

Living Stones Pilgrimage 2024

Why living stones?

Scripture reminds us that Jesus is The Living Stone and those learning to follow him are also living stones. (1 Peter 2:5) In the Holy Land, you'll explore historic and biblical sites with "historic stones." Our itinerary also intentionally connects us with the Living Stones – the local believers of the Holy Land.

What to expect:

Expect your faith to come alive! St. Jerome called the Holy Land "The 5th Gospel" for when you visit, the Bible's stories come to life. For 1700 years, Christians have been making pilgrimages to the Holy Land to deepen their faith.
