

Healthy *Conversations* ... Healthy *Churches*

Is your congregation engaged in the *right* conversations?

Are your conversations civil and fruitful?

Lead and facilitate the most important conversations.

Work through conflict and make it work for you and your congregation to lead to deeper engagement and greater congregational health.

Join **Steve Young**, FaithCARE and **Bill Bickle**, NCD Canada leading five days of restorative practices & church health processes. Gain certification from the International Institute of Restorative Practices (IIRP). Learn engagement theory, new easy-to-use skills, and mutually mentor with 30+ church leaders.

Steve and Bill have worked with hundreds of churches and other non-profits as they journey to greater relational and spiritual health.
