

THE COMMUNION FOREST

RENEWING THE
LIFE OF THE
EARTH ACROSS
THE ANGLICAN
COMMUNION

*And the leaves of
the tree are for
the healing of the
nations*

Revelation 22:1-2

THE COMMUNION FOREST

RENEWING THE LIFE OF THE EARTH ACROSS THE ANGLICAN COMMUNION

The Communion Forest is a *global* initiative comprising *local* activities of forest protection, tree growing and eco-system restoration undertaken by provinces, dioceses and individual churches across the Anglican Communion.

The Communion Forest is a practical, spiritual and symbolic response to the environmental crisis, and an act of Christian hope for the well-being of humanity and all God's creation.

The Communion Forest is a legacy of the 2022 Lambeth Conference – a lasting

expression of the conference theme: “God’s Church for God’s World - walking, listening and witnessing together.” It is a way of showing our shared commitment to the Anglican Fifth Mark of Mission:

Strive to safeguard the integrity of creation and sustain and renew the life of the earth.

The initiative has been developed by a working group of bishops from around the Communion, the Anglican Communion Environmental Network and the Anglican Alliance.
