their deanery. (Generally, requests for individuals in distress are only circulated within their deanery, unless the person is a member of the clergy or a well-known lay leader in the church.) Prayers for parishes and diocesan programs, circulate throughout all deaneries. Within each deanery is a local PrayerChain, initiated by the Deanery Representative. Within many parishes are further Prayer-Chains or Prayer-Groups. If they have agreed to our strict covenant on the confidentiality of prayer requests, then any requests received by AFP may be passed on to them. We also require the permission of individuals who are receiving prayer (or their responsible loved ones). A pamphlet on our Diocesan Prayer-Chain and its deanery contacts will be circulated to all delegates.

AFP-Fredericton also sponsors an excellent Book-Table of resources about or for prayer. These include publications by AFP itself, as well as other classics on prayer and material from Anglican authors or publishers. I hope you will please visit our AFP table in the Synod Resource-Fair.

My most rewarding responsibility as your Diocesan Representative, is to be available to parishes, deaneries or other groups to design and lead "Schools of Prayer" workshops on our devotional life. On average, I have been asked to lead three or four each year. Our most familiar program, "The Parish as a Power-House of Prayer", is being planned for the Parish of Bathurst, Saturday September 10th. I have designed a program, "Praying by the Book" which uses many too-easilyoverlooked examples and methods in the Book of Common Prayer to help us learn how to pray, and how to deepen our habits of prayer. Everyone is encouraged to contact me if you feel your parish or group might benefit from some teaching and practical exercises in prayer.

You will be pleased to learn that even as our Synod is in session, a diocesan-wide Prayer-Vigil is taking place, with different volunteers in every deanery praying for our Bishop and Synod for hour-long shifts. We have also been asked by the Bishop to pray for the "Building Faith for a Lifetime" capital campaign for Camps Medley and Brookwood.

We live in trying times for Anglicans. If such times drive us to be more attentive to God's leading and to our devotional lives, then they have already served a better higher purpose.

Chris McMullen (The Rev'd)

DEFINITELY NOT SYNOD (DNS)

The Diocesan DNS committee works with the Bishop to provide an event for the lay members of the diocese. The weekend consists of a theme speaker, workshops, worship, live music, fellowship and a maritime kitchen party. The DNS mission statement is "A weekend to Develop and Nurture Christians for Service with Christ, in the Church and in the World."

In 2002 our theme speaker was The Rev'd Joseph Russell from Cleveland, Ohio; in 2004 our theme speaker was The Right. Rev'd Fred Hiltz, Bishop of Nova Scotia and Prince Edward Island. Both weekends were enthusiastically received with many repeat participants. DNS takes place on the same weekend, but in the alternate year from our Diocesan Synod. Plans for the next DNS weekend are well underway. It will again be held at St. Thomas University Convention Centre in Fredericton, on June 2-4, 2006. We are increasing the number of participants from 100-130, with registration forms available in

early 2006. The DNS committee is co-chaired by the Rev'd Eileen Irish and Ruth Coleman. The committee members are the Ven. Geoffrey Hall, Leith Box, Ginny McEwen, Peter Irish, Claire Box, Marg Petrie, Marilyn Williams, Margaret Cruikshank, Robert Taylor and Jean Taylor.

COMPANIONED SPIRITUAL FORMATION (CSF)

We are a group of people who began meeting some five years ago as a support group for Bishop Claude Miller as he studied for his Doctorate in Ministry. Out of this support group evolved another group interested in Companioned Spiritual Formation. This group is mostly made up of the same people, but a few new persons joined us along the way. To date we have held a successful spiritual formation event in 2004 for Layreaders. This year, 2005, we are holding a Partnering Prayer Retreat, in June that has as its goal the promotion of 'companioned' spiritual formation. The members of this group are The Right Rev. Claude Miller, The Ven. Vicars Hodge (chair), the Rev. John Cathcart (secretary) Gregg Finley, Joan Teed, The Rev'd Elaine Hamilton, Charles Ferris, The Rev'd Neville Cheeseman, Sharon Miller and David Watts. We meet monthly and our goal is to offer one Companioned event each year and also be proactive in the promotion of 'companioned spiritual formation' among the other spiritual formation and development groups in the Diocese of Fredericton.

John Cathcart (The Rev'd), Secretary

CHRISTIAN EDUCATION DIRECTOR

From the time of our last synod on Nov 8, 03 until November, 2004, I continued to work as Christian Education Director, producing three written communications each month i.e. NB Anglican article, Bulletin Insert and CE Newsletter, and doing workshops as required. For the first time, I was invited to the north of the province, conducting workshops in Campbellton and in Bathurst in the summer of 2004.

The highlight of the year was the Diocesan wide Sunday School Conference held at Christ Church (Parish) Church on October 2, 04. This was publicised widely, beginning the previous spring, and had a registration of 112 Sunday School teachers, Superintendents and clergy. There were seven presenters giving a total of 14 workshops during the day. Evaluations of the day were excellent and it is hoped to repeat this event. I could not have organized this day alone and was greatly helped by the members of the CE Committee, Joanne Fitzpatrick of the Parish of Coldbrook and St. Mary, Mary Robinson of the Parish of Nashwaaksis, and Captain Bonnie Hunt of Christ Church (Parish) Church.

In the fall of 2004, the Bishop asked me to consider parish ministry, and in November I moved to New Bandon as rector. While the position of CE Director was vacant, I continued to do the written communications as far as possible, although there were gaps in the Newsletter and Bulletin Insert around Easter this year.

Our new CE Director has now been appointed. She has excellent past experience and qualifications for this type of work, and comes with tremendous enthusiasm. I have met with her to pass on whatever

might be helpful as she takes over, and look forward to working with her as she assumes the role. I am sure the teachers in this diocese will be well served by Elizabeth Harding.

Respectfully submitted,
Patricia Drummond (The Ven.), Christian Education Director

CLERGY COLLEGE

The Clergy College has continued to be offered annually, with the fifth one taking place this coming June. It has continued to be a five day event and has attracted a variety of gifted speakers, three each year. Some clergy register for the whole week, others for one or two courses. The cost is covered partly by clergy who pay per course from their continuing education funds, and partly by the diocese, which provides a grant.

Although the main purpose of the college has been clergy development and continuing education, the college has also been invaluable in building collegiality. It has become an event to which many clergy look forward with great anticipation.

The College has taken place at the Hugh John Flemming Forestry Complex each year except for 2003, when the St Thomas' Residence, formerly Keddy's, was used.

Two speakers have already been booked for the sixth college, to be held June 19 - 23, 2006. Committee members are responsible for finding their own replacements every two years. The present committee consists of:

The Ven. Patricia Drummond (chair); the Rev'd Bruce McKenna (vice-chair); the Rev'd Peter Mills (secretary); the Rev'd Chris Hayes (registrar); the Rev'd Wendy Amos-Binks (hospitality); the Rev'd Gerry Laskey (worship).

Respectfully submitted,
Patricia Drummond (The Ven.), Chair

ORDER OF ST. LUKE

The Order of St. Luke Fredericton & Oromocto Chapters are holding a OSL Healing Mission on April 29 and 30 and May 1. This will consist of a series of healing services with several local speakers, including Bp. George Lemmon. Notice has gone out through the diocese about this, and we know that some folks are coming from outside the city area to attend. This is good news! The Diocesan financial support is enabling us to offer this Mission without registration costs to all who wish to attend.

Respectfully submitted,
The Rev'd Canon Jon Lownds, OSL

RESOURCE CENTRE

The Resource Centre has now been in existence in the back room at Anglican House in Saint John for three years.

A grant of \$5000 from the diocese each year has enabled the purchase of a considerable amount of resource material. This is mainly in VHS video format. This year, however, a DVD player has been purchased and new material which is available in DVD is being purchased in that format. In 2004, some books were purchased on a trial basis and more will be added this summer.

For every summer since the Resource Centre was established we have received a federal grant to enable us to employ a student for 10 weeks. She has been responsible for cataloguing and processing the resources ready for borrowing, under the guidance of Ms. Cathy Ramey who is a trained librarian, using a computerized system which is available for browsing online. She has also assisted with summer replacement at the bookstore. This help has been invaluable.

The Resource Centre is being well used, the kits for parish studies being particularly sought after. A waiting list is kept for the most popular series.

The committee now consists of: the Ven Patricia Drummond (chair); Mrs Betty Kennett; the Rev'd Gordon Thompson.

Respectfully submitted,
Patricia Drummond (The Ven.), Chair

SCHOOLS OF PASTORAL CARE

A School of Pastoral is in the initial planning stages for 2006. Diocesan support will cover the initial costs of organizing and publicizing this school. The school held in 2004, which featured local leadership, was attended by some 70+ persons from all over the province and outside, many of whom were health care professionals. Diocesan support over the years has enabled us to offer this program at a minimal cost of \$50 per person, quite reasonable for an educational program that runs over three days.

Respectfully submitted,
The Rev'd Canon Jon Lownds, Schools of Pastoral Care

STEWARDSHIP AND FINANCIAL DEVELOPMENT

The mandate of the Stewardship and Financial Development Team is to promote a spirit of generosity and the practice of good management and accountability/responsibility on both diocesan and parish level. The team attempted to meet this mandate in several ways, some of which are providing information others were by providing training and materials that could be used by parishes. This report attempts to highlight the main ways in which the team operated.

1. Leadership Development:

On October 28, 2004 the Reverend Dave Ponting, Director of Stewardship and Financial Development for the Diocese of Niagara conducted a presentation with the leadership of the diocese. Invited to attend the meeting were Diocesan Clergy, Diocesan Council, and members of the Stewardship and Financial Development Team. The day was held at Trinity Church in Sussex.

Bishop Miller opened the day by sharing his vision on stewardship in the Diocese. Reverend Ponting made a presentation on "Narrative Budgeting" focusing on how this format for budgeting would present a

more complete story of ministry in the parish. This was a follow up of an earlier presentation in the fall of 2003 on "Enabling a Spirituality of Abundance". During his presentation, Mr. Ponting made it known that Stewardship was about more than money. It is about Time and Talent, too. Areas of ministry involving time and talent highlighted were: Working with children; Working with Teens; Evangelism; Community Service; Serving Seniors; and Outreach.

2. Annual Stewardship Conference:

After four successful years of providing stewardship education through Diocesan Conferences, the Stewardship and Financial Development Team decided it was time to direct efforts to Parish Stewardship Teams through regional workshops. This was done by inviting the Rector, Stewardship Team Chair and at least two other members of the Parish Stewardship Team to attend a one-day workshop on "Rejuvenating the Parish".

The first workshop was held on April 24th at St. George's Church in Bathurst. The leader for this workshop was Mr. Jim Morell from Morell & Associates Consulting. Jim is also a member of the Cathedral congregation and is known to many around the diocese for his interest in stewardship. He has been involved with many stewardship events as well as Diocesan Council development. We thank him for both the time he has given to the diocese and the talents that he brings with him.

Three other regional workshops will be held in the fall. Watch the e-news and the NB Anglican for further details as to locations and dates.

3. Stewardship Stories for Parish Bulletins:

Each week the e-news carries information on stewardship that may and should be used by bulletin editors. The most notable of these is Stewardship Quote.

4. The Stewardship and Financial Development Team is also in the process of preparing a tract (Why We Should Give) in booklet form to be distributed in all churches. The author Reverend John Pearce has given us permission for its use.

Other material will be prepared or collected by the Stewardship and Financial Development Team for use by parishes.

5. Gambling As A Means Of Raising Funds:

Several parishes have requested information on the position of the diocese in regards to the use of lotteries and raffles for the purpose of raising funds. It has been a long-standing position of this diocese that the Diocese of Fredericton and parishes promote good stewardship and direct giving as the highest method of Church support. To this end the Stewardship and Financial Management Team has brought a motion before this Synod asking it to reiterate its official position against gambling and lotteries, both inside the Church and in wider society.

6. Financial Development Officer:

The Stewardship and Financial Development Team has been working in concert with Bishop Miller with the view of establishing a Financial Development Staff position in the Diocese. Both Diocesan and parish fund raising needs remain a high priority, both short term and long term. At the time of writing this report, the Team is preparing an application to the National Church for financial assistance for this position.

7. 2005 Narrative Budget:

The 2005 Diocesan Budget was completed in a Narrative format and included as an insert in the February NB Anglican. It is also available for printing in booklet form on the Diocesan Web site.

Stewardship comes out of a commitment to Christ, a sense of belonging to the Community of Faith, and a desire to use one's resources to further God's Purpose. It is not just about collecting money. Stewardship is not a program; it is a process – a process of reaching out to people and bringing them to a personal relationship with Jesus Christ. As they grow in their relationship with Jesus, individuals will want to change the way they use the gifts that God has given them.

The prophet Malachi reminds us that God is constant waiting for our love, our obedience and our tithes. If we listen to him and do his will, he will open the floodgates of heaven and pour out blessings upon us.

“I the LORD do not change. So you, O descendants of Jacob, are not destroyed. Ever since the time of your forefathers you have turned away from my decrees and have not kept them. Return to me, and I will return to you,” says the LORD Almighty. “But you ask, 'How are we to return?' “Will a man rob God? Yet you rob me. “But you ask, 'How do we rob you?' “In tithes and offerings. You are under a curse— the whole nation of you – because you are robbing me. Bring the whole tithe into the storehouse, that there may be food in my house. Test me in this,” says the LORD Almighty, “and see if I will not throw open the floodgates of heaven and pour out so much blessing that you will not have room enough for it. I will prevent pests from devouring your crops, and the vines in your fields will not cast their fruit,” says the LORD Almighty. “Then all the nations will call you blessed, for yours will be a delightful land,” says the LORD Almighty. (Malachi 3:6-12 NIV)

The Diocese as well as individual parishes needs to offer an effective stewardship formation program that will bring about transformation in people's spiritual lives. Our work has only begun. Please speak to us about your needs. Encourage us by sharing with us what works for you. Help us by telling us what did not work so that we don't walk down a path that takes us nowhere.

Respectively submitted,
Donald Thompson, Chair

YOUTH MINISTRIES

The Diocesan Council Youth Team consisted of Christopher Ketch (Chair), Trevor Holder (Reporter), Archdeacon Richard McConnell, Gloria Jennings, Canon George Porter

Brief Description and Mandate

Ministry to youth has been identified as a top priority in this Diocese since the visioning synod of 2000. Currently the diocese is well served by qualified and talented youth leaders as well as youth action & Christian education directors who are involved in numerous ministries. The Diocesan Youth Team seeks to communicate with all the various branches of youth ministry in the Diocese of Fredericton and serve as a coordinating body between the Diocesan Council and all youth ministry happening in the diocese. Our goal is to encourage, support and identify resources for youth ministry; we would also like to see all youth ministry endeavours aware of and communicating with the DYT and each other

Our goals are ongoing and include: Contacting various branches of youth ministry in the diocese in order to:

- a) identify the range of youth ministry that is happening in the diocese
- b) get a grasp of the strengths and weaknesses of these ministries
- c) be aware of the needs and concerns of the different youth ministries

- d) be aware of the amazing things happening with youth in the diocese
- e) be aware of the financial needs/requests of the various youth ministries in the diocese for the purpose of budget recommendations.

Respectfully submitted for the group,
Archdeacon Richard McConnell

YOUTH ACTION DIRECTOR

What follows is something of a stream of consciousness account of some of the youth ministry developments in the diocese.

Several successive meetings of the Synod of the Diocese of Fredericton urged priority be placed upon the development of youth ministries in the diocese. A Youth Action Committee was called by the Bishop. This group began a process of study, consultation, planning and education over a couple of years. Ultimately they recommended the hiring of the Youth Action Director for the Diocese and Chaplain to the University of New Brunswick (Fredericton) and St. Thomas University. I began work in the diocese at the beginning of November 2004. In early 2005 Bishop Miller appointed me Canon of Christ Church Cathedral and Canon for Youth Action in the Diocese. The Primate was present and involved in this service.

In April 2005, Mrs. Liz Harding, a gifted Christian educator with many years of experience in parish ministry, (adolescent) spiritual formation, Christian education, curriculum research and camp work, was brought on board as Christian Education Director.

Manna is a one day event in the fall specifically designed for middle and junior high students. We are looking for ways to expand this ministry.

TEC (Teens Encounter Christ) has been functioning very successfully for a number of years and is experimenting with regional expressions this year.

The Youth Action Committee finished a second Youth Consultation in 2004. It is in process of morphing into the Youth Action Team with emphasis on promoting change and youth ministry at the parish level and facilitating training at a diocesan level. A particular mandate is exploring worship. They will also be exploring ways to deal with regionalism in the diocese.

In addition to a number of parishes that have vibrant youth groups, server's groups, confirmation groups and Christian education departments, a few parishes have instituted youth-oriented worship services. The Cathedral hosts a monthly 'youth service' on the third Sunday of each month to which many youth from around the diocese come.

The Diocese operates 2 official summer residential camps (Medley and Brookwood) for both children and teens. Currently there is a significant financial campaign to raise funds and awareness of the important ministries of these two camps, refurbishing or replacing aging facilities.

In addition, the Diocesan Choir School holds a summer camp program for both adults and youth at Rothesay Netherwood School. St Paul's, Rothesay operates its own summer camping and leadership

development program. Many parishes hold, or cooperate in holding, vacation Bible schools in the summer.

Christ Church Cathedral sponsors a puppet group (The Cathedral Puppeteers) lead and staffed by young adults and teens. They minister in the Cathedral congregation and around the diocese on a regular basis. This past March they participated in a mission trip to the Diocese of Belize where they ministered in schools, Sunday Schools, a hospital and children's shelter.

Other parishes (most notably St. James the Less, Renforth and Stone Church, Saint John) have taken youth on intergenerational mission trips to Mexico and New York City. The diocese was host to a small group of youth from our companion diocese (Recife, Brazil) last winter. This year a team of 10 high school youth and four adults are preparing to travel to the Diocese of Cuba to work on a community / parish agricultural project in support of seniors in a rural area east of Havana. The diocese has rallied to support these endeavors.

St Paul's, Rothesay youth program sponsored a parish mission during Lent of this year. It involved all generations in an effort to raise awareness of how we might engage in significant ways our emerging culture.

The MilGen Page of the NB Anglican has morphed into the Emergent Page. We have a diocesan youth website (www.nbay.ca) as part of an ongoing effort to communicate across the diocese. The diocesan E News is also helpful in this effort. We heard from the Primate about national church networking and are expecting to get involved at this level as well.

I have been named to the Board of Ask & Imagine. We have at least one young person in process of applying for the coming summer and several more considering.

Throughout this past year Liz Harding and myself have taught a series of one-day training events called GYM Classes (Growing Youth Ministries) for youth workers in the diocese. Those who complete the course and assigned reading will receive their first year certificate. Plans are underway to continue and perhaps expand this important part of our youth work here.

Plans are beginning for a major worship training event and a spiritual formation day for adolescents. The youth representative for PWRDF is also hoping to make that more an important and visible part of youth ministry in the diocese.

Many youth participate cross-denominationally in youth networks in the Saint John, Fredericton and Moncton areas. Canon Porter is involved in 2 of these networks, as well as Jesus Atlantic and Evangelical Fellowship of Canada Youth Network.

Teaching opportunities have also come about during the DNS Weekend (on alternative years to meetings of Synod) and the annual Christian Education Conference.

We had a small but enthusiastic A & F (Anglicans & Friends) Ski/Ride Day at Crabbe Mountain this year and hope to expand this ministry in the coming year.

Weekly eucharists and counseling services are provided to UNB (Fredericton) and St Thomas University students through the academic year.

Emphasizing the importance of youth ministry in the diocese, Bishop Miller's reorganization of Diocesan Council into seven areas included youth as one of the seven. This group is slowly feeling out its mandate to coordinate and support the various youth ministries in the diocese.

Foundational to all that we're doing is the belief that when all is said and done, relationships form the core of youth ministries and missions – relationships with God, others and the rest of God's world.

The Rev'd Canon George Porter, DPhil
Diocesan Youth Action Director

Report of the Diocesan Treasurer

The Treasurer is appointed by Diocesan Council and under our Constitution is required to:

- (a) receive all money belonging to or collected under the authority of the Synod, and disburse the same as the Synod shall direct,
- (b) keep careful accounts of all money belonging to or collected and disbursed under the authority of the Synod and present those accounts to the Synod at each regular meeting of the Synod and to the Diocesan Council as it may require,
- (c) deliver into the hands of a successor or other person as the Synod may direct all property, books, records, documents and papers relating to its concerns that may be in the possession or control of the Treasurer.

This is largely an administrative responsibility and is one which is carried out under the direction and oversight of the Finance Committee.

The bulk of the information pertaining to the financial affairs of the Diocese is detailed in the reports of the Finance Committee and Diocesan Council. The audited financial statements of the Diocese are included in Appendix 6 of this Synod Journal. This report supplements that information.

DIOCESAN FINANCES: It was disappointing to see an operating deficit in 2004 after many years of positive results. We should not panic over this but we must be concerned.

It would be easy to attribute this result to increases in spending and certainly that is a factor, albeit a small one. In fact however, our operating budget has grown very little over the past two years. Inflationary increases have made it impossible to put forward new ministry initiatives without doing so at the expense of other programs. Our program budget in 2004 was almost exactly the same as in 2002 and overall the budget increase was less than 7% over that two year period, all of it inflationary in nature.

In reality the primary factor in our negative result was a significant drop in parish support for the budget. Mission Outreach contributions were the lowest in several years and the Episcopal and Administrative Assessments were also significantly less than in 2003.

In preparing the budget for 2005 our Diocesan Council took some bold steps to address real and pressing ministry needs. Support for our Camp Campaign was continued. A training program for newly ordained clergy was instituted and steps were taken to address our shortcomings in the area of communication.

These represent new expenditures and they reflect mission and ministry priorities set by our Synod. The Council and Finance Committee have taken steps to ensure that the budget is communicated effectively,

through a "Narrative Budget" presentation, through meetings of the Greater Chapters, and through information distributed via the New Brunswick Anglican . Hopefully these measurers have raised awareness and will result in improvement in the level of support for the budget, which in the end, is there to serve and bolster parish ministry.

THE DIOCESAN CONSOLIDATED INVESTMENT FUND: The investment climate continues to be a challenge to those entrusted with the management of our portfolio. The decrease in the value of the U.S. dollar has severely impacted on the value of that portion of our portfolio which is invested in that market. In addition the interest rates continue to sit at low levels.

We are however encouraged by the work of our Fund managers who have been able to keep our portfolio in the upper quartile of return performance. Because of that we have been able to keep returns to the participating parishes at reasonable levels, reflective of the ability of the portfolio to generate required income. The rate of 4.50% which applied in 2004 will also be maintained in 2005. We were able to allocate bonus interest additions to capital at rates of 2.5% and 2.0% in 2003 and 2004 respectively, although doing so in 2004 meant utilizing some of our retained earnings reserve.

ADMINISTRATIVE MATTERS: The primary focus of the Treasurer's is in accounting for and controlling diocesan income and expenditures in relation to a budget of just over \$2.3 million. This is a large task but it is by no means the only one.

Among other things, the Diocese provides a central payroll service for parishes. Currently there are 140 people on that system, 76 of them clergy, and the monthly outlay is over \$330,000. In addition we maintain records for over 800 parish investment accounts with a value of over \$11 million. We also maintain an accounting system for our investment funds which tracks over \$19 million in assets.

All of this is part of the global picture that is diocesan financial administration and does not include the demands placed upon staff for Synods, Warden's Days, Committee meetings, special appeals, and other day to day operational matters. All of this is undertaken as a ministry, and it is one that I and those at the Synod Office take on willingly and take seriously. Collectively we see our role as one of support and service; to the parishes, to the Synod, and to the Bishop.

COMMUNICATION: Like most organizations, the Diocese is dealing with changes in methods of communication that are prevalent in today's world. We are making more and more use of electronic communication (e-mail and web site) and you can expect to see that grow in the future.

Earlier this year we put in place new Diocesan Information Management System and while there is certainly a learning curve, it is already proven to be a blessing. Parishes will soon have the opportunity to access the system and even update their own statistics and personnel data.

We purchased and installed a new telephone system that has greatly improved our ability to respond to calls. We realize there is some dislike with a system where the first response is recorded, but over time most have come to agree, perhaps grudgingly, that the system is an improvement. You will also be interested to know that the system saves over \$220 per month in line charges, meaning it will pay for itself in less than 30 months.

THE CAMP CAPITAL CAMPAIGN: It is good to finally see some action in regard to upgrading our camp facilities. The work was necessary and long overdue. Hopefully we will be able to replace the dining hall at Camp Medley before the 2006 camping season, but that depends entirely on the support of individual Anglicans. It is a challenge and hopefully we will meet it.

APPRECIATION: I will take this opportunity to offer my sincere thanks to the administrative staff at the Synod Office, Mrs. Doreen Smith and Mrs. Phyllis Cathcart, along with our latest addition Mrs. Carolyn Turney. Their efforts and their ability to respond to our changing environment are most appreciated. Special thanks is extended to The Ven Geoffrey Hall for the key role he plays in administrative support, especially his efforts and work in communications and in the development of our new data management system.

As Treasurer, I am deeply appreciative of the efforts of all those who serve on our Finance Committee. This group has responded well to the challenges before them. Special thanks to the Chair, Mr. Murry Arnott. I also express my thanks to those serving on the Human Resources and Property Committees as they deal with packed agendas.

Respectfully submitted,
L. F. Scott, Diocesan Treasurer

Motions

8(1) No motion or amendment is before the Synod unless it is seconded and in writing.

8(2) No original motion, except a procedural motion, shall be received without notice unless permitted by the Synod.

8(3) No motion that would result in a new expenditure may be considered unless it identifies a proposed source of funding or is qualified as being subject to available funding.

8(4) When a motion has been read by the Chair it cannot be withdrawn without the consent of the Synod.

8(5) When a motion is being considered, no other motion shall be received except

(a) to adjourn,

(b) to lay it on the table,

(c) to consider it clause by clause,

(d) to postpone it until a certain time,

(e) to postpone it indefinitely,

- (f) to refer it,
- (g) to amend it, or
- (h) that the question be put,

and such motions have precedence in the order named, following a motion to put the question.

8(6) No more than one amendment to a proposed amendment of a motion is in order at one time.

8(7) Motions to adjourn, to adjourn the debate, or to lay a motion on the table shall be decided without debate.

8(8) A motion that the question be put shall be decided without debate and to be carried requires the affirmative votes of two-thirds of the members present.

8(9) Debate on a motion to refer shall be restricted to questions whether to refer and to whom.

8(10) When amendments to a motion are proposed, the amendments and the original motion shall be put in the reverse order to that in which they were made.

8(11) When the Chair declares that a question is being put no further debate shall be allowed and no member shall rise.

Voting

9(1) When the votes of the clergy and of the lay members are required to be taken separately under subsection 8(2) of the Constitution or upon any motion to amend the Constitution or to adopt, amend, suspend or repeal a Canon, the question shall be put first to the order of the mover.

9(2) In voting, those who vote in the affirmative shall so signify first, and then those who vote in the negative.

9(3) If there is an equality of votes, either of the Synod voting collectively or in the votes of either the clergy or the lay members taken separately, the Chair shall declare the question to have been decided in the negative.

9(4) A question once determined shall not again be drawn into discussion at the same meeting of the Synod without the permission of the Chair.

Suspension of the Rules of Order

10 A motion to suspend a Rule of Order and Procedure shall take precedence over all other motions, shall be decided without debate, and to be carried requires the affirmative votes of two-thirds of the members present.

Unprovided Cases

11 When a question of order is not covered by these Rules, the Chair may refer to Kerr and King's *Procedures for Meetings and Organizations* for guidance.

PART II - MEMBERSHIP IN THE PROVINCIAL AND GENERAL SYNODS

Election of Members

12(1) The Synod shall, at each regular meeting, elect such number of members of the Provincial Synod and of the General Synod as are required by the Constitutions and Canons of those Synods, and may elect an equal number of substitutes.

12(2) Clergy members of the Provincial Synod and of the General Synod shall be elected from among the priests and deacons who are members of the Synod.

12(3) Lay members of the Provincial Synod and of the General Synod shall be elected from among the lay members of the Synod and substitute lay members.

12(4) Youth members of the Provincial Synod and of the General Synod and substitutes shall be elected from among the members of the Synod who will be younger than 26 years when the Provincial Synod or the General Synod meets.

12(5) If there are no members of the Diocesan Synod who will be younger than 26 years when the Provincial Synod or the General Synod meets, or if both the youth member and the substitute are ineligible or unable to attend a session of the Provincial Synod or the General Synod, the Diocesan Council shall elect or appoint a youth member who need not be a member of the Diocesan Synod.

12(6) Members of the Provincial and General Synods and substitutes shall be elected by ballot of all members of the Synod.

12(7) The nominees receiving the greatest numbers of votes to the number required to be elected shall be the members, and those receiving the next greater numbers of votes shall be the substitutes.

12(8) Tie votes shall be resolved as provided in subsection 3(8).

Vacancies

13 If a member of the Provincial Synod or the General Synod resigns as such or ceases to be a member of the Synod or a substitute member, or if a youth member attains the age of 26 years before the meeting of the Provincial Synod or the General Synod, the place of that member shall be taken by the substitute next in order of election.

Term of Office

14(1) Members of the Provincial and General Synods take office when they are elected unless the Synod by resolution fixes a later date for the taking of office.

14(2) Subject to Section 13, representatives shall remain in office until their successors are elected and take office.

PART III - ENACTING AND AMENDING CANONS

15(1) The Synod may adopt a new Canon or amend, repeal or suspend an existing Canon when a notice of intention to propose the same, containing the proposal in full, has been

(a) given at the previous meeting of the Synod, or

(b) sent to the Secretary of the Synod not less than six weeks before the meeting of the Synod at which it is to be considered.

15(2) A notice of intention to propose the adoption, amendment, repeal or suspension of a Canon shall contain the proposal in full.

15(3) The Secretary of the Synod shall include every notice of intention to propose the adoption, amendment, repeal or suspension of a Canon in the notice of the meeting of the Synod at which it is to be considered.

15(4) A motion to adopt, amend, repeal or suspend an existing Canon, to be carried, requires

(a) the affirmative votes of two-thirds of the clergy members and two-thirds of the lay members of the Synod present and voting at the meeting at which it is considered, and

(b) the Bishop's approval.

15(5) If a motion to adopt, amend, repeal or suspend a Canon does not receive the majorities required by subsection (4) but receives a simple majority of the votes of each order, it may be voted on again at the next regular meeting of the Synod when it may be adopted by

a) the affirmative votes of a majority of the clergy members and a majority of the lay members of the Synod present and voting at the meeting at which it is considered, and

(b) the Bishop's approval.

15(6) The Bishop's approval of the adoption, amendment, repeal or suspension of a Canon shall be signified at the meeting of the Synod at which it is adopted by the required majorities; but if the Bishop is absent or there is a vacancy in the office of bishop the adoption, amendment, repeal or suspension of a canon shall await the pleasure of the Bishop.

Auditors' Report

To the Members of
The Diocesan Synod of Fredericton

We have audited the balance sheet of **The Diocesan Synod of Fredericton** as at December 31, 2004 and the statements of Operating Fund Revenue and Expenditure and Equity, Investment Fund Retained Reserve, Diocesan Development Fund Capital, and Diocesan and Parochial Trust Fund Capital and Undistributed Earnings. These financial statements are the responsibility of the Synod's management. Our responsibility is to express an opinion on these financial statements based on our audit.

Except as explained in the following paragraphs, we conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

Note 2 (a) describes the diocese's policies with respect to the adoption of revisions to certain aspects of accounting for not-for-profit organizations.

In common with many charitable organizations, The Diocesan Synod of Fredericton derives part of its earnings from contributions and bequests, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, our verification of these revenues was limited to the amounts recorded in the records of the Synod and we were not able to determine whether any adjustments might be necessary to contribution revenue and bequests, excess of revenue over expenditure, assets, liabilities and equity.

In our opinion, except for the effect of adjustments outlined in note 2 (a) to the financial statements which would have been required to implement sections 4400 – 4460 regarding not-for-profit organizations in the CICA Handbook and except for the effect of adjustments, if any, which we might have determined to be necessary had we been able to satisfy ourselves concerning the completeness of the earnings from contributions and bequests referred to in the preceding paragraph, these financial statements present fairly, in all material respects, the financial position of the Synod as at December 31, 2004 and the results of its operations for the year then ended in accordance with Canadian generally accepted accounting principles.

The Diocesan Synod of Fredericton
Notes to the Financial Statements
December 31, 2004

1. Nature of operations

The Diocesan Synod of Fredericton represents the administrative and episcopal head of the Anglican Church of Canada operations in New Brunswick. The corporation is a charitable organization within the meaning of the Income Tax Act (Canada) and as such, is exempt from income taxes.

2. Summary of significant accounting policies

(a) Accounting policies for Not-For-Profit organizations

During 1998 the Diocesan Synod of Fredericton should have adopted the recommendations of the Canadian Institute of Chartered Accountants (CICA) with respect to not-for-profit organizations. The Diocesan Synod of Fredericton should have changed specifically its policies for capitalization and depreciation of property and equipment, general financial statement presentation and reporting related to controlled or significantly influenced entities.

Management has concluded that implementing these recommendations at this time does not result in a practical or meaningful reporting of the organization's activities to them or various stakeholders, specifically the members of the Diocesan Synod of Fredericton. It is also firmly believed the cost to achieve compliance with these recommendations would far exceed any reporting benefit to be achieved for this organization given the large number of organizations variously connected to the Diocesan Synod of Fredericton. Therefore due to the expected limited usefulness to stakeholders, anticipated excessive costs to implement, and the impractical nature of the procedures required, sections 4400 - 4460 of the CICA Handbook regarding not-for-profit organizations, have not been implemented in these financial statements and possible adjustments required to implement these sections have not been determined.

(b) Basis of accounting

The accounts are presented in accordance with the principles of accrual accounting and with fund accounting (whereby accounts are classified by funds in accordance with activities).

Specific accounting policies used in these financial statements which are not consistent with Generally Accepted Accounting Principles are as follows:

- i) transfers to and from interfund accounts may be reported as revenue/expenses in the related fund.
- ii) no depreciation is calculated on capital assets.
- iii) assets acquired may be expensed or capitalized depending on the significance and prominence of the item.
- iv) the financial statements do not report the results of any related organizations.
- v) contributions related to capital asset acquisitions have not been identified or amortized.

(c) Capitalization

Properties are initially recorded at cost and no depreciation is provided for in the accounts.

Purchases of equipment, furniture and fixtures are charged against the Operating Fund in the year of acquisition.

The Diocesan Synod of Fredericton
Notes to the Financial Statements
December 31, 2004

2. Summary of significant accounting policies (Cont'd)

(d) Designated Funds

The balance of Designated Funds in the Operating Fund liabilities represents the funds designated for specific activities, plus the accumulated unexpended earnings of the funds.

(e) Cash and cash equivalents

Cash and cash equivalents include balances in bank accounts, income related cash balances in investment accounts and guaranteed investment certificates with maturities of one year or less.

(f) Investment earnings

Interest credited to Designated Funds, Provision for Special Purposes, Diocesan Development Fund and Diocesan and Parochial Trusts, is calculated on the balance of capital using a rate of 4.5%.

Gains and losses realized on investment dispositions are credited or charged to the Investment Fund Retained Reserve account in the year of disposition. Periodically, a bonus is credited to other Funds and Trusts on account of net gains realized. In 2004 the bonus is calculated on the balance of capital using a rate of 2.0%.
